

Lying down on the job?

Hardly! The Kinsmen have been working like fiends to complete their new Rodeo Grounds on Riel Drive in time for the Rodeo this weekend and sometimes the hectic work pace leads to these rather embarrassing positions.

Photo by Richard Mowry

East side, west side, by-pass debate goes on

City council travelled the west by-pass route once again Thursday night in their deliberations at a meeting to finish that portion of their agenda not completed on Monday night.

In a statement directed at Mayor Ron Harvey, Alderman Barry Breadner, requested that the mayor explain the city's preference for an easterly by-pass to Transportation Minister Hugh Horner and to the transportation study group with whom the mayor is working. Mr. Breadner then asked Ald. Liesbeth Bakker to relay information from Edmonton Regional Planning Commission which might have a bearing on the city's hopes for an easterly by-pass.

Mrs. Bakker reported that the City of Edmonton had gone before the Metropolitan Committee of the ERPC to request a rezoning of a strip of land on the east side of 127 Street north of 127 Avenue. They asked for a zoning change from agricultural to commercial, industrial, residential. The Edmonton re-

quest was granted with Alberta Transportation's representative vote for rezoning. This would preclude the widening of 127 Street eastward. Thus 127 Street will not be an access road to Edmonton, reported Mrs. Bakker.

This information drew a sharp response from Ald. Breadner, who commented "I find it incredible that the Minister says we should protect our east and west by-pass routes, while his representative from Alberta Transportation at this meeting doesn't do this."

Roger Ayotte also had a comment on the subject of by-passes: "I've always thought we were going to get the west by-pass. We're swinging more to the west all the time."

Ald. Breadner had further

comments on the issue. Quoting from a letter from MLA Ernie Jamison written on March 15 to members of council, Ald. Breadner referred to that part of the letter in which Mr. Jamison said "I have received an agreement from the Minister of Transport."

Mr. Breadner asked Mayor Harvey if he could find any indication in the letter he had received from Dr. Horner that there was any agreement for a west by-pass. To this, Mr. Harvey said he had not wanted to come right out and ask the Minister about this.

Mr. Breadner continued, saying he was "very concerned that the MLA would come before council claiming he has an agreement, and then not substantiate it. I'm

Draft dog bylaw:

School grounds off limits; leashes to be required

Man's four-footed canine friends have become the subject of an increasingly loud public outcry in the city of St. Albert, as elsewhere. In answer to widespread complaints from the citizenry and particularly the school boards, city council has requested a revised animal control bylaw. At its meeting on Monday night, council's Committee of the Whole examined a draft revision of the bylaw which is hoped will "put more teeth" in the bylaw's provisions.

One of the main clauses in the draft concerns leashing and control of the dog in the draft, any dog is considered at large that is not on a leash held by a responsible person. The leash is to be no longer than six feet. Thus, the old bylaw's provision that the dog be required only to be "in care of a competent person" would no longer apply. The animal must be leashed under the draft terms.

Female dogs in heat are also the subject of a revision. In the bylaw, female dogs in this condition would have to be confined and housed in the home of the owner or person caring for the dog. The dog would be allowed outside the house only for defecation.

The increasing problem of dog defecation on public property is also spoken to in the draft. The new law, if passed, would require the owner to remove any mess made by the dog on both public property or someone else's property.

Noise pollution caused by dogs is also considered. Included in the draft is a clause stating that no owner shall permit his dog to bark or howl excessively, dis-

turbing others.

The concern of the school boards relating to dogs running at large on school property is also dealt with. Dogs would be prohibited on school grounds, playgrounds and posted properties. If a dog is found on such properties, the owner will be considered to have failed to comply with the bylaw.

CITIZENS COULD APPREHEND

The bylaw states that "any person shall be entitled to take charge of any animal found running at large" and deliver it to the Animal Control Officer for impoundment.

Rodeo weekend - thrilling action fun for all

Rodeo action gets started Friday evening with a 6 p.m. performance at the grounds, followed by the chuckwagon races, a St. Albert rodeo feature for the first time this year. Reg Kesler will be bringing in his stock Thursday when the West Coast Amusements Midway will also be arriving, and the chuckwagons started coming in last night and today.

President Gerry Rayburn said last night that the

grounds are in fine shape with work continuing each evening when the Kinsmen get home from work - sometimes till nearly midnight. The new half-mile oval track is looking good and should test the mettle of the big chuckwagons, drivers and horses, for some exciting races.

Casino action begins Thursday at 4 p.m. and continues Friday from 4 - 12 Please Turn to Page 2

Two seek Catholic board seat

Two St. Albert residents have put their names forward in the by-election to fill a vacancy on the St. Albert Public School District #3 Board of Trustees.

The seat became vacant when former trustee Al Alain resigned to take a new position in Ottawa.

Don Lavoy of 73 Grandora Crescent and Barbara Chan of 81 Fenwick Crescent will contest the position in the by-election June 28.

Information on polling stations etcetera appears on the centrefold of this section.

Candidates views and profiles will appear next week.

Whoop it up! It's Rodeo Time!

Rodeo news page 41

by-pass

Continued From Page 1
getting very disturbed about it."

Mr. Breadner also made reference to Mr. Jamison's letter which stated that to obtain the by-pass, St. Albert should enter into an agreement with Alberta Housing to landbank right-of-way property for the proposed by-pass. Mr. Breadner then cited a letter from then Minister of Alberta Housing and Public Works Bill Yurko who had written that "The City of St. Albert would not be considered a priority area for the (Alberta Industrial Land) Program." In reference to this statement, Mr. Breadner said this indicated Mr. Jamison had made a "misrepresentation before this council."

NEW INFORMATION

However, Mayor Ronald Harvey informed Mr. Br-

eadner that he had met with the new Minister of Housing and Public Works, Mr. Tom Chambers and Mr. C. I. Shelley, President of Alberta Housing. Mr. Chambers had told Mr. Harvey that there is a "good possibility" of St. Albert being considered for the land banking program.

Mrs. Bakker stated that she did not understand the opposition on council to the west by-pass, which she said in reality was an arterial road. Mr. Breadner responded that the city was "looking for a solution to through town traffic." He said the west artery would take some trucks off "but will do nothing significant" and would be "a makeshift solution to our problem."

Ald. Bill Shields said that the city would "welcome any by-pass" but had a "clear preference" for an east by-pass.

"I find it frustrating that when council is grappling with a serious transportation problem, the MLA comes forward with a plan for a road to serve Genstar holdings -- a provincial representative coming forward to council and putting the gun to our head," Mr. Shields went on to say "The MLA is still flogging the western preference -- this is the issue at hand."

Discussion of the west by-pass proposal came to an end with remarks from Ald. Ayotte.

"I'm more interested in alleviating traffic than arguing east versus west," said Mr. Ayotte. The information Mrs. Bakker has brought back from the ERPC indicates the by-pass won't be able to come through there anyway. I prefer the west. It could be done sooner and is more possible. As for the MLA and saying this is a provincial intrusion, I think this is his job and although he was a little strong, we are all politicians ..."

dog bylaw

Continued From Page 1
bylaw would work in favour of dog owners. This would require a dog to licenses at six months of age rather than

at three as formerly set out in the bylaw.

In discussing the bylaw, Ald. Rod Thronson commented favourably on the new leasing requirement and said the draft gives more control over dogs running at large.

Expressing concern as to the enforceability of the draft clauses, Ald. Barry Breadner asked if the draft had been scrutinized by the city's legal authorities, and was told by City Administrator Bob Byron that this would be forthcoming in the draft's later stages.

Ald. Breadner moved that copies of the old bylaw, the draft bylaw and the city clerk's memo be sent to School District's 3 and 6.

Mayor Ronald Harvey expressed concern that people do not realize their dogs must be impounded over the weekend as staff is not available to release the dogs on those days. Ald. Shields echoed this concern. However, Ald. Thronson thought that the bylaw would be scrutinized carefully regarding this and other matters.

"After all, we're sending it to everybody and his dog for comment," he remarked.

In addition to expressing concern as to the possibility of defining "excessive howling," Ald. Roger Ayotte suggested that the bylaw was a matter suitable for consideration by the Community Services Advisory Board, and moved that the draft be sent to the board for their perusal. The motion carried.

The question of citizens apprehending dogs at large drew a response from Ald. Liesbeth Bakker. Mrs. Bakker said she felt this clause would encourage people to take the law into their own hands.

"What if they tried to arrest a person in the act of breaking and entering," she asked.

"Anyone can," replied members of council. "A citizen's arrest is legal."

"Does this mean anyone can apprehend anyone?" asked Mrs. Bakker.

"Yes," replied council members.

"Well, I am horrified!" commented Mrs. Bakker.

The discussion of the bylaw was concluded and is now open to examination by the CSAB.

rodeo

Continued From Page 1
p.m. in the St. Albert Inn and Saturday from 12 noon till midnight. The Rodeo Grounds and Midway open at 5 o'clock Friday with the first rodeo performance at 6, followed by the chuckwagon races. For the many gymkhana fans the action is at the Perron Street Arena, starting at 7 p.m. Friday and continuing Saturday at 1 p.m.

While you are attending the St. Albert Kinsmen's Rainmaker

Rodeo, stop by the Kinette food trailer. We specialize in hot dogs, hamburgers, french fries, pop and coffee.

Saturday morning the Lions will be serving up western breakfast at Lions Park from 7 a.m. when their first customers will likely be the local mounties. At 7:30 the rafters take to the Sturgeon River at Cunningham Bridge - catch the finish at the Bruin Inn.

Parade time in 10 o'clock with Parade Marshall Lemieux, president of the Chamber of Commerce leading off, followed by the chuckwagons. About 60 entries including some top flight bands will form up behind the chucks.

Country and western music will liven up shoppers all week on Grandin Mall, which is also featuring a display of St. Albert's 117-year history. Thursday evening Sid Degeure and the St. Albert Saints and Sinners square dancers will be performing on the mall from 7:30 p.m.

On Sunday the midway opens at noon with rodeo finals at two o'clock, chuckwagon races at 4:15 and presentation of awards at 6:30.

Then - after a myriad of details are wound up several hours later - a lot of dragging Kinsmen will wend their weary way to bed, happy that the first rodeo in their new site is over and there is some free time coming up.

Plan a fun weekend in the sun with your neighbours and friends at St. Albert's outdoor rodeo, our biggest event of the year.

Local museum open for summer season

Father Lacombe Museum will be open Wednesday through Sunday, 1 p.m. til 8 p.m. until the end of June.

In July and August, house will be 9 a.m. till 9 p.m., Sunday through Saturday.

The museum contains artifacts of Father Lacombe, the founder of St. Albert, of his successor Bishop Grandin, the first bishop of St. Albert, and of early St. Albert. The log chapel in which the artifacts are displayed was built in 1861 by Father Lacombe. It is the oldest standing building in Alberta.

Mementos of St. Albert may be obtained at the museum as well as copies "The Fort On The Saskatchewan" by the Rev. Peter Reams and notepaper with drawings of historic St. Albert buildings by Keith Bell.

Chamber President Roger Lemieux presented with Alberta Chamber of the Year award by Chamber publicity man Ray Gibbon.

Chamber tops in Alta.

The St. Albert and District Chamber of Commerce received the Alberta Chamber of the Year Award for communities of over 14,000 population in recognition of its outstanding service to the Chamber of Commerce movement in Alberta at the Alberta Chambers annual meeting in Peace River last week.

The Chamber has become increasingly active recently showing an increase in membership from 40 to 125.

For the last three years the St. Albert Trade Fair has been sponsored by the Chamber and the last, held at the Perron Street Arena in May was the most successful to date.

The Chamber at one time could only exist through grants from town council but since 1975 it has been able to generate enough money for projects such as the relocation of the North West Mounted Police Barracks in Red Willow Park. The barracks is now used as a tourist information booth by the Midnight Twilight Tourist Association, an organization promoting tourism in the area north of Edmonton with which the St. Albert Chamber works closely.

Last week the Chamber turned over \$1662 to the City

for use in developing Red Willow Park. (see photo page 10).

They intend to focus their energies on a holiday trailer park and campsite for St. Albert in 1979. Presently they have their eyes on the old Lions campsite behind the Legion and RCMP buildings but it is likely the city will request they use a site adjacent to the Rodeo Grounds.

The Chamber is also becoming active in the area of municipal affairs under the guidance of John Dickson, chairman of the Municipal Affairs Committee. The committee analysis traffic problems and other areas which might make the city more attractive to businesses and passing trade. This includes putting up signs, the tourist booth, etc.

In September Roger Lemieux, Chamber president, will be travelling to Halifax for the Canadian Chambers National Convention where he hopes to learn of projects other Chambers are involved in across Canada that may be beneficial to St. Albert and area.

The Chamber meets in the St. Albert Inn Ridgewood Room for luncheon meetings on the third Wednesday of each month.

Subdivision gets nod

The Municipal Planning Commission moved briskly through its business Tuesday night, approving three requests for subdivision and one development.

The major item of business concerned a proposal by Qualico Development Ltd. to build 118 condominium units on Alpine Boulevard in Akinsdale. The project is to be developed in two phases, each of which will be developed with densities under the city standard of 12 units per acre. One phase will have an approximate density of 11.3 units per acre, with the other at 10.5.

Guy Scott of Qualico told the commission that because of terms regarding mortgage financing in the new Planning Act, it was necessary to subdivide the parcel for the two phases, to allow the company to develop the parcels under separate title. Mr. Breadner inquired if the entire project would be governed by one condominium association, to which Mr. Scott replied that this could be agreed to in the letter of intent. In later discussion, it was revealed that some minor irritants had

resulted in other local condominium developments as a result of two governing associations.

Mr. Byron moved that the subdivision be approved subject to the three conditions stipulated by planners and engineers, and with the condition that a single

condominium association govern the development.

Dennis Christian of Qualico also circulated a model of the proposed development. The condominiums will be constructed in clusters, in a pinwheel manner, with an adjacent shopping centre and Please Turn to Page 10

Music program may start in District 3

Catholic School Board trustees heard a proposal from Mrs. Frances Schuchard that would see a group of parent volunteers make themselves available for help in a music program in district schools.

Mrs. Schuchard, who was accompanied by Linda Oullette to the meeting Monday night, said there was growing concern among parents that there was no music program in district schools aside from an excellent program at Albert Lacombe elementary. Some parents, she said, were near to signing a petition in an expression of their views on the matter.

Rather than take this approach, Mrs. Schuchard decided to resign her job at Albert Lacombe, and come to the Board with her volunteer program idea.

It would include organizing a group of parents who are musically inclined who would make themselves available, and setting up a committee for the purpose of implementing the program. Mrs. Schuchard told board members she had talked to several teachers and parents who were very enthusiastic about the idea.

They know the financial bind the system is in and Please Turn to Page 10

Rodeo Daze dance to be real hoe-down

The spirit of rodeo will gallop through St. Albert this weekend, and with it comes the ultimate hoe-down: The Rodeo Daze Dance, sponsored by the Associates, 271 Club of the Royal Canadian Legion. This rompin', stompin' affair gives suburban slickers a chance to step out in western style and really whoop it up.

The scene of all this western wackiness will be the Legion Hall, and folks will be moseyin' along to the fun about 8 p.m. on Friday, June 16. The action will be non-stop until 1 a.m. Setting the toe-tappin' rhythm for the evening will be the Rusty Nails. All the cowboys and cowgirls in attendance are expected to be decked out in their nattiest western finery, so shake out the ruffled skirts and the sequined shirts and get ready to cut the rug. The purtiest turned out gal and the smartest looking cowpoke will each get a prize from the club.

No western social would be complete without chow, and the Legion chuckwagon will be serving up a real down home dinner of chicken in a basket with all the trimmings that Tex, Rex, Hopalong and Roy ever dreamed of on the long trail rides.

To make sure that you don't get left standing at the barn door, skip right along to the Legion Office now and get your tickets before there all gone. You can also get them by calling good ol' Fern Armstrong at 459-4807. The tickets are \$15 per couple, which all in all is a puny little sum for a lotta fun! Members and guests welcome. Y'all come now!

Ed Bertram celebrates anniversary

When Ed Bertram started working in St. Albert he could read all the meters in half a day.

Calgary Power's area foreman at St. Albert recently marked his 25th anniversary with the Alberta based utility and has lived and worked in this area since he joined the company in 1953.

Coming to Alberta from Prince Edward Island in that year his experience with Maritime Electric led him to apply for a job with Calgary Power. In 1953 he joined a company survey crew out of Edmonton and later transferred to construction work. In 1955 he was introduced to district service as a serviceman with the company's Jasper Place office.

In 1966 Mr. Bertram was named assistant district manager of the company's new St. Albert district office, initially a two-man operation which quickly expanded as the town grew. He was promoted to area foreman in 1976 when the district became the area headquarters for the company's operations in the St. Albert division.

In this new position Mr. Bertram is responsible for the district's maintenance and town construction crews, supervising a staff of 10 men.

He and his wife Loretta live in St. Albert and have three children: Jeff, 20, working for Calgary Power in Edmonton, Dianne, 18, a recent high school graduate and Craig, 14, all at home.

Mr. Bertram says the move to Alberta was a big challenge for a young man with few connections in the west, but has no regrets about the move.

"I like to go back to the Island every couple of years, to visit my family, but Alberta is a great place to live and I've never seriously entertained thoughts of going back to P.E.I. to live," he says.

"It was a whole new way of life at first. They tell me I had quite a twangy accent when I arrived, but I've lost all of it now. One of the things that helped me establish friendships here was music. I carried my guitar across country with me and it was instrumental in meeting my wife."

Mr. Bertram met his wife when her brother invited him to the family home to give a guitar lesson.

"I've never had any formal music training, but I've been lucky enough to have an ear for music and been able to work out tunes on the guitar."

"An evening of homemade music is still very popular in the east but seems to be less common here. That's unfortunate because it's a lot of fun to have someone play and have everybody join in for a sing-song. Once it gets going it looks after itself."

Mr. Bertram comes by his talent naturally. His parents had a weekly musical radio program on the Island and several members of his family appeared as regular

ED BERTRAM

entertainers on the show. His uncle, at 65, is a popular country and western singer who has released several albums which are well known in the Island area.

Mr. Bertram and his wife will participate in Calgary Power's annual 25 Year Club dinner-dance this fall, where he will receive an inscribed watch and be inducted into the Company's Quarter-Century Club.

Thronndson is city rep at mine hearing

City council's Committee of the Whole Monday night selected Ald. Rod Thronndson to present St. Albert's contribution to the Energy Resources Conservation Board hearing on Star Key Mines Thursday.

In a memorandum from City Administrator Bob Byron, council members learned that the company is hoping to schedule their 80 truck runs through St. Albert so that most of the trips do not coincide with peak traffic hours.

This brought an inquiry from Ald. Breadner as to how this could be accomplished with that many trips in daylight hours. Mr. Breadner also said he thought the city should express its concern that waste dust and flyash have a potential impact on the environment. He stated that he thought the city had insufficient information to make an assessment of such an impact. He

asked that Ald. Thronndson tell the hearing the city will be looking into the matter further.

Ald. Margaret Smith commented that the city does not know what future expansion Genstar is considering making to the Star Key Mine operation in the future. Mrs. Smith also inquired if the company would continue the public sale of coal and was told by Mr. Byron that they would.

Stressing Genstar's excellent track record in the community in the past, Ald. Roger Ayotte indicated he thought the city should project a "cautious but positive" attitude. He remarked that the city should encourage co-operation in order to attract business to the city.

Mayor Ronald Harvey commented that the city could not dictate the uses of a public highway.

Genstar plans to use pressurized covered carriers to haul the coal, in order to eliminate dust emission.

Park washroom vandalism discussed

The constant and merciless vandalism of Lions Park was once again discussed last night by a perplexed city council, in its committee of the whole.

According to the report of the city manager, the public washrooms at the park are "unserviceable and beyond reasonable repair." The report says complete replumbing and new fixtures are needed to make the facility functional, a repair job with an estimated price tag of \$5,000. However, city staff has expressed a preference for replacement, rather than a repair of the washrooms, as a building more resistant to vandalism is required. In addition, it is felt that the washrooms should be locked up at dusk and re-opened each morning during the summer months when the park is used heavily.

Ald. Barry Breadner suggested that the Lions Club might be interested in taking on the washroom facility as a project, while the city ex-

amined the feasibility of fencing and controlled access.

Ald. Ayotte suggested that council first ascertain if there was a need for the washrooms, and Ald. Thronndson answered with an emphatic "Yes!"

Mayor Ronald Harvey told members of council that the Lions Club was "not too anxious" to take on the washroom problem as a project and commented that City Engineer Don Corrigan was "at his wits' end" as to what to do about the situation.

"Every night the fixtures are burned off, torn off," said the mayor.

Ald. Thronndson moved that the matter of vandalism in general be referred to the Community Services Advisory Board for discussion and report back to council. However, this motion was withdrawn until city staff draw up the terms of reference of the CSAB investigation.

Around Town

On Saturday, June 10, at the home of Mr. and Mrs. G. Smith, Gilmore Crescent, a barbecue was enjoyed by neighbours and friends of Al and Mary Nixon, who leave to reside in Burlington, Ontario. A Redwood Patio set was presented by Mr. Jack Hays and Mr. Paul Humbert on behalf of all those present. The Nixons will be very much missed by their many friends and we wish them happiness in their new home.

Call letters CKST for St. Albert Broadcasting's coming radio have been approved by the Federal Department of Communications. Ginny Browne told the Gazette Tuesday, adding that the firm still hopes to be on the air by November 1. Site for the tower is presently being prepared for construction to begin.

Provincial grant change will aid District 3

Changes to the Declining Enrolment Grant formula to increase the scale of support for school districts, and to provide assistance in the year of actual decline of enrolment were announced June 8 by Education Minister Julian Koziak, speaking to school trustees in Banff.

Changes to the formula provide:

- eligibility following a one percent decline in student enrolment compared to 2.45% under the previous plan;

- full assistance in the year in which declines occur, eliminating the two year averaging provision now in effect;

- substantially increased rates of assistance for small school systems.

For many small school systems, where even small enrolment drops have critical impacts on budgets, the new formula will double or triple previous allowances.

St. Albert District 3 Secretary-treasurer, Ted Baldwin, reporting to the Board on the Banff convention, said the District stood to receive approximately \$37,000 as a result of the change to the Declining Enrolment Grant formula although at this time no official word has been received from the Department of Education.

The Catholic School District suffered a sharp decline in enrolment at St. Albert High when the Sturgeon School Division built Namo High School.

Under the previous plan, one small district experienced a decline of 4.3% in one year but was ineligible for a grant because that loss was averaged with the previous years no-loss situation. Based on the announced changes, the district would now be eligible for \$23,400.

Major beneficiaries under the revised provisions will be the Edmonton Public and Separate Districts which experienced large enrolment losses in 1977. Edmonton Separate, which was not eligible for grants under the previous formula, is estimated to be eligible for approximately \$148,000 for

the 1977-78 school year. Edmonton Public School District, for the same period, is estimated to be eligible for over \$556,000 up from \$296,000 estimated by the previous formula.

The total cost to government is estimated at nearly \$1,800,000, an increase of more than \$1,116,000 over previous allocations.

The Declining Enrolment

Grant was first introduced by Alberta Education in 1975 to assist school boards in adjusting for the financial impact of enrolment declines.

Grade one orientation for Protestant pupils

Pre-school children in the Protestant School District in St. Albert will get their first taste of school life from Thursday, June 22 when the Grade 1 Orientation program begins until June 28, the last day. Children who will be age six by February 28, 1979 are eligible for the program.

SCHOOL ATTENDANCE AREAS

Classes will be held at Leo Nickerson Elementary School, 10 Sycamore Avenue for the Sturgeon Heights Subdivision; that part of Forest Lawn which is south of Forest Drive, including both sides of Forest Drive except for Finch Crescent, and children in Akinsdale Subdivision. School phone is 459-4426.

Robert Rundle School at 50A Grosvenor Blvd. will take all children living in the Grandin Park Subdivision, including those students designated for Wild Rose Elementary School. School phone: 459-4475.

Sir Alexander Mackenzie School will take all of Braeside Subdivision and that part of Forest Lawn lying between Forest Drive and Sir Winston Churchill Avenue. Phone 459-4467.

Ronald Harvey Elementary School at 15 Langley Avenue will take all pupils from Mission Park and Lacombe Park. Phone 459-5541.

The orientation program is designed to (1) acquaint beginners with the school they will attend for their elementary education, and (2) to provide staff with an early identification of chil-

dren requiring special program needs.

PRESENT GRADE ONE AND KINDERGARTEN STUDENTS WILL BE DISMISSED ON TUESDAY, JUNE 20th.

The Gazette Reflects

CAN ST. ALBERT WAIT FOR AN EAST BYPASS?

The decisions made last week by the Edmonton Regional Planning Commission - that 127th Street north of 137th Avenue will not become a major arterial corridor - and that the east side of 127th Street north of 137th Avenue will be zoned residential-commercial-industrial, has probably scuttled any hope for an east bypass of St. Albert in the foreseeable future. In fact, the area east of St. Albert is so badly planned, that any road the city and/or MD Sturgeon may wish to have built to the east to feed into Edmonton, with Edmonton's blessing, is practically impossible.

MLA Jamison, representing both the city and the MD has taken the position for many years that roads - or at least right-of-way requirements - should come before zoning and development. He did not have municipal backing and Campbell Industrial Park was purchased with no road accesses in sight. The St. Albert Area Transportation study reports, that the population of St. Albert would have to be about 175,000 to warrant light rail extension from Edmonton to St. Albert. (ERPC Paper No. 12 "Transportation and Urban Growth").

St. Albert did oppose the ERPC decisions on 127th Street, but the Commission is made up of elected officials from all municipalities in the greater Edmonton region, along with government resource people and planning staff, and St. Albert was out-voted.

ERPC has done road studies for years and has recommended a "ring road" around Edmonton and also a northwest freeway or radial road. To date they are only lines on ERPC maps.

Thus ERPC's action last week dealt a disastrous blow to those members of council who have an east bypass as their number one priority. Present traffic congestion in Castle Downs, added to the 127th Street plan, puts the screws to east arterial corridors from St. Albert.

Meanwhile, the situation on the Trail is due to worsen with the construction of 340 condominiums on the hotel property, 280 condo units on the new large shopping centre site, plus generation of more traffic when the shopping centre is opened. Gravel, sand and coal trucks from Villeneuve, Waugh and Starkey have no alternative route to St. Albert Trail.

Council should quit playing petty politics with the MLA who did persuade the government to alleviate some traffic problems by taking over 170th Street, 137th Avenue and 156 Street from MD Sturgeon and paving these routes to Edmonton.

It is no secret that Alderman Breadner, Shields, and Thronson are actively supporting former alderman Myrna Fyfe for MLA, and the name of that game is "make Jamison look bad." As alderman, a more adult approach is needed. If the game playing goes on until the November nomination, a lot of valuable time will be lost.

No time should be lost by council in giving whole-hearted support to the MLA's efforts to get right-of-way acquired and plans in place for a west bypass of St. Albert to be ready by 1982. So far, the west route is not overly developed, an asset in acquiring land for roads. First step is a meeting with Alberta Housing and Business Development officials, arranged by the mayor for the purpose of acquiring industrial land (extension of Riel Drive) and right-of-way. No immediate capital outlay is needed by St. Albert, and the city can have five to fifteen years to sell the industrial land and pay the province.

QUOTE

A taxpayer is someone who doesn't have to take a civil service examination to work for the government.

Stock Trader's Almanac

THE STAMPEDE MAY BE BIGGER, BUT WE 'RAIN' SUPREME!

Spring brings the battle of the bug

Nothing is more frustrating to the owner of a lush garden haven than an invasion by insect pests. Within a short span of time, crawling and flying intruders can fade and wither leaves of trees, plants and vegetables, leaving the gardener with a barren yard after all his spring labours.

However, there is a tendency to over-react at the first sight of such symptoms. Fading or withered leaves can be caused by factors other than insects, and District Agriculturist John Hladky warns gardeners not to begin spraying pesticides until sure that insects are the problem.

Plants and trees should be checked for signs of infestation, and the presence of bugs. If there is doubt as to the kind of insect pest present the gardener can take a good representative sample of the insect and damaged leaves and bring it to the District Agriculturist's office in Morinville. There it will be identified and a remedy prescribed.

Mr. Hladky has received reports of tent caterpillars in nearby areas, particularly west of St. Albert, and advises the use of Malathion to arrest the infestation. He stresses however, that the gardener must follow the package instructions for the use of this or any chemical pesticide.

Another reported intruder in local gardens is the aphid. These can sometimes be identified by a sticky "honeydew" substance that they deposit on the leaves. Aphids tend to attack the new growth on trees and plants. Again, Malathion is the best chemical solution to this problem. The leaf miner is another local pest, which attacks birch trees and lilacs, among others. The presence of the leaf miner on birch trees is indicated by leaves which turn yellow in patches. An application of Cygon

painted on the base of the tree can be used against this pest. Again, check the package instructions before application.

Spruce trees in Alberta are not bothered much by the infamous Spruce Bud Worm. However, we have our own local enemy of spruce -- the Spruce Saw Fly. This nasty

customer starts at the top of the tree and eats its way down. Owners of spruce are warned not to confuse a saw fly invasion with winterkill or winter drying. The latter result in brown patches in the spruce boughs which show up in spring. It can be partially avoided by watering

the tree just prior to freeze-up. Checking out the presence of other factors can prevent unnecessary spraying of chemicals.

Anyone with inquiries as to garden pests can obtain information from the District Agriculturist's office in Morinville.

Use your influence speaker tells handicapped

A very successful meeting held in the Senior Citizen's Recreation Centre on Thursday, June 8, was the culmination of a lot of hard work done by the Steering Committee since November of 1977. A local association for the handicapped was formed.

Guest speaker Mrs. Florence McKie of Edmonton reminded those present that the handicapped, like any other citizens are entitled to good medical care, education and the opportunity for full development. This should take place within the community as much as possible.

She also pointed out that as an Association there are three areas of influence that should be exploited: Public Power: through political channels and through the use of the media. Personal Power: through the committed use of human resources and careful planning. All time is precious including volunteer time used in organizing, etc. Political Power: involving all levels of government from civic through provincial to federal elected officials. Know who your school board members are. What platform does your MLA represent? What are your MP's priorities? Government funding and grant structures sometimes have a

political connotation.

What are the immediate needs of citizens who are handicapped and the needs of their families? Transportation - something along the same lines as DATS of Edmonton is needed. Access to buildings, curbs, etc. limit access to many areas to persons in wheelchairs. Babysitting or relief care for both physically and mentally handicapped children, and for families with a mentally handicapped adult living at home. Swimming for pre-school children who are mentally handicapped. Community education for "Trainable" mentally handicapped children. There are at present at least two eight year old children in this category and resident in St. Albert, who have no program at all. Why? Someone has decided they have a "behaviour" problem and therefore the parents must cope with it alone.

EXECUTIVE & BYLAWS HANDLED

The Steering Committee was elected as interim executive and three persons

volunteered to complete the full slate of 10 persons. Members of the Board are: Ev Gabourie, Kathleen Hickey, Gail McIndoe, Sheryl McNamara, Jo Nielsen, Eyla Rogers, Ron Yates, William Lukasiewicz, Virginia Anderson and Hazel Hammond. During the immediate summer months priorities will be established as to community needs and how these can be met. In order to be effective, the Association must be made aware of existing requirements and any questions or suggestions can be directed to Jo Nielsen, 458-7697 or Eyla Rogers, 459-5788. Copies of the bylaws are still available and may be obtained by calling St. Albert Community Services, Mrs. Helene Durand at 459-6601.

Around Town

Rodeo week has seen the arrival of a new daughter for Kinsman Gary McDermid, born Tuesday. Last time a Kinsman managed this kind of planning was six years ago when Ken Pollon handled the timing for a Rodeo baby.

QUOTE

My enemies respect and fear me, my brothers honour me, but my learned friends insist I am mad.

Louis Riel

To The Editor

CANADA, UNITY AND YOU

Your two correspondents are each representative of our French and English founding cultures. They have spent some 25 years in as many foreign countries with those excruciating problems arising from politics, poverty and social adjustments which only too often result in revolution.

When presenting our observations on our distant and beloved country, we know that we reflect the feelings of thousands of our compatriots who, like us, are engaged in diverse professional activities abroad.

We are also fully conscious of the many regional, economic and cultural problems which tend to divide our nation, but we firmly believe that in reality Canada is not by any means a dying country. To the contrary, we are convinced that Canada is on the way to its own Renaissance. As distance does not allow us to participate directly in this awakening, we have wanted to make our contribution by sending this letter to the 950 English and French language newspapers in Canada.

We simply refuse to believe that Canadians are less intelligent than other people. Surely Canadians realize that a united Canada is a strong Canada and that a divided Canada can only be a weak country which projects among its foreign friends and customers a feeling of skepticism, uncertainty and confusion. The disunity, of a country, of any country, only invites lack of respect abroad for that country. A divided Canada clearly risks being absorbed and disappearing completely in the big American melting pot. It is axiomatic that the unity of a country is intimately linked to its identity and image abroad.

The common experience of your two correspondents demonstrates clearly and abundantly that acts of goodwill and joint efforts by the conflicting parties can only lead to a better mutual understanding and respect, even to friendship, with all the advantages this implies. How else could one explain the durable and numerous friendships that we ourselves have developed in so many countries speaking such different languages?

It seems to us that the starting point towards unity is a real and drastic change of attitude towards languages and a simple appreciation and recognition of the advantages which the knowledge of languages carries in Canada or anywhere else. A second language is a recognized necessity for an educated and cultured person, most particularly when such languages are as universally used as are English and French. If the Chinese, the Russians, the Germans, the Americans to be sure, and many other nations had that same "linguistic" opportunity as have Canadians, you would see how quickly and efficiently they would exploit it to their very best advantage.

It is a matter of meeting the challenge. Here are a few of the small and simple means within the reach of all of us:

1. Post notices at appropriate places reading: "On parle français" or "English spoken."
2. Write individually or collectively to your Editor, Member of Parliament, School Board (or all three) requesting that both English and French be effectively taught and used in the first grades of schools. Our famous Dr. Penfield has demonstrated that the ability to learn languages is greatest in young pupils.
3. Organize and/or support interprovincial visits.
4. Promote the interchange of language teachers.
5. Increase communication by organizing penpal clubs through newspapers or schools.

We who live overseas have made a first gesture by writing this letter. It is up to you to ensure its success through your individual or collective efforts. When the stake is the survival of the country, nobody can refuse to answer the call or to make an effort. Long live Canada!

M.F. Rodman
Santiago de los Caballeros
Dominican Republic

H.E. Lemieux
Madrid, Spain

EDITORS NOTE:

Mr. Rodman has a degree in Science and Engineering (Civil) from the University of Toronto who has worked in Canada, Pakistan, Bangla Desh, Guatemala, Peru, Argentina, Ecuador and is currently in Dominican Republic, managing an extensive irrigation project.

Mr. Lemieux has a Bachelor of Commerce degree and an M.B.A. (honours in Foreign Trade) from Laval University in Quebec City and a career in Canada's Foreign Service. He has worked in South America, the Philippines, U.S.A., Bermuda, Liberia. He served three years as Executive Assistant to the Deputy Minister of Industry, Trade and Commerce and two years as Commercial Counsellor to the Canadian Embassy in Madrid, Spain. Since 1972, Mr. Lemieux has been promoting Canadian-Spanish trade in a private capacity.

The two men met in Guatemala in 1961 and have corresponded ever since, realizing how much they appreciate sharing their common Canadian heritage. Their letter is their way of doing their "bit" in the struggle for Canadian Unity, and was sent to 1200 newspapers across Canada, in the hope it would encourage other Canadians to participate actively to the struggle for unity.

PARAMEDICS AND CITY PRAISED

I wish to express my heartfelt gratitude to the St. Albert Fire Department, Ambulance Service and Paramedics, who responded to my call last week.

The two young men, whose names I do not know, were efficient, prompt and courteous. Without their assistance I do not know if my husband would still be alive.

One never appreciates these services until an emergency arises, but to me, it is a great comfort to know they are available.

We are relative newcomers to St. Albert and the many offers of help and moral support I have received from people, give me a wonderful feeling of belonging. You have a very fine city.

Mrs. F. Suter
Grandin Park

ASSOCIATION FOR HANDICAPPED FORMED

Please allow me space in your weekly paper, first of all to thank you for the space you and your staff have given our committee to get information out to our community.

Thank you also to those who gave us permission to put up posters in their place of business or recreation; to Virginia Anderson for designing the posters; to the Lions Club of St. Albert who have given us a typewriter as well as moral support; to those C.B.ers who offered to drive anyone requiring rides on the night of the general meeting; to the Senior Citizens who have given us space for meetings...The list goes on.

The St. Albert Association for the Handicapped is now officially incorporated under the societies act. Our objective is to promote the welfare of those who are handicapped and to lend support to their families. How successful we are will depend on the support we get from you, our neighbours. On behalf of the members of the Steering Committee...a very sincere Thank You.

(Mrs.) Eyla M. Rogers
Grandin Park

BUGNET ERRATA

The article concerning the conferring of an honorary degree on Mr. Georges Bugnet in the June 7th issue of the St. Albert Gazette, contains a few errors in reporting.

First of all, the priest from Vimy is Father Viel and not Father Diel. Also, Mr. and Mrs. Bugnet moved to Legal in 1955, after which their homestead in Rich Valley was placed under provincial government protection for all the valuable plants and seeds located there. They moved to the Chateau Sturgeon in 1970.

In mentioning Mr. Bugnet's literary works, "Nipsya" was published in 1924, "Lys du sang" in 1932, "Siraf" in 1934, "La Foret" in 1935 and "La voix de la solitude" in 1938.

If you can't get the facts straight, please don't publish them.

Cecile Coulombe
Legal, Alberta

EDITOR'S NOTE:

Two previous stories have been done on Mr. Bugnet, in which this information was included, plus other historical backgrounds. We regret the typographical error on Father Viel's name.

PROMOTION APPRECIATED

On behalf of the Red Cross Blood Donor Recruitment Department, I would like to thank you for promoting the recent blood donor clinic in Morinville. Your help is very much appreciated.

Sandra Ramsley, Director
Blood Donor Recruitment.

FROM PAGES PAST

JUNE 12, 1968

Lt. Gov. Grant MacEwan branded the first calf in the St. Albert Kinsmen Rodeo, thereby opening the annual event. Dr. MacEwan also marked the town's 112 birthday by planting a tree.

Councillor Ray Gibbon proposed that city council should follow Roberts' Rule of Order, to encourage more speedy and efficient handling of business. Amongst other things, this meant that each councillor only speak once to a motion, except the proposer, who could speak twice to the subject.

JUNE 13, 1973

Funeral mass for Rachel Ann McDonald, a pioneer of the district, was held at the Roman Catholic Church.

St. Albert was in the midst of another action-packed Kinsmen Rodeo Week. Shirley LeMoignan presided over the festivities as Rodeo Queen, while Rodeo Chairman, Barry Welsh supervised the myriad details that come with rodeo.

JUNE 9, 1976

Lions Park was again bedevilled by thieves, when the merry-go-round was stolen from the park. The machine required six full grown men to lift it and necessitated the use of a flat deck truck to cart it away.

Mr. and Mrs. Henry Terrault renewed their wedding vows on the occasion of their 50th wedding anniversary in a beautiful ceremony at the Roman Catholic Church.

SUNDAY, JUNE 25 - A Rummage and Bake Sale will be held by the Knights of the Altar in the Roman Catholic Church basement at 6 p.m. Anyone wishing to donate saleable items can leave them at the church on the two preceding evenings.

MONDAY, JULY 24 - The second week-long session of the St. Albert Evangelical Lutheran Church's Vacation Bible School will begin for children in Grades 1-6. For registration information, call 458-6012 or 458-8018.

THE CITY OF
St. Albert

Notice to Residents

It has been observed that some residents are dumping refuse such as grass cuttings, boards, sod, gasoline and discarded motor oil into street catch basins.

Placement of refuse into street catch basins not only causes serious maintenance problems (increased costs to the taxpayer) but could cause severe flooding problems on the street if the catch basins are blocked during a heavy rainfall. In addition, placement of refuse into catch basins contravenes Provincial and City Regulations (Bylaws) and anyone found dumping refuse into street catch basins is subject to prosecution.

Air Cadets in Review

#533 RC(AIR)C ST. ALBERT

In the early AM on Saturday, June 10, 1978, #533 RC(AIR)C cadets departed for Elk Island Park and a day of fun. Cadets and officers participated in soccer, football and baseball. Teams were organized under the supervision of OC G. Armstrong and though some of the sports were pretty rough, no one experienced any serious injury. Capt. G. Martin was Camp Commanding Officer and the flags of Canada, Alberta and the Squadron were very impressive outside the Commanding Officer headquarters. The raising of the flags was accompanied by a General Salute played by Sgt. R. Yates.

DND canoes were supplied and Maj. F. Maybee was in charge of this activity. Quite a few cadets got onto the water and were able to

manage but unfortunately, with the very strong and gusty winds coming across the lake, canoeing had to be cut short.

Cl W. Fecteau was in charge of food preparation and certainly must have done a good job as all survived. Actually the menu was well balanced and selective.

The weather was great and a very successful day came to an end at approximately 2300 hrs.

This Thursday, June 15 will bring the #533 RC(AIR)C training year to an end. It's been a tremendous year for our Squadron, in all respects. A great number of our cadets will be attending Summer Camps and as Movement Orders come in, they will be notified. Our scholarship cadets are in final preparations and anxious to get underway. We hope all cadets, instructors and officers have a good summer

and we'll see you back, come September.

Upcoming events are the Rodeo Parade this Saturday, June 17. #533 Band and Colour Party and a Float, manned by cadets and Lions Club members will be participating. Next weekend will see the Band and Colour Party in the Morinville parade, to help them celebrate Frontier Daze. A barbecue for all participants will follow. A trip to Abbotsford for the Air Show in August is also on the agenda and cadets will be notified on dates, times etc., as soon as they are available.

As this will also be the last Air Cadets in Review article of the 77-78 training year, I would like to thank the staff of the Gazette for supporting our squadron and giving us the opportunity to communicate with the people of St. Albert, through the newspaper media. It gives us a

"We'll take you all on," seems to be the challenge from #533 RC(AIR)C Cadets, at Elk Island Park.

chance to let everyone know what is going on in a very worthwhile organization. Remember if any boy or girl age 13 to 18 is interested in joining, please come down and see us in September, when the new training year is started. Dates, time and

place will be announced in the Gazette. There is no charge to join Air Cadets, only parent approval is required.

Have a good summer, see you in September.

Lt. J. Maybee.

Gymkhana

For those who like horses, ponies and action, the gymkhana at this weekend's Kinsmen Rodeo is a must-see. The pace will be fast and the competition keen on Friday at 7 p.m. and Saturday at 1 p.m. The gymkhana's seven events will be contested at the St. Albert Arena on Perron Street. Bring the whole family because it's an event that can be enjoyed by all ages.

One hundred riders from the Edmonton Gymkhana Association will compete in the five classes. There are two senior categories, both men's and ladies, as well as Intermediate Pee-wee and Junior classes. The riders will have their work cut out for them as they maneuver their horses through barrel races, flag races, stake races, scurries, cowhide races and rescue races.

For an exciting exhibition of horsemanship at high speed, make sure to make the gymkhana a part of your Rodeo itinerary!

Railway crossing raises questions

In an effort to provide better road access to the Riel Industrial Park, the City of St. Albert has applied to the Canadian Transport Commission to obtain approval of construction of a railway crossing. The crossing would carry Levasseur Road across the CNR right of way at the Sangudo Subdivision to create a temporary roadway link with Riel Drive. The matter was brought to the attention of council's committee of the whole in its Monday night discussion of the city manager's report.

City Manager Robert Byron told council last night that cost sharing of the overpass would be split 80-20 between the federal government and the municipality, with the feds paying the larger portion of the bill. Discussions are underway now concerning the matter. However, the temporary road access would be the responsibility of the municipality.

Ald. Barry Breadner questioned as to whether the city would be wise to put in a temporary ramp type of overpass, and then have to put in a permanent underpass.

subdivision

Continued From Page 3
park. Mr. Christian explained that each cluster contained a one-storey bungalow in the corner to allow the better diffusion of sunlight. Mr. Shields expressed concern that the number of tot lots were insufficient, as there should have four rather than three.

The motion to approve the development carried, with an amendment to add a strategically located tot lot.

In other business, the MPC approved a proposal to subdivide a river lot across from Woodlands north of the

River Road road allowance. The lot was to be subdivided for agricultural purposes.

Mr. Breadner said he had "grave concerns" about approving another subdivision "which could be within our boundaries." He commented that should the subdivision be approved, the city would request a substantial dedication of right-of-way next to the river.

Mr. Wayne Gordon moved that the subdivision be approved with a similar provision for environmental reserve as had been required of the two lots upriver from the site.

A similar situation arose

with a request to subdivide an area to the east of the present Star Key Mine site to six country residential lots. Mr. Gordon said this area could be subdivided with minimal effect on St. Albert as it was east of the gas plant road. Mayor Harvey moved to approve the subdivision on the condition there is sufficient environmental reserve.

music

Continued From Page 3
would like to contribute to a very necessary part of every child's education through this program. Mrs. Schuchard pointed out that, "with

the parents involved it seems to mean more to the children. It's an idea and I think that with many heads together it would work." She said she had lined up four teachers at each school who would be willing to help.

Board members were obviously quite interested in the proposal and on Trustee Jerry Manegre's motion sent it to Board Policy Committee to work out the details. The question will come before the Board again likely by the last meeting in June. This would give Mrs. Schuchard and her volunteers time to prepare the program before the fall opening of schools.

May active month for law enforcement

RCMP in St. Albert investigated an above average monthly total of occurrences in the month of May, with the local detachment looking into a total of 746 occurrences last month. This brings the total number of such incidents investigated for the year to date to 3130.

Under the criminal code, 162 charges were laid in May, bringing the annual total of 438. Under federal statutes related to drugs, four charges were laid in May out of 24 for the year so far.

A proportionately large number of charges were laid under provincial statutes

during the month of May, with 405 charges preferred out of a yearly total so far of 1226. Regarding provincial statistics relating to liquor, May saw 46 charges laid out of 131 for the year so far. Presumably this high figure is due to warmer weather tempting drinkers to consume liquor in places which are prohibited. A number of unpaid traffic violations resulted in four charges laid under municipal bylaws, out of five for the year to date.

There were 28 motor vehicle accidents during May, out of a yearly total so far of 106.

One man's trash is another's treasure

That ancient lamp or ornament you've been waiting to consign to the junk heap might not be considered trash in the eyes of another. This and other items might better be given to the Knights of the Altar Rummage and Bake Sale to be held June 25 at 6 p.m. in the St. Albert Roman Catholic Church basement. The rummage sale tables will be a treasure trove of collectibles and curios, while the bake tables will be laden with

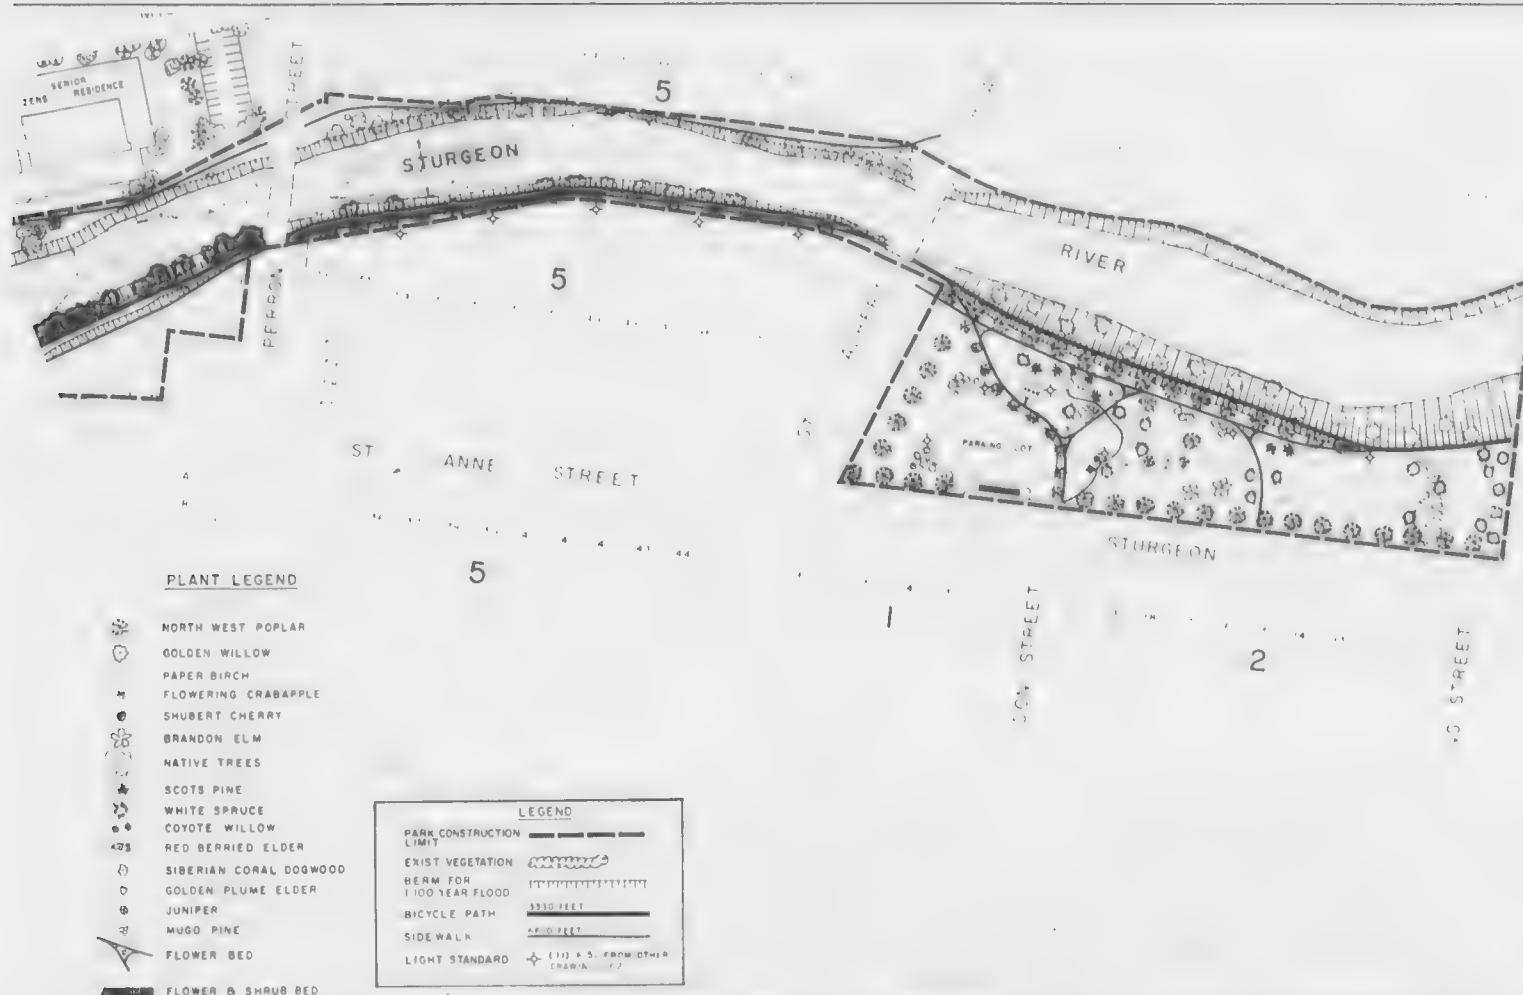

homemade delicacies to tempt the buyer.

Funds realized at the sale will be used to defray expenses for the annual camp being held in St. Basil on Pigeon Lake, August 21. Donations of any saleable items would be greatly appreciated and may be left at the church on the two evenings preceding the sale.

Everyone is welcome to come and share in the bargains and the goodies.

WHAT CAUGHT OUR EYE

From Canadian Press
KIDDERMINSTER, England - Joyce Bulmer's cat cost \$1,200. She found the cat while on holiday in Tunisia, crying on the roadside beside its dead mother. She decided to keep it and left it with a hotel waiter. Six weeks later she bought a return ticket to Tunisia to bring back her pet and also paid for its six month quarantine.

Development of Red Willow Park

Work will soon begin, along the banks of the Sturgeon River, to create a downtown park.

The park, to be known as Red Willow Park, is a joint venture by the City of St. Albert and the Devonian Foundation. It stretches on both sides of the river from the railway trestle in the west (including Lions Park) east to include the recently started park east of the Highway 2 bridge.

The plan includes a foot bridge across the Sturgeon at a point north of the Senior Citizen Recreation Centre, a boat launch on the north bank, foot bridges over low lying areas and two parking lots also on the north side of the river. Bicycle paths and sidewalks will criss-cross the entire area and the soil berming will follow the river on both banks at the 1974 flood level.

The park will retain many of the existing trees in addition to the several species to be added. These include Golden Willow, Paper Birch, Flowering Crabapple, Shubert Cherry, Brandon Elm, Scots Pine Red Berried Elder, Siberian Coral Dogwood, Golden Plum Elder, Mugo Pine and Juniper. There will also be flower and shrub beds.

The section, on the easternmost end of Red Willow, will give up its present barren look to become a beautifully treed sanctuary for passing tourists and area residents. City crews are presently laying the sod in this area and the first trees will soon

be planted.

The North West Mounted Police barracks came to be located in this area, through the efforts of the St. Albert and District Chamber of Commerce. The building is used as an information booth by the Midnight Twilight Tourist Association, a group promoting tourism north of Edmonton.

The Chamber was also instrumental in initiating contact with the Devonian Foundation which to date has given the City \$50,000 of a \$457,000 grant to develop a park in St. Albert's downtown core.

The projected cost for the entire park has been set at \$1,072,000 with work to be completed in two phases by December 1, 1980.

So far the City has spent \$354,940 acquiring land for the park and another \$59,758 developing the area for a total of \$414,698.

The first phase of the area west of Perron Street is expected to get underway in three weeks to a month time following approval of the Red Willow Park plan (above) by Alberta Environment. The contractor has been lined up and is ready to start work on the concrete walkways as soon as the go-ahead is given. The footbridge over the Sturgeon River should be in place sometime this fall.

The stretch along the south bank of the river from west of the Bruin Inn property, contains private property and road and

lane allowances which may present a problem in consolidating City-owned parcels. City administration has recommended the city not go ahead with consolidation at this time.

The area immediately behind the Legion and RCMP buildings has attracted the attention of the St. Albert Chamber of Commerce who would like to see it developed as a holiday trailer and camp spot along the lines originally planned by the Lions Club several years ago. The city, however, appears to prefer using a site next to the Rodeo Grounds on Riel Drive. Whatever

the location, the camp site will be of major priority to the Chamber in the coming year.

A ceremony marking the start to development of the park and the official opening of the Tourist Information Centre (NWMP Barracks) will be held at 2 p.m. next Tuesday, June 20 at the Centre adjacent to the bridge on Highway 2.

Lieutenant-Governor, Ralph Steinhauer will be the guest of honour and the president and vice-president of the Devonian Foundation, will be coming from Calgary for the affair.

\$1662 to Red Willow Park

Trade Fair Chairman Bill Gardiner turned over a \$1662.09 cheque to St. Albert Mayor Ron Harvey Friday morning. Harry Hutchings (left) and Gene Lytwin witnessed the turnover of funds. The proceeds were profits from the St. Albert and District Chamber of Commerce Trade Fair raffle.

Grandin tire playground completed

The Grandin Park Community Playground Society is deeply indebted to those who assisted with construction of the new play facilities located at Albert Lacombe School. A gentle pat on the sunburned backs of those 130 adults, students and children from the community who put it all together.

Labouring under the hot

June 3rd sun were the good spirited team leaders and workers. Compliments on their co-operation and efficiency came from consultant and supervisor, Willie Weisz. The small fry were entertained by capable young babysitters. A superbly organized "Lunch Committee" catered to all with refreshing drinks, lunch and supper.

Donations came from numerous good cooks and food outlets.

To each of the above, to those residents who donated the use of tools and equipment, the men who trucked in tires, poles and sand, and the ladies who trucked out discarded tires, a sincere thank you.

Over the 12 month plan-

ning period, funds, products and services were donated by city and school administrations, service clubs, individuals and businesses. The Society expresses gratitude to each of the following donors:

City of St. Albert, School District #3, St. Albert Breakfast Lions Club, St. Albert Knights of Columbus,

Students and staff of Albert Lacombe, Generous donors to the "Spell-a-thon"; Crown Tire Ltd., Firestone Truck Centre, Market Tire Ltd., Northwest Commercial Sales, Westcon Concrete Ltd., Northland Sand and Gravel, Consolidated Concrete Ltd., Edcon Block, LBH Home Improvement Centre, Har-sim Construction Ltd., Cam-Set Mechanical Contractors, Muzichuk's Backhoe Service, Jasper Auto Parts, St. Albert Fire, Calgary Power, Fasco Rentals, McDonalds Restaurant, NADP Limited, Palm Dairy, St. Albert Bakery, Safeway, Woodward's Limited, The Bay, Scott Paper Products, St. Albert

Auto Haus, Gateway Electric, The Gazette.

A final thank you to the enthusiastic young residents who supported the playground and are now enjoying the use of it. You make the effort all worthwhile.

P.S. - One item not code numbered has been left at the school. If you are missing an axe, please identify and pick it up before school ends.

The Mission Park Tire Playground Society, in expressing their thanks to equipment and service donors, neglected to mention a few. Here they are: Consolidated Concrete, Province of Alberta, Edcon Blocks and NADP.

The newly completed Grandin Park Community Tire Playground

Parents agree to bus children

A meeting between members of the Catholic School Board administration and parents of children who live in the Father Jan attendance area who would be attending grade one resulted in an agreement to bus the children to Bertha Kennedy School in Lacombe Park.

The busing will eliminate split classes which would have been necessary in grades one through six. Parents unanimously consented to the proposal under the following conditions:

- the bus should come as close as possible to the children's homes;
- all children would be in the same class
- parents would have the option of sending all their children to Bertha Kennedy (one parent involved);
- if Bertha Kennedy should reach the position where they have two and one-half classes for grade one the excess would be combined with the Mission students and housed at Father Jan.

Trustees were concerned the conditions laid out would be making exceptions to the District Housing Policy and that granting them would open the door to more exemptions.

Administration replied that the case was unique and that it would avoid creating several split classes at Father Jan. Enrolment at Bertha Kennedy in grade one would be frozen in September and new students arriving after this time would be noted.

Woman gets engineering scholarship

The Calgary University reports that for the first time in the faculty of engineering a woman has received a major scholarship. Lois Pow, who will enter the mechanical program in the fall, after completing two years of engineering was awarded the General Motors of Canada Scholarship, valued at \$1,000. It is one of the two most highly valued scholarships open to U of C engineering students. Miss Pow has maintained a high honours standing throughout her first two years. She is presently conducting a study of General Motors plant use in St. Catharines, Ontario, and will do a report for presentation to the president of GM in August.

Larose Community playground completed

Saturday, June 10 at 6 p.m. the last bolt was tightened to the final tire structure in the Larose Community playground (located on the Bertha Kennedy school grounds). It culminated a day of great effort on the part of over 100 volunteers.

Reminiscent of "barn raising" days of yesteryear, the day was a rather festive occasion - providing an opportunity for people to meet other members of the community while working on the playground. The whole day was supervised by Willie Weisz (a tire playground consultant) and the fact that the whole operation runs so smoothly is a tribute to his efficient organization.

The Larose playground would not however have become a reality except for the efforts of one man - Joe Laplante - the vice principal of Bertha Kennedy school. Joe, in his capacity as donations co-ordinator, was kept busy lining up the hardware, telephone poles, tires etc. This past week however has been especially hectic for Joe. With the principal away from school he has been busy collecting the remaining 150 tires in his "spare" time, thus doing double duty. Many, many thanks to Joe!

The efforts of several other people on the playground committee also contributed to the success of the play-

ground - Gary Hamilton for his excellent work in gathering the necessary tools, Joy Aboussafy for all her work organizing the food, Judy Wood as the volunteers co-ordinator, Sally Burry and Leslie Gordon for their work on the fund-raising dance, Melba Dobrostanski as chairperson, Leonie Chugg as secretary treasurer and Marg Iseke, Adeline Fleming and Vivian Cey for their help in several areas.

Total cost of the playground was about \$4000 - However the total value of the playground far exceeds that. It has been estimated that if the city had had to purchase the materials new, and pay for the labour costs, the total cost would be in the area of \$30 - \$40,000.

The funds for the playground were obtained from St. Albert S.D. #3 (\$500), the City of St. Albert (\$1500), a dance (\$900), and a school chocolate almond sale. Many thanks to the school district and city for their financial contributions.

According to Mr. Weisz this playground is the largest he has built (and he has built hundreds in North America). It is the first one to have two cubic structures.

Friday was preparation day. It involved drilling the holes in the tires and color-coding them and also placing the poles for the swings. Many thanks to the men who worked all day Friday on

these preparations. Special thanks to Ron Bohaychuk as the backhoe operator on both days.

Friday evening Mr. Weisz held a training session for the 14 men who were the leaders on Saturday (for which these men also deserve special thanks for a job well done).

Saturday saw a real co-operative effort and thanks to all the men busy constructing the various structures, the women who helped with the food (lunch supper and snacks), the girls who babysat, and the men, women and children who were busy carrying, shoveling and raking sand.

The day was a fun one for everyone - especially the children - who could help for a while and then play for a while on the structures as they were completed (some as early as noon).

ELSIE LOCKERT COMMENDED

While the thanks are being given, all the playgrounds must give thanks to the Grandin playground committee for the ground work and leadership they provided to the other three groups (the four playground committees have been working together in securing materials).

One woman, Elsie Lockert, deserves special mention - since it was in her capacity as Please Turn to Page 14

Expression of appreciation

Bertha Kennedy Vice Principal, Joe Laplante (left) and District 3 Deputy Superintendent, George Soetaert, presented Tire Playground designer Willie Weisz with a plaque commemorating his work for St. Albert's new playgrounds. (Below) volunteers working on the tire bridge.

CWL holds membership night

Tuesday, June 6, 1978 a CWL Pot Luck Membership evening was held in V.J. Maloney School and 50 ladies turned out to make it a very successful evening. St. Albert CWL was reactivated April 18, 1978.

Father Colin Levangie celebrated the Mass at 7:30 p.m. (21 in attendance) 'First Time CWL Members' were installed at a special ceremony conducted by Father Levangie, CWL President - Mary Ellen Rajotte and Organization Convener - Ena Theroux.

Each new member received a lit candle, a CWL booklet and prayer card as a memento of the celebration. Congratulations ladies.

A short meeting followed the Mass. At this time the treasurer, Doris Holth announced that the St. Albert Knights of Columbus had loaned the CWL Ladies \$300 to get their organization started. A panel of parish members consisting of Dennis McDonald, Pat MacPherson and Father Colin Levangie expressed the needs of the Parish and what CWL members could do to help. In the absence of Theresa Clark - Cultural Life convenor, this part of the meeting was chaired by Mary-ellen Rajotte.

Prior to our pot luck supper the members were given the opportunity to "get acquainted" with a new member. We then enjoyed the delicious salads, tasty cold cuts and scrumptious sweets set out by Jeanie Boutin and her committee.

Thanks to all for making the evening a great success. To date our membership stands at 74 ... a CWL directory will be forthcoming to all paid up members.

The new members installed were: *Bernie Beck, Jeanne 'Ida' Boutin, Rachelle Caouette, *Theresa Clark, *Joan Collins, Velano Currey, Lyn DeVos, Anne Emberly, Anne Farand, *Louise Frier, *Sylvia Helten, Pat Howrish, Betty Jentink, *Penny Mayhew, *Rosaleen McEvoy, Rita McGregor, Catherine Petch, Valerie Phillips, Emir Poelzer, Bertha Popoff, *Jean Porter, *Patti Lee Ross, Maureen Russell, Joanne Seredynski, *Ann Smith, *Margaret Steele, *Mary Anne Thorpe, Elaine Twizell * were not present

Larose

Continued From Page 13
a board member of St. Albert S.D. #3 that the idea of creative playgrounds at the elementary schools was conceived. Elsie then convinced the board to offer \$500 as an incentive to any community group that showed it was organized enough to bring the playground idea to fruition. Now, roughly a year later, the four playgrounds are complete - much to the joy of hundreds of children.

Several firms and individuals contributed to the success of the Larose playground through donations. Those that contributed tools were Certified Rentals, Bata Well Service, Canadian Superior Oil, Harsim Construction, Calgary Power, Demelco Ltd., LBH Home Improvement Centre, Green-

haven Garden Centre, Imperial Lumber and Sid Kennedy.

Food donations came from Canada Packers, Staffords Foods, McDonalds, I & S Produce, Safeway, John Kozachuk's farm and Mr. Welch.

Contributors for door prizes at the fund raising dance were: General Photo, Kraft Foods, Mildens Hair Design, Beaver Lumber, St. Albert Bakery, St. Albert Florists, Lacombe Park Red Rooster, Lacombe Park Pacific 66, Settlement, Denim Den.

Tire donations came from the following: Mike Hein of Goodyear Tire Co. who sorted, stored and delivered over half of the tires, Crown Tire (large earthmovers), Jasper Retreaders, Firestone, Trail Tire Service, Bohaychuks Transport, Capital Transport, B & D Tiretown, Fred Fleming (Fl-

etway Trucking, who arranged delivery of most of the earthmover tires), R. Angus, Fountain Tire, B.F. Goodrich and Du-All Tire.

Other donations were: the cherry picker from Waiward Steel Fabricators, Edcon Block (Concrete), Webb Hardware, I.T.T. Grinelle - discount on the firemans poles, Consolidated Concrete - sand and the City of St. Albert - gravel.

As can be seen the list of donors is long. It is an indication of what a large joint effort this was on the part of so many individuals. Many thanks to everyone who helped in any capacity. We can all look with pride to a job well done.

Certificates of appreciation were presented to all the volunteers in the lunch room following supper. There were however, some volunteers who helped a great deal in

the afternoon who had not registered and we would like to recognize these people if

they could stop by the school for a certificate.

8th Brownies hold awards banquet

The 8th Pack Brownie mother and daughter banquet was held June 5 at the Vincent Maloney School. The evening was a great success right down the lane starting with a tasty chicken dinner which was finger lickin good right to the last bite. Pop and coffee ran freely and squares to delight a Queen's taste finished the meal. Rev. Noel Gordon and Commissioner Joyce Smith were the guest speakers and added a special touch to the evening with their talks on the religion in life badge and what Brownies are all about.

The enrolment of our own "Snowy Owl" Eva Kerslake

was a high point of the evening. The girls themselves received well earned badges and special awards for other Brownie activities. The highlight and most appreciated by the girls was a puppet show put on by Carola, Brenda and Brent of Sir George Simpson School. The show was great and thoroughly enjoyed by all.

All and all, it was a gala affair - the awards in Brownies are untouchable and we invite all interested parties to come out and participate. Have a good summer, Brownies, and thanks everyone.

WEST CENTRAL ALBERTA

CABINET TOUR JUNE 19 & 20

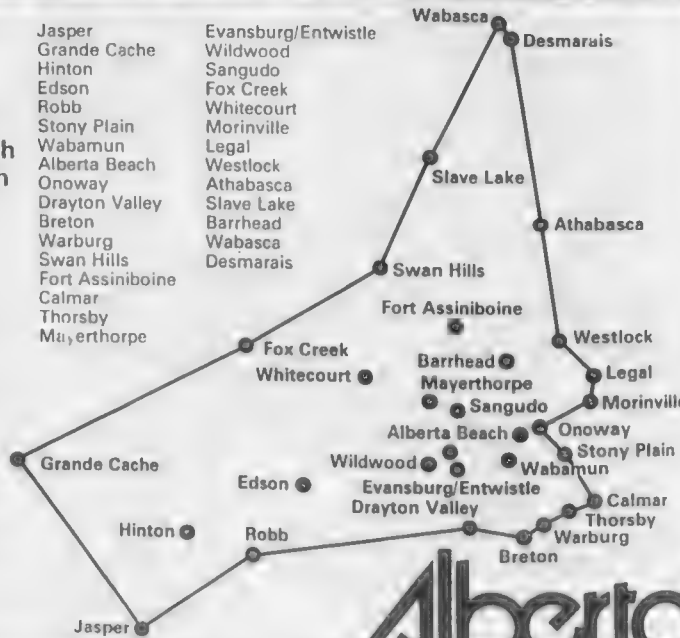

Members of the Provincial Cabinet and your MLAs are coming your way June 19th and 20th for the 14th tour in the Government's program to keep in touch with the people of Alberta.

It's your opportunity to meet with members of the Cabinet.

It's their opportunity to view first-hand the activities and changes in your community, and to discuss with you any needs or concerns of your district.

You're welcome to talk informally or if you wish, make a formal presentation on behalf of yourself, your organization or association.

For information about the tour and when it will be in your area, dial your long-distance operator and ask for Zenith 22110, or call your municipal office for times and location.

Young students respond to new math program in Calgary school

A new math program for in the first to fourth year, which uses no text books directly with the class texts are used only to prepare content was begun in Highwood School in Calgary in September, 1977. Math classes consist entirely of activities-based projects using real clocks, a home-made store, games and cards and counting boards.

The program was instituted after 1976 math test scores were analyzed for third-year students. The bottom third of the class had

a weak basis for understanding math concepts. Students complained that math was difficult and they didn't like it, and median scores were 5 - 10% lower than reading scores for the same group.

Teachers initiated the new program and enlisted the help - at least one parent at the school every day. At present every math lab class usually has four adults. The math teacher, regular classroom teacher, one parent and the full time math lab aide.

For each class the children are divided into small groups of four or five for plenty of individual attention.

At the end of each day's work the students fill out a small slip of paper telling how they liked a given exercise, what they learned and how they can use the information elsewhere.

"At first some teachers were reluctant to teach without a text," said math teacher Marilyn Harrison, "but the results were so immediate, and so much better than we expected, that now they are as enthusiastic about the math lab as the kids ..."

EVALUATION

Evaluation is an integral part of the program, since each pupil is allowed to progress at his own rate. Careful records are kept each year on each pupil using various tests, teacher's diaries, parent surveys and work samples. All students are tested when they come into the program and again at the end of three years. Results will be assembled and at final report submitted in June 1979.

Freshman learn of life on campus

"Students thinking about attending the University of Alberta next fall should be thinking about attending a Freshman Orientation Seminar this summer," says Sharon Bell, the director of the University of Alberta's Freshman Orientation program. New students undergo trying experiences; which can be positive ones if the student has some insight into what university is all about.

Freshman Orientation Seminars (FOS), through weekend and one-day seminars, attempts to orient new students to the University of Alberta and to university life in general, providing insights which will ease the transition into the campus lifestyle.

This year, for the first time, seminars are to be held at locations other than the university campus. To facilitate social interaction and the exchange of information, participants in the weekend seminars are housed together in a residence setting. In the past this has been at the university's Lister Hall residence complex; this summer, though, the complex is to serve as the Games Village for the X1 Commonwealth Games being held in Edmonton and the weekend seminars have been scheduled for various locations in the province.

The FOS organizers are greeting the change positively. "Regionalization of the seminars will allow us to bring them closer to the students," says Ms. Bell. She adds that while the locations will change, the content of the seminars will not. The seminars are to be held at university or college residences in Calgary, Lethbridge, Fairview, Camrose and in Edmonton at Faculte St. Jean.

The one-day seminars, condensed versions of the weekend seminars, will be held in various classrooms throughout the University of Alberta campus.

The orientation seminars include various topics that answer most questions that new students have about university. A mock registration is used to outline procedures, regulations, and other details of in-person registration. Each seminar includes an extensive campus tour -- fall tours will be scheduled for those students taking advantage of the regional weekend seminars. Academic life, in general, is discussed so that students will become acquainted with such things as university

calendars, the academic staff, courses of appeal, and how to cope with the demands of a university life-

style. Extra-curricular activities, such as intramurals, fraternities, and theatre are outlined, in conjunction with

the services offered by the Students' Union and the University. Time is also allocated for discussion of residence and the needs of disabled students.

The seminars maintain an informal, relaxed setting. The leaders themselves are students who can relate easily to the apprehensions that new students experience.

The weekend seminar fee of \$30, including a \$5 non-refundable deposit, covers room, board, and seminar supplies. These seminars will run throughout July and August. The one day seminar fee of \$7, including a \$2 non-refundable deposit, covers seminar supplies.

Since its inception in 1966, FOS has expanded from catering to two percent of the new student population to catering to 60 percent of the new student population in 1977. To become a part of this trend, prospective University of Alberta students can write to: Freshman Orientation Seminars, Room 278, S.U.B., University of Alberta, Edmonton, Alberta. T6G 2J7 or they can phone (403) 432-5319.

Food conference being held in Edmonton

The only Canadian professional association of food scientists and technologists will hold its 21st annual conference in the Edmonton Plaza Hotel from June 25 to 28. Speakers will be heard from both the Canadian Institute of Food Science and Technology and its American counterpart, the Institute of Food Technology around this year's theme Education-Information-Communication.

Dr. P. Jelen of the University of Alberta is Conference chairman.

The conference program includes sessions aimed at bridging the gap between the food scientist and the consumer, and one evening will feature a questions and answers session open to the local media and the public, along with the conference participants. Another symposium will review the various means of communication available in Canada for food-related public education.

Controversial areas food "chemicals, additives and new ingredients will be dealt with through symposia scheduled for each of the six half-days of the conference.

as well as fishing and fish processing in Canada, international food marketing issues and several food engineering and food processing topics.

Technical and round table discussions will cover research in food microbiology, dairy technology, food quality, nutrition, protein chemistry and other areas.

Invited speakers include prominent food scientists from New Zealand, United States and Germany as well as some of the most experienced members of the Canadian Institute and Canadian Government specialists.

On the lighter side participants at the conference will enjoy an opening mixer, a luncheon sponsored by the Alberta Government, a Klondike breakfast at Fort Edmonton and the President's banquet which closes the conference, done in western style with square dancing, play-money casino, regular dancing and good fellowship.

It is hoped that all food professionals from Alberta will be among those attending.

College sponsors flute seminar

Grant MacEwan Community College is sponsoring a flute seminar at their Jasper Place Campus from July 3 to 15.

Flute Seminar '78 is being conducted by Alan Clarke, one of Edmonton's leading flutists and teachers. The seminar will offer daily sessions of six hours Monday through Friday in which beginning players will be provided with basic instruction in finger techniques, embouchure and breathing. Intermediate and advanced level students will receive individual instruction, together with a review and study of solo and chamber music.

All sessions are open to auditors for the purpose of observing teaching methods and the discussion of problems related to performance. Auditors may participate on a single day basis if desired.

Saturday mornings will be devoted to public student concerts from 10 a.m. to 12 noon.

Brochures together with application forms may be obtained by telephoning 484-7791, ext. 213, or 476-4197 or writing Flute Seminar '78, c/o Alan Clarke, 13535 - 83 Street, Edmonton, Alberta, T5E 2X4.

The maximum cost for the two week session is \$100.00.

"Organ-izing" is massive chore!

It looks like a giant jigsaw puzzle and the visitor is tempted to try to fit something together. However, the realization that the maze of pipes and mahogany casework will ultimately become the University of Alberta's tracker organ stays the hand.

Besides, a number of workers from Casavant Freres Limitee, the St. Hyacinthe, Quebec, company which the university contracted to build the organ, are busy installing it above the east end of Convocation Hall. And Professor Gerhard Krapf, a special consultant engaged by the university's department of music, is very much aware of each intricate maneuver.

There's nothing puzzling about the installation to these experts and the university will benefit from their handwork and knowledge in that it will become the first Western Canadian university to have a tracker organ.

Increased enrolment in the organ degree program and extensive recital programs for public enjoyment are envisioned by Professor Krapf who came here from University of Iowa last July to supervise the installation and teach in the department of music.

His appointment followed the retirement of Dr. Hugh Bancroft.

The organ, which reached the university after four years of planning and building, is valued at \$185,000. It was erected and tested in the shop in St. Hyacinthe and then dismantled and shipped by truck to the university.

Convocation Hall, a gathering place for music lovers since the late 1950s, has been renovated to provide optimum acoustical and climatic conditions for the two-ton organ which will rest on a steel girder platform. Two pedal towers, each in excess of 16 feet in height, will flank the instrument.

Delicate tonal adjustments will be made during the summer and the inaugural recital will be given by Professor Krapf on October 1. A series of dedication recitals, including one by European organist Arno Schonstedt, will follow.

Professor Krapf and each succeeding organist will perform on a freestanding and encased instrument. Its key action will be mechanical and its stop action electro-pneumatic. From the three manual key desk the organist will control 36 speaking stops.

As a tracker-action organ, the distinguishing characteristic is that the connection of keys to pipe valves is mechanical rather than pneumatic or electric.

In building a tracker organ, one thinks in terms of centuries not decades, says Professor Krapf. He adds that while Casavant Freres is

a large company, the university's organ was constructed in a small shop in the factory by a tightly knit group of meticulous builders.

The quality of the organ will be readily apparent, he says.

This fall, the University of Alberta will try to build a listening audience for the

recital program. For the first few performances at least, it seems likely that the organ will attract more attention than the organists.

If I had a hammer

To hold sports photo workshop

The Photography Centre in conjunction with Grant MacEwan Community College announce that a Sports Photography Workshop will be held at the Cromdale Campus, 8020 - 118 Avenue, on Saturday, June 17, 1978. A fee of \$10 for members of the Photography Centre and \$15 for non-members. The program will begin at 10 a.m.

with a keynote address delivered by the director of the Still Photography Department of the XI Commonwealth Games Authority, Mr. Dave Reidie. Mr. Reidie will talk about the involvement of photography in the sporting aspect of the Commonwealth Games and provide some insights to the

intensity of co-ordinating the photography of such an event.

Subsequent to the opening address the participants will have a choice of three workshops to attend: Workshop #1 features Nick Lees, photojournalist and writer with the Edmonton Journal, who will deal with both the

theoretical and practical problems in the photographing of sports events and will entertain discussion on that topic.

Workshop #2 presents John Stanchfield, sports photographer for many years in the south west of the U.S. and the U.P.I. sports photographer of the year in 1965.

He will discuss the problems of action sports photography in primarily 35mm and will draw on examples from his own vast experience.

Workshop #3 features Ross Archibald film cameraman with Access, the Alberta Educational Network. He brings his complete and wide experience of the moving

picture world to bear on the areas of concern for those photographers of sporting events who use Super 8mm and or 16mm film equipment.

For pre-registration phone Linda Mueller at 474-8521 and or register at 9 a.m. on June 17 just prior to the session.

ACREAGE BUNGALOW

Located near the Sturgeon Golf Course, this 1749 sq. ft. bungalow with double-attached garage on 1.08 acres is richly adorned with wood trim, 2 sparkling fireplaces and a main floor family room. Brand new and only \$115,900. Phone Bill Debiuk 458-5469 or 458-5595.

Organ donorship campaign launched

Alberta Social Services and Community Health and the Department of the Solicitor General have launched a campaign to encourage Albertans to participate in a provincial organ donorship program. Donor consent cards are part of the new drivers' licenses being sent out by the Motor Vehicles Branch, and non-drivers can obtain copies of the consent card by writing in to either provincial department or by picking up a copy of the program pamphlet which is being distributed throughout the province.

'It's Your Body' is the slogan of the advertising campaign, which began June 1st. Albertans are urged to make a commitment now to organ donorship-to fill in the consent card and carry it at

all times in a wallet or purse. The decision to fill in the card now may later help save or enrich someone's life.

WHAT ORGANS ARE NEEDED?

Eyes are in great demand for corneal transplants and other treatments for the blind. Kidneys are needed by many people who are now being kept alive by artificial means (dialysis) while waiting for a donor.

An extract from the pituitary gland is used to stimulate the growth of children who lack the hormone necessary to promote normal growth and development. Since this hormone cannot be produced artificially, the only source is pituitary glands donated after death. The procedure does not noticeably disfigure the body as the gland is removed through the roof of the mouth.

Middle ear drums, skin grafts for severe burn cases, heart muscle tissue, segments of bone, whole bodies for research -- these and other organs are all needed now and others may be needed in the future as new transplant techniques are perfected.

WHO CAN BE A DONOR?

Anyone over 18 years of

age. If you have questions about the medical acceptance of any or all of your organs or tissues, ask your doctor.

AGE LIMITS FOR DONORS

It depends. Kidneys and other vital organs come from people under 60 years of age. Cornea and pituitary donations are usually possible at any age.

GUARANTEE OF USE?

Several factors can affect whether or not you will be able to donate: the physical condition of your body at the time of your death, the circumstances of death, the timing involved. Contrary to many beliefs, most organs and tissues cannot be preserved or stored indefinitely.

But, if you have a donor consent card that alerts the police and medical personnel to your wishes, you have greatly increased your chances of being able to contribute to the life of someone living after you.

AFFECT ON FUNERAL

Removal of donated organs will not cause disfigurement of the body or interfere with customary funeral or burial arrangements. If you donate your body to medical research, burial arrangements can be

made with the research institution.

Organ donorship need not be mentioned in a will. An organ donor card witnessed by two persons (preferably next-of-kin) is a legal document. By the time a will is probated, it is too late to carry out the donation of organs and tissues.

WHAT IF I CHANGE MY MIND?

If for some reason or another you decide to change your mind, just destroy your donor consent card and let

your family know that you no longer wish to be a donor.

Is there anything else I can do to help this essential program?

You can let others know about it, but please remember that it is a very personal decision.

WHERE CAN I GET MORE INFORMATION?

Just write to one of the following addresses for a copy of the program pamphlet:

Communications Office, Solicitor General Department

6th Floor Melton Building, 10310 Jasper Avenue, Edmonton T5J 1Y8;

Communications Office, Alberta Social Services & Community Health, 11th Floor Seventh St. Plaza, 10030 - 107 Street, Edmonton T5J 3E4.

Notice of Advance Poll

Notice is hereby given that an advance poll will be held for the election of one (1) Trustee for St. Albert Catholic School District No. 3.

The advance poll will be held on Saturday, June 24, 1978 from 10:00 a.m. to 2:00 p.m. at City Hall Annex.

Persons authorized to vote at an advance poll are electors who

1) have reason to believe that they will be absent from the municipality during the whole time fixed for the election

OR

2) by reason of physical disability find it impossible or extremely difficult to attend at the regular polling place.

Notice of Qualifications of Electors

To be eligible to vote in the election for one (1) Trustee for St. Albert Catholic School District No. 3, an elector must

1) be the full age of 18 years on or before June 28, 1978: AND

2) be a Canadian Citizen; AND

3) have resided in Alberta for six consecutive months immediately preceeding June 28, 1978 and be resident in St. Albert Catholic School District No. 3 on June 28, 1978.

NOTE: At the polling station, electors will be required to sign a Declaration of Qualification to vote.

PUBLIC NOTICE is hereby given that polling will take place on Wednesday, June 28, 1978 from ten o'clock (10:00 a.m.) in the forenoon until eight o'clock (8:00 p.m.) in the afternoon at the places shown below for:

One (1) Trustee for St. Albert Catholic School District No. 3

And take further notice that I will be at City Hall on Friday, June 30, 1978 at twelve o'clock (12:00 noon) to sum up the votes and declare the results of the election.

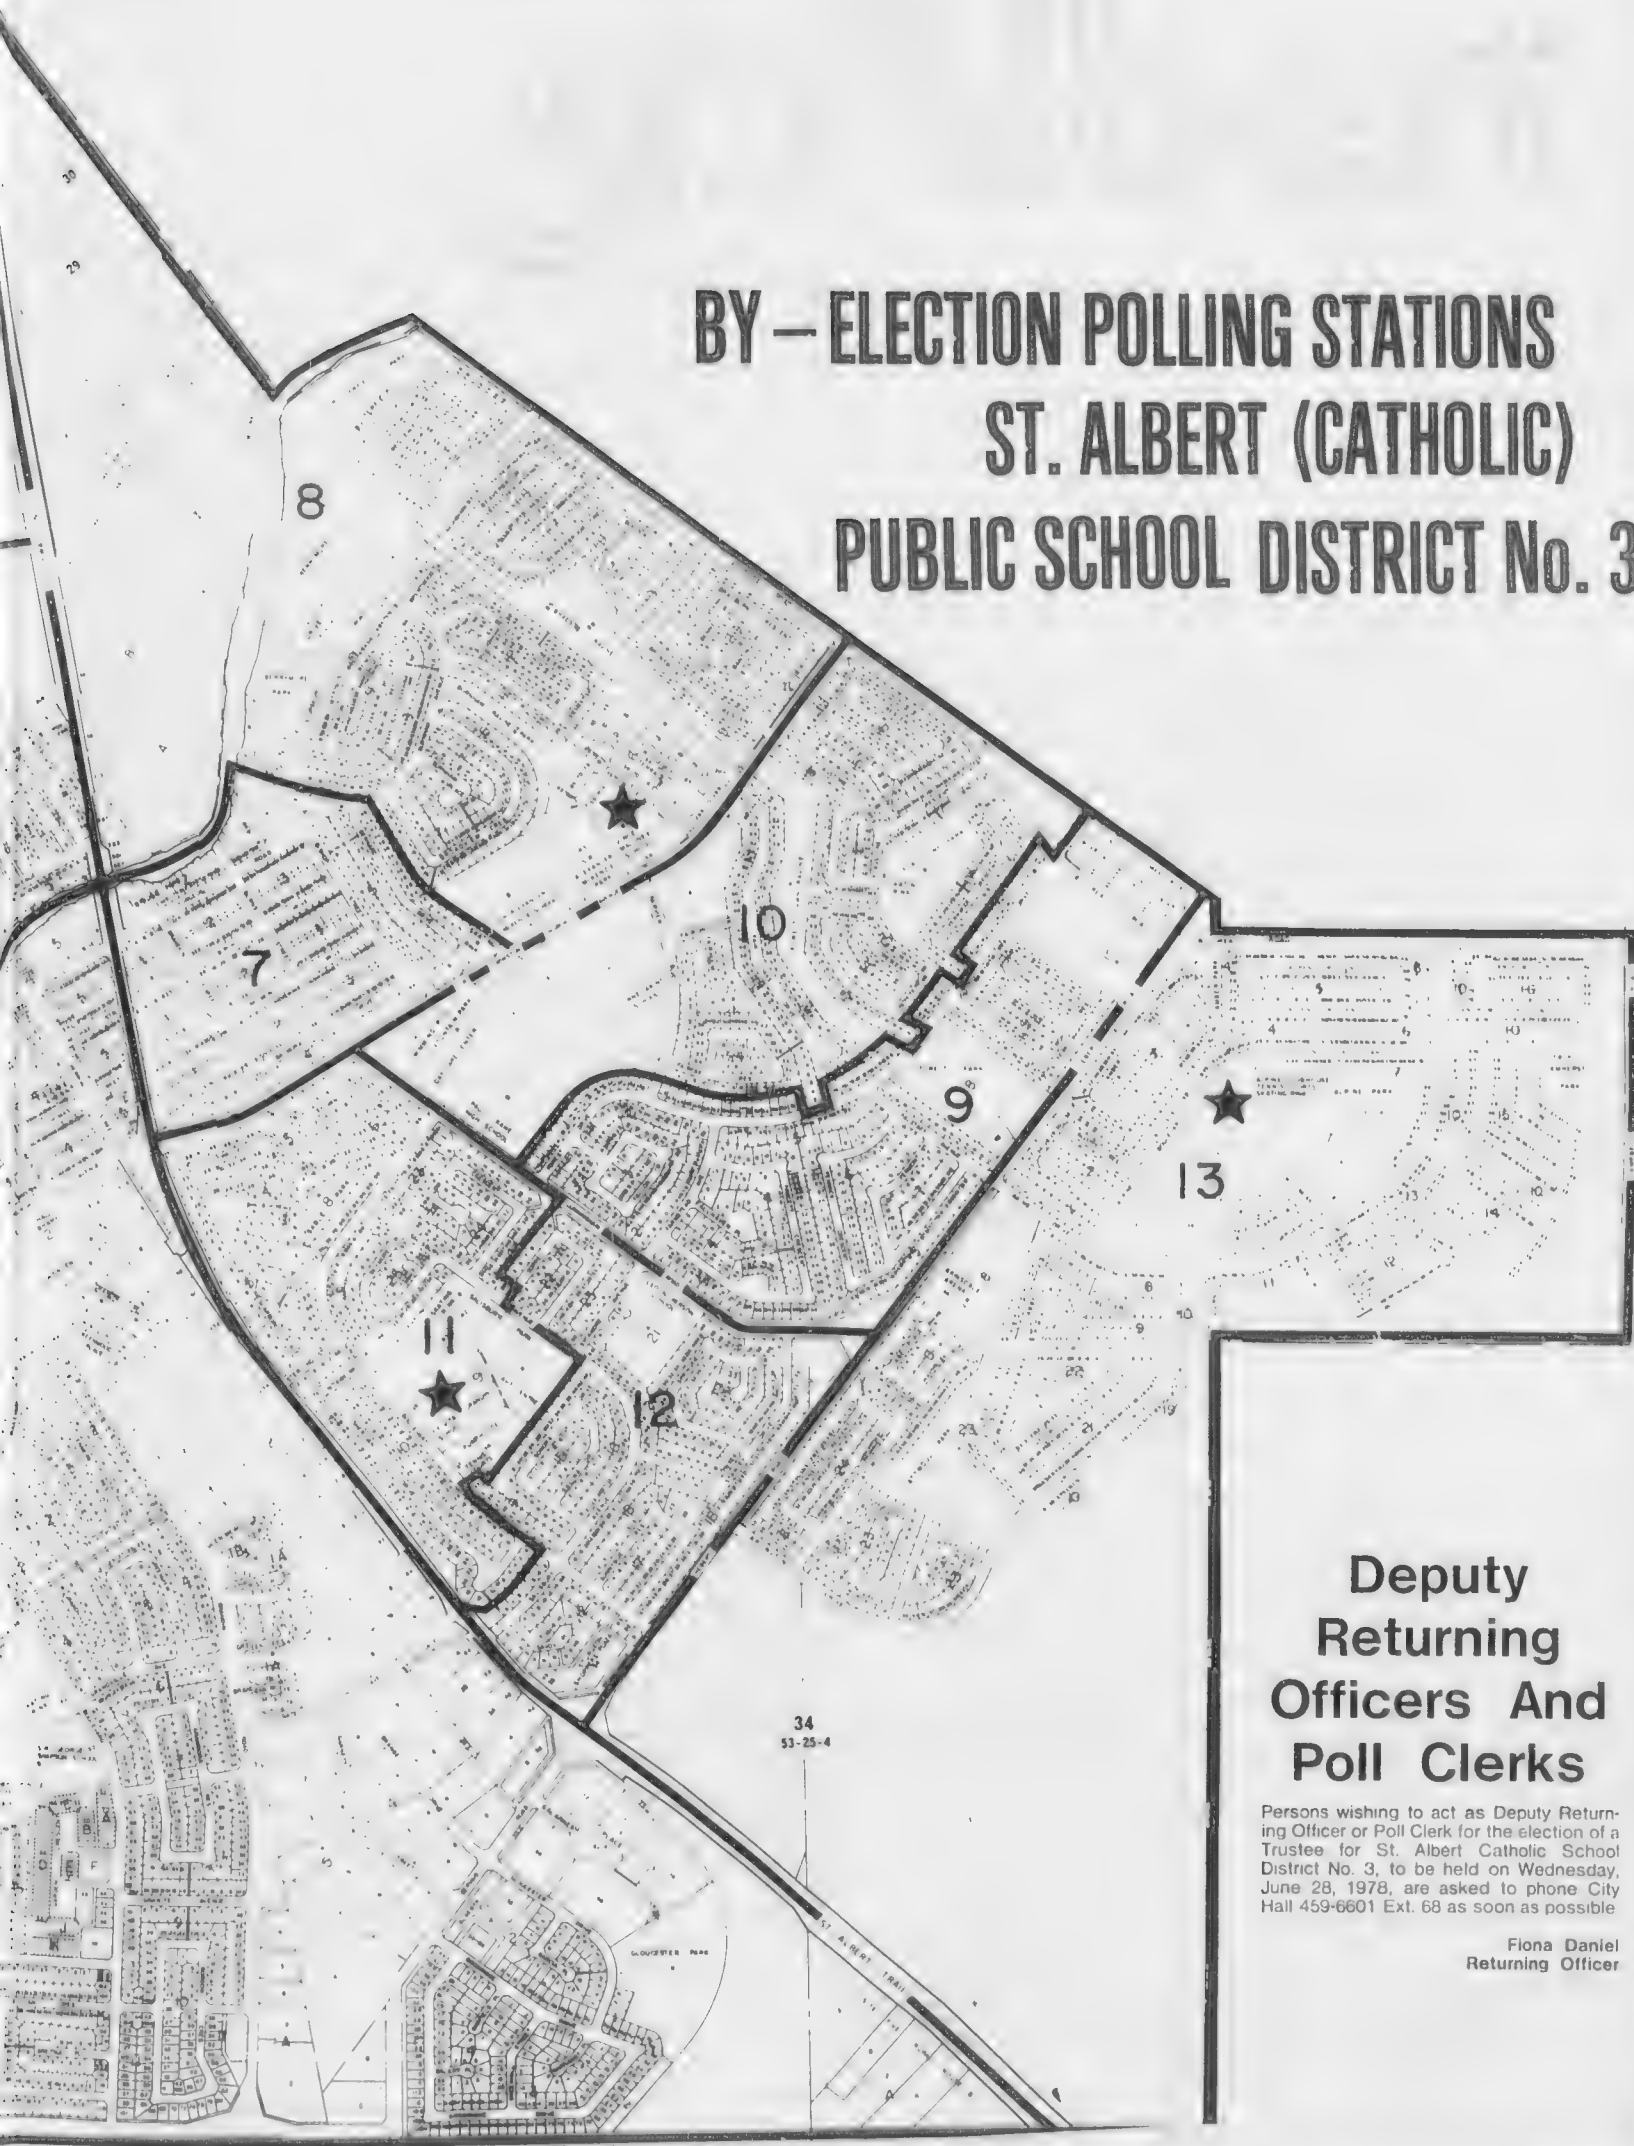

Given under my hand this 14th day of June, 1978.

"The Hobbit" to visit from Akins

On Wednesday, June 14 and Thursday, June 15, the Terne Akins Drama Club will present its most ambitious production ever - J.R.R. Tolkien's **THE HOBBIT**. Bilbo Baggins, a band of 13 dwarves and the incredible

wizard, Gandalf, set out on an adventure to retrieve their stolen gold and to slay the mighty dragon, Smaug. On the way they are surrounded by flesh eating Trolls, match wits with the sea monster, Gollum, battle with the Goblins and Spiders and a host of other terrifying creatures who dwell in the forest of Mirkwood.

This play promises to provide an exciting and captivating evening for young and old alike.

Tickets for The Hobbit are available at the school or may be purchased at the door of the Paul Kane Theatre Arts Room at a cost of \$2 for adults, \$1 for students and 50¢ for children.

House lights dim at 7:30 p.m. but all adventurers should arrive early to assure a good spot.

Walterdale "Think Tank" is June 25

The first official task of the newly elected executive of Walterdale Theatre Associates will be the staging of an all day "Think Tank" happening on Sunday, June 25 from 9 a.m. until ????

Members and non-members interested in evaluating Walterdales purpose, direction and continuing role in the Edmonton Theatre Community are invited to participate.

This long established community theatre origina-

ted in 1959 with a small group of amateur thespians and has subsequently mounted a season of plays annually.

As an amateur group, Walterdale members contribute their time and talents for the love of art and no member receives any remuneration.

Won't you please join us on Sunday, June 25.

Bring a lunch (coffee and pop provided).

STRICT DIET!

Liz Croft (20) stands next to a skeleton at Dr. Wilson's office on 1885 Street in Fort Edmonton Park. The Park, situated on the south bank of the North Saskatchewan River is open from 10 a.m. to 8 p.m. seven days a week. The reconstructed Fort attracts about 15,000 people a week.

Audio and sound spectrum

AUDIO BY SIMON GETTING INTO HI FI

Believe it or not, nobody has manufactured or perfected the "true" high fidelity system as yet. The search for the "golden fleece" led from one audio invention to another, and at the time of this writing, there are over two thousand manufacturers claiming to have designed the ultimate in fidelity equipment.

However, it is relatively easy for the uninitiated to actually walk through and survive the hi fi jungle. The infallible path into the audio world is one's absolute trust and belief in his own pair of ears. In other words, whatever sounds good to you, is good enough for you. You have to live with the equipment you purchased. None the less, a few words of advice is in order, if - only to safeguard your hard-earned dollar.

1) Listen carefully to the equipment that you intend on buying -

does the treble sound harsh at loud listening levels? Do you hear more "rumble" than true bass? Does the vocalist sound articulate. Is the overall sound pleasing to your ears?

2) If you live in an apartment, it is unwise to buy a high power unit. You will never be able to use the extra "juice" except if you relish the idea of an irate neighbour red-facedly pounding on your door.

3) Buy only what you need, which means don't invest in a reel-to-reel recorder if you won't use it for "live" recording.

4) Stick to the well known "names" in the hi fi industry, and check out the "repairs" facilities for the equipment of your choice.

5) Do not play "the price-game." Sometimes the most expensive units turn out to be real lemons!

6) Be on friendly terms with your audio dealer, especially if you value his opinion. You might be upgrading in the future, in which

case he is the one to talk about "trade-ins."

7) Listen to your favorite records and tapes at the dealers, and listen hard and carefully before

you make your decision.

Any questions? Send them to Audio, Box R263, St. Albert, Alberta, T8N 1N3.

Barter Theatre season opens

Alberta Barter Theatre is into production of its 1978 season. The theatre is intimately set in a courtyard beside Corbett Hall on the University Campus at 112 St. and 82 Ave. The outdoor location of Barter Theatre allows for an enjoyable evening of summer entertainment and as befits the idea of a summer theatre, this year's season is light and relaxing.

Barter Theatre opens with Two for the Seesaw by William Gibson, a compelling and humorous story about two people who inadvertently meet and become deep friends. Directed by Lee Livingstone, the play runs from June 21 to July 9. Critic's Choice by Ira Levin is the second production of the season, also directed by Lee Livingstone. It is about the

humorous conflicts between a top critic and a playwright who just happen to be married. It runs July 12 to July 30. To close the season Keith Digby will direct Something's Afoot by James McDonald, David Vos and Robert Gerlach. This murder mystery musical is great fun for anyone, and plays August 2 to August 20.

This season's Company includes Lorraine Behnan, Stephen Walsh, Bob Ouellette, Wally McSweeney, Theresa Tova, Jennifer Riach, Gwyneth Walsh, David Lagny, Kent Staines and Kenny Baird. Lloyd Fitzsimonds is the Stage Manager.

All performances take place outdoors (weather permitting) at Barter Theatre, 112 St. and 82 Ave. If the weather is unsuitable, the

performance will be moved indoors to Studio Theatre adjacent at the same address. Performances nightly (except Mondays) at 9 p.m. Free parking on the West side of Corbett Hall. Tickets are \$3.50 - adults, \$2.50 - students and senior citizens, and free to pre-schoolers. All tickets are available at the door. For more information write Barter Theatre, 709 Imperial Bank Building, 9990 Jasper Ave., Edmonton or phone 432-2495.

Art workshop and courses at Gallery

The Edmonton Art Gallery will be offering an extensive program of art courses and workshops this summer commencing July 4. To avoid conflicts with holiday plans, many courses have been scheduled for only two-week periods. Other courses run for one month and some last the entire summer.

"Exploring Art" is designed for imaginative youngsters aged five to seven who want to have fun learning and creating their own sculptures, paintings, drawings, prints, and claywork. Other courses include drawing and painting, and creating with clay for children aged 8-11; drawing and pottery for teen-agers; courses for adults in drawing, watercolour, oil or acrylic paints, and pottery.

In addition to these art courses, a variety of workshops will be offered during

the summer. "General Art Workshop for Elementary School Teachers" will be offered July 4-6. Conducted by Keith Muirhead, this workshop is designed particularly for elementary school teachers with little or no art training, and emphasizes exploration and innovation of art materials and planning a comprehensive sequential art program. A watercolour painting workshop conducted by Seka Owen will be offered on July 7-9. "Weaving with Simple Looms" will be offered July 11-13. Conducted by Eleanor Newton, this workshop is designed for teachers at the elementary and junior high school levels and anyone interested in simple weaving in a circular or rectangular format. Three separate pottery workshops will be offered, July 21-23, August 18-20, and September 15-17.

The workshop leader is Darlene Malcolm, a graduate of the Ceramic and Design program at the Sheridan College School of Design in

Mississauga, Ontario. These workshops are designed primarily for adults with previous training in working with clay who wish to further

their skills and understanding through a working/questioning situation.

Registration for all art courses and workshops com-

mences immediately. For further information regarding art courses, please call 429-6781.

Exhibition highlights current traditions

In a joint project in honour of the XI Commonwealth Games, the Edmonton Art Gallery in collaboration with the British Council have organized an innovative and provocative exhibition of Canadian and British art -- "Certain Traditions: Recent British and Canadian Art."

Under the direction of Karen Wilkin, chief curator of the Edmonton Art Gallery, a combined exhibition of works by emerging artists from the mother country, Great Britain, and the host

country, Canada, have been assembled and opened at the Gallery on Friday, June 9.

Certain Traditions will include paintings and sculpture drawn from the centres in both countries where this kind of art is being practised in a new, adventurous way. The exhibition does not purport to be regional or democratic; it does not speak for Canada or for Great Britain. It speaks for "certain traditions" which exist today in these two countries and profiles British and

Canadian artists of the "under 40" generation. There will be 84 works by 16 artists from Britain (two of these artists work as a team) and 16 from Canada.

A 110-page catalogue with 31 colour reproductions accompanies the exhibition. It will be one of the Edmonton Art Gallery's major publica-

tions of 1978.

Certain Traditions runs until June 28 after which it will travel to Calgary for exhibition at the Glenbow-Alberta Institute from July 7 to August 30.

For further information, contact the Edmonton Art Gallery at 429-6781.

Kalyna dancers end first season

The end of the season has come for the young dancers who performed at a concert held at Vincent J. Maloney School, June 1.

The children worked very hard all season and put on a great performance. Their costumes were very lovely

and colorful. They did many interesting steps in their dances and a variety of dances, the boys were fantastic doing their jumps. The children had a finale at the end of the concert with all the children involved which was very nice.

The children range from ages 4-14. This is the first year for the school and they should be complemented on a job well done.

The classes will commence in September with registration in August. Good luck in the next year.

Boo! Hiss! Here comes the Melodrama

Tickets for Walderdale Theatres "effervescent" Klondike Melodrama are now on sale at the Citadel Box Office 9828 - 101A Avenue.

A five dollar ticket will give you the chance to witness some of the most colorful characters and hear some of the most amusing dialogue ever spoken.

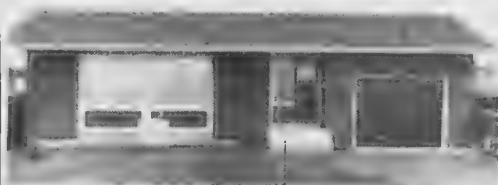

Even if you're not a regular theatre patron you should not miss this one!

Adrift in New York (or her first false step) is directed by Judy Unwin and is entertainment the whole family will enjoy.

Call the Citadel Box Office at 425-1820 and reserve your tickets now.

Large print books at the library

By Joyce Genereux
Millions of people have difficulty in reading the small print in newspapers, paperbacks and library books.

Ulverscroft has pioneered in designing books for those who experience difficulty in reading normal small print.

All these large print books are complete and unabridged, and are printed in special black type on spec-

ially developed lightweight opaque paper.

Here are a few of the books that we have on hand at the library:

The Duchess of Jermyn Street by Daphne Fielding. Brimming with humorous and revealing anecdotes about the people and events that encompassed Rosa's life, this is the true story of a gifted, outspoken and often

outrageous woman.

Frenchman's Creek by Daphne Du Maurier. The echoes of a past century still linger on from the days when La Mouette anchored in the creek, and the pirate Frenchman whistled softly and was answered by Dona, the beautiful Lady St. Columb.

Ice Station Zebra by Alistair MacLean. On a stormy winter night at Holy

Loch, the U.S. atomic submarine "Dolphin" puts to sea under emergency orders. It is to take a Dr. Carpenter under the North Polar icecap and to surface with him near the burnt-out weather station, Zebra. In this subtle, fast and violent novel MacLean once again proves his mastery.

The Dark Shore by Susan Howatch. Sarah Hamilton,

the second wife of the enigmatic Jon Towers, comes to the Cornish farmhouse where his first wife had mysteriously died.

On the stark, romantic cliffs of Cornwall, Sarah's dreams become nightmares as the past looms over the future.

Librarian Chris Nays displays a necklace from Papua, New Guinea. The necklace and other artifacts were brought back by Eric and Pat Waterton. If you are new to St. Albert you can obtain a library card free of charge. The library is situated next to city hall.

Soil conservation and history displays at University

An impressive collection of exhibits, films and displays on soils, conservation and natural history will be hosted by the University of Alberta in conjunction with the 11th Congress of the International Society of Soil Science.

According to Dr. Fred Bentley, chairman of the organizing committee for the congress, the exhibition, which

is open to the general public June 19 through 25, is the largest and most comprehensive of its kind to be put on display in Alberta.

The subjects covered should be of interest to all Albertans, he says, as "exploitation and mismanagement may impair or permanently ruin our most vital resource - land. Food, water and shelter are essentials to life," he adds, "and knowing how to manage our land

resources is indispensable to maintaining our supply of these vital needs."

The exhibition will include a large number of exhibits and films, on land and protecting of the environment, in the gymnasium of the Education Building at 114 Street and 87 avenue.

Two Museumobiles from Canada's National Museum will be located in the Education Building parking lot and will cover "Canada's

North" and "Atlantic Canada."

In addition the Devonian Foundation Museumobiles will be located in the Jubilee Auditorium parking lot. These mobile exhibits will include eight large self-contained displays on: the R.C.M.P.; Wildlife and Its Conservation; Canadian Native Mineralogy Artworks; Historical Toys; Ethnic Groups in Alberta; Preserving Our Heritage; Vanishing Cultures and Fur Trading.

These displays are open to the general public at no charge with free parking available at the Jubilee Auditorium.

The displays are open Monday to Friday, June 19 to 23 from 9:30 a.m. to 12:00 noon; 1:30 p.m. to 4:30 p.m. and 7 p.m. to 9:30 p.m.; and Saturday and Sunday, June 24 and 25 from 2 p.m. to 5 p.m.

Co-ops oppose aerosol cans

The representatives of some 650,000 consumer co-operative members in western Canada are opposed to the use of aerosol cans and cents-off coupons, and they would like all drink bottles to be of uniform size and shape.

Delegates at the annual meeting of Federated Co-operatives Ltd., held at Saskatoon, almost unanimously asked that sale of aerosol cans be discouraged, on grounds that they are costly, and dangerous to health and the earth's atmosphere.

Coupons used by many companies to increase sales

of their products also are an extra cost for the consumer, delegates said, and they voted to support the Consumers' Association of Canada in its efforts to get the federal government to restrict coupon use.

In the case of bottles, delegates said each company has its own types and sizes of bottles, and this is costly and inconvenient to both customer and retailer. They asked provincial governments to enact legislation requiring all drink bottles to be uniform in size and shape, and to encourage establishment of central bottle exchanges for all returnable bottles.

Community Services report

Submitted by
Community Services Dept.

SUMMER BROCHURE

The delivery of our summer brochures will be handled by the post office and are scheduled to be delivered towards the end of this week to every household in St. Albert, R.R. #1 and R.R. #2, as well as general delivery and boxholders. If you do not receive a brochure in the mail by next Wednesday, please contact the Community Services Department. Brochures will also be available at City Hall, Community Services and the Library.

The brochure outlines our playground and daycamp programs, how to go about registering for swim lessons for the remainder of the summer, upcoming tennis lessons and some further

education programs.

DAY CAMPS

Six day camp sessions are being offered this year with camps for seven to nine year olds and camps for 10 - 12 year olds running simultaneously.

Both camps will commence on July 10 and will run Monday to Wednesday 10 a.m. to 4:30 p.m. Thursday is an overnight (weather permitting) and the camp closes on Friday morning at 10 a.m. Camp capacity is 20 children per camp and the fee is \$8 per child. Our co-ordinators delivered information sheets and registration forms for day camps to all the schools on Tuesday, June 13. Registrations will commence today and is on a first come first serve basis. If your child did not bring home a

registration form, they are available at the Community Services, 20 Muir Drive, City Hall or at the library.

PLAYGROUNDS

Once again the playground programs will run at all the outdoor hockey rink sheds. This program will commence July 10 at 1 p.m. for all children aged 6 - 12 years old.

There will again be a pre-school program for children two to six years at all the locations and will go every Monday morning from 9:30 to noon.

There is no fee for the children to take part in this program, but there will be a pre-registration this year so we will have some idea of staffing requirements. Registrations will be held at each of the playground

locations on June 28 and June 29 from 1 - 4 p.m. and 7 - 9 p.m. Persons who would attend the Grosvenor Park playground are asked to register at Gatewood Park.

SENIOR CITIZENS

This Thursday the young and the young at heart will get together for a delicious lunch served by the Meals on Wheels committee. The event is the regular Thursday hot lunch for the seniors and their guests will be the children of the Day Care Centre.

If you know of a senior who would be interested in attending contact Hettie Blades, 459-4756 or Jenny Allan 459-0472.

BABYSITTING

New residents of St. Albert

may be wondering where they can get a babysitter.

There is a babysitting registry with volunteer co-ordinators in each district of St. Albert.

This is strictly a referral service and the co-ordinators are not responsible for the conduct of babysitters or the financial arrangements.

If you would like to know who your district co-ordinator is please call Community Services at 459-6601.

TENNIS TOURNAMENT FOR JUNIORS

There will be a Junior Open (18 years and under) tennis tournament June 17 and 18 at the Mission Tennis Courts starting at 9 a.m. To enter just show up at the courts before 9 a.m.

TENNIS LESSONS

Session 111 of the De-

partment's Tennis Lessons will commence July 4 through to the 14th.

See the ad in this week's Gazette for times, locations and categories as well as a registration form.

SMALL CRAFT SAFETY

The Canadian Red Cross will be offering throughout the summer demonstrations of basic safety in the handling of small craft.

The demonstrations will cover in-water rescue, self-survival skills, equipment purchasing and repairs, launching, docking, and carrying boats, as well as some basic canoeing and rowing skills.

The viewing public will have an opportunity to become involved by receiving free instruction, following the free demonstration.

The Boating Safety Detachment (BOSDET Team) will be at the following locations on the dates indicated: July 8, Alberta Beach; July 9, Wabamun Lake; July 24, Elk Island National Park; and August 7 again at Wabamun Lake.

There is no charge and everyone is welcome. Further information can be obtained from Susan Milburn, demonstration co-ordinator at 429-2671 Local 218.

Investigate unknown water before you dive in. Enjoy safe water sports the Red Cross Water Safety way.

On The Home Front

Don't miss ... these attractions!!

By Pat Doerksen,
District Home Economist
June and July offer you a number of exciting events. Why not take part in some of the following:

MORINVILLE FRONTIER DAZE
On June 24 and 25, why not stop by the Alberta Agriculture Home Maintenance and Repair Mobile Van on the fair grounds at Morinville.

You will be able to take part in mini-sessions dealing with faucet repairs and furnace care or you can just stop by to ask the specialist any basic home maintenance questions you have from plumbing to electricity, to painting, to furnace care.

"LIFE IS FOR LIVING" JULY 10-13

The count down to Alberta Women's Week '78 at Olds, Alberta has started! Don't miss out on this fun.

- *Hair Care at Home
- *Ladies Know Your Car
- *Creative Parenting of Young Children
- *Talking to Your Teens
- *Kitchen Metrics can be Fun

- *A More Beautiful You
- *Optimizing Daily Living
- *Wardrobe, Accessories and You

These are just a few of the exciting programs in which you can participate in. Accommodation and child care service is available at the Olds College at a reasonable cost.

Registration Fee is \$1 per day or \$4 per person for the week. Why not get together with a friend or relative and take sometime for yourself!! For a complete program list and registration form call us at 939-4351. Remember registration deadline is June 23, 1978.

W.I. members hear Games commentary

The regular meeting of the St. Albert Women's Institute was opened with Marg Dalman demonstrating how to make a hanging moss ball planter. She used spaghnum moss and wire. Sadie Adams then showed the group a handmade cloth casserole cover. It had handles and a drawstring to make it easier to carry casseroles to picnics, pot luck dinners, etc.

Doris Meleshko will be taking her car to the Provincial W.I. Conference at Olds on May 31. There were enough interested people to fill her car.

Marg Iseke's group will be getting together to make posters to send to the schools to enlist interest in the school's entering a float in the rodeo parade. Letters will also be sent to each school.

Ethel Cuts asked if the group would be interested in working as volunteers at the W.W. Cross Cancer Clinic half a day a month. The group expressed interest and asked her to find out more of the details.

Laurie Dalman suggested that the group do some research and prepare an article for Reader's Digest on the

W.I. It was suggested that before such a project was undertaken the Provincial W.I. office should be contacted for permission.

The president reminded the group that they will need to do quite a bit of baking for the day in July that they will be handling the Tea Room during Klondike Days.

Ethel Cuts gave each one in the group Commonwealth buttons, maps and folders. She had a set of slides called "Overview of the Commonwealth Games." She presented these with commentary. The group found them very interesting. If you have

a group that would like to see the slides would you please contact Ethel Cuts at 459-6101?

For the roll call there was a

plant exchange. Those who did not bring a plant had to pay a 25¢ fine.

Kay Bonneville was hostess for the group. A lovely

lunch was served by Marg Iseke, Ethel Cuts and Doris Meleshko to the 16 members present.

Cancer and women: how to avoid it

Doctors agree fear is a serious problem in fighting cancer. Fear, and the ignorance that accompanies it, keeps people from consulting their doctors when they discover their bodies aren't functioning normally.

Ignorance can only be dispelled by knowledge; women should know that cancer occurs most frequently in parts of the body most easily examined by a doctor. Four out of five women will not die from cancer, and this statistic can be vastly improved by visiting a doctor at the first sign of trouble, and take these important steps:

*If over 35, have a physical examination by your doctor as often as he prescribes.

*Cancer of the cervix can be detected by a simple, painless pap test, and early cancers can be removed by a

minor operation.

*Learn how to examine your breasts; see your doctor or the Canadian Cancer Society.

*Have your doctor repair any injuries to the womb after childbirth.

*Lung cancer is preventable. Nearly all cases occur

in cigarette smokers.

*Bleeding from the rectum may not be due to haemorrhoids.

*Avoid "miracle cures," trick diets, treatments in far-off lands, or home-remedies for indigestion especially after age 40.

Computers in disguise help with the chores

By William J. O'Neill
National Geographic
Computers are infiltrating our homes and garages almost unnoticed.

They aren't the readily identifiable kind, with keyboards and video display screens, but are buried inside the latest appliances and automobiles.

Housewives who don't know a word of COBOL, BASIC, or the other languages in which programmers converse with computers regularly program the touch panels of their microwave ovens.

Computerized equipment that simplifies housework and makes cars fuel-efficient is increasingly preparing the public to live with the full-blown computer terminals that electronics manufacturers predict will be stan-

dard in most American homes in another decade or two.

TELEPHONE INCLUDED

Even the modern telephones that allow users to call across the country or overseas by pushing buttons are part of the home computer age, the National Geographic Society points out.

Two of the buttons, marked with symbols instead of numbers, are being programmed for special functions such as transferring incoming calls or reaching emergency numbers.

Most microcomputers now in use are hidden, such as the box under the hood that monitors a car's speed, its rate of acceleration or deceleration, and the air temperature. Please turn to Page 31

READ ANY GOOD LABELS LATELY?

A basic guide to the Who, What, Where, When and Why of Shopping Canadian.

Why should you Shop Canadian?

Every time you buy something made in Canada, you help keep a Canadian working. You help keep Canadian money inside Canada. You help to expand and strengthen Canada's economy.

When you think about it, you help yourself.

When should you Shop Canadian?

Whenever you're satisfied that the product or service you need is:
(A) made or grown in Canada and
(B) of equal or better value and quality
That's not just good advice - it's good sense.

What is made in Canada?

Just about everything you need to help you live the life you want.

As the saying goes, we have no bananas, but we do have Apples, Bandages, Cranes, Drills, Elevators, Furniture, Glassware, Holiday resorts, Insulation, Jewellery, Kitchen appliances, Lumber, Machinery, Newspapers, Office equipment, Potatoes, Quilts, Rope, Steel, tires, Umbrellas, Vaccines, Vines, X-Ray equipment, Yarns, and Zippers.

Everything, in other words, from A to Z.

Who should Shop Canadian?

Every day, most of us have the choice. Whether we're buying groceries for the home or supplies for business, farm or industry.

If each of us added only \$10 a week to Canadian made purchases, Canada would be over 10 billion dollars better off in just one year.

Who should Shop Canadian?

You should.

Where does it say Made in Canada?

Sometimes it doesn't. Sometimes a sign says "Product of P.E.I." Or "B.C. Apples" or "Fabrique au Quebec" or "Made in Manitoba" or "New Brunswick Sardines" or "Grown by Saskatchewan Farmers" or "A product of Alberta" or "Fresh from Newfoundland" or "Manufactured in Ontario" or "Nova Scotia Lobster."

The point is, if you take the trouble to find out, you can usually tell.

And, if it's made anywhere in the ten Provinces or the Territories, it is made in Canada.

computers

Continued from Page 30
crature and humidity, then alters the mixture of fuel and air for better gas mileage.

In computer jargon, that is a ROM, a "read-only memory" permanently programmed for its job. Similarly, the circuit in a pocket calculator that figures square roots is a ROM.

A PROM, or "programmable read-only memory," may be found in a kitchen range or oven, a blender, or other appliance that is regularly reprogrammed for various tasks.

The control panel of a microwave oven, for example, is really a computer terminal with a simplified keyboard. The cook programs it when she punches up a series of instructions that the computer then

guides the oven in carrying out.

DASHBOARD TERMINAL

One of the new car models has a terminal on its dash that can be programmed by the motorist to produce a digital readout showing how many miles the car will go on the gas that remains in its tank, or at what time the driver will reach a specified destination at the car's

present speed.

Sidewalk terminals offering around-the-clock banking have accustomed people to at least limited discourse with computers. The human side of the conversation is carried on by pressing the keys, while the computer replies by flashing phrases on its screen -- and is quick to question any error.

The speed of a computer's response can be intimidating. Producers of elec-

tronic games found sales increased after they programmed pauses into the computer, so it would appear to be thinking out its next move.

Now, thousands who have progressed beyond video games have begun spending anywhere from \$600 to \$6,000 to buy their own household computers, and are programming everything from family budgets to permutations of favorite recipes.

New standards for barbecued meats

Health and Welfare Minister Monique Bégin has proposed a revision of regulations under the Food and Drugs Act governing the

health standards for barbecued, roasted or broiled meat, poultry and their by-products and mixtures.

The proposed amendment would require vendors of such products to meet a microbiological standard for the product as sold. They would have to prevent the growth of dangerous bacteria in the meat they sell. This can be done by using heated cabinets or refrigeration, or good sanitary procedures.

Products would be recognized as meeting the standard if they have internal temperatures of 60°C (140°F) or more or 4.4°C (40°F) or less, or are stored at these temperatures. Miss Bégin noted that the proposal protects public health while permitting vendors the freedom to choose storage procedures which best suit their type of product.

Merchants selling Chinese style barbecued meats have been concerned that current temperature regulations, which require meats to be stored at 60°C (140°F) or more may change the flavor and texture of these traditional products.

An information letter, outlining the proposal in detail and inviting comments will be sent to the food industry in the near future. A Federal-Provincial Committee to establish the details of the microbiological standard is planned.

WANTED!!

I have clients looking for the following property:

ACREAGES - Ranging in size from 3 to 80 acres within 20 miles of St. Albert.

HOUSES - Older homes in St. Albert; garage or basement development not an essential.

LOTS - One lot in St. Albert required for a contractor.

If you own such property and wish to sell, please call **Lorne Strumbeck** 459-7786 or Res: 474-3989. A call today could mean a quick sale tomorrow.

Come see our new Home!

The residents of Spruce View Manor, Gibbons' new senior citizen's residence, will be delighted to show you around their new home at the

OFFICIAL OPENING OF SPRUCE VIEW MANOR

Gibbons, Alberta

WEDNESDAY, JUNE 21

2:00 p.m.

The Honourable Tom Chambers, Minister of Housing and Public Works, and Mr. E. Jamison, M.L.A. for St. Albert will officiate at the opening ceremonies.

Spruce View Manor, a 44 bed lodge, is an Alberta Housing Corporation development and is managed by the Sturgeon Foundation.

Gibbons and district residents are cordially invited to attend the opening and to join the official party at a reception following the ceremony.

A lot of people have some pretty strange ideas about Canada's immigration law. And, as a result, a lot of people suffer from believing them.

The fact is, the most reliable information comes from us.

In other countries, we're in Canadian Government visa offices.

Here at home, it's your Canada Immigration Centre.

If you know someone who'll have to pass through Canadian Immigration in the near future, you'd be doing them a favour by pointing them in our direction. Especially now that there's a new immigration law.

Now, the new law doesn't mean a lot of changes for the average immigrant or visitor. Here, nevertheless, are a few things that might affect you or someone you know.

From now on, immigrants and those visitors who come here to work or study must make all immigration arrangements before arriving in Canada. No one may change his or her status while inside Canada.

Remember that money can't buy your way into Canada. All the help you need is free at any Canadian Government visa office or Canada Immigration Centre.

Canadian immigration officers do not discriminate on the grounds of colour, race or religion. Ever.

A new adjudication system gives

greater protection to the civil rights of people involved in immigration proceedings. And deportation will no longer be the

only possible penalty. There are now less drastic alternatives for minor infractions of immigration law. The new law does not make immigration easier, but it does make it more predictable. If you need to know more, ask at a Canada Immigration Centre.

If you know someone abroad who needs information, tell them to contact their Canadian Government visa office before they make a move. That way, they'll know exactly where they stand when they step off the plane.

Home of the Week

LARGE CONTEMPORARY FAMILY HOME Plan No. P7-4-143

A beautiful contemporary home for the large family is featured as the plan of the week.

The handsome exterior is clad in vertical siding, with the long, sloping roof in heavy shake, or asphalt shingle, as desired. Wide panelled doors open to the double garage with an inside door to the utility, for direct unloading of provisions.

A two-storey glass wall at the front, lights the graceful stairway and entry foyer with natural light. The spacious entrance has a convenient guest coat closet at the entry of the living-dining areas.

Featured between these two rooms is a unique twin fireplace which can be enjoyed from either room. There is also a log-storage box built into the massive "wall" fireplace. The living room has extensive wall space, designed for ease of furniture arrangement, and has sliding glass doors opening to the front courtyard. Two slim windows by the wood-burning fireplace offer an ideal location for hanging plants and potted floor plants.

The large dining room will be perfect for large family get togethers and festive gatherings. The kitchen is close at

hand, and during warm weather this room can be extended to the sundeck through the sliding doors.

Family meals and snacks can be served in the nook, which forms part of the overall kitchen. Cupboard space abounds in this completely modern kitchen, designed for convenient food preparation, and mother is within ear shot of activities in the family room.

Doubling as a guest powder room, the vanity lavatory is ideally situated off the main foyer and is close at hand for the children's use. The utility room is well placed, and can double as a mud room for drying wet clothing, or for coat storage, as well as the washer and dryer.

As you reach the second floor, an open balcony looks down over the stair-well and front foyer. The three bedrooms are serviced by a twin-vanity, full bath.

No luxury has been spared in the master suite. In the spacious entry area, which could easily be developed as a den-lounge room with easy chairs, books and T.V., an open balcony overlooks the living room. The main section will hold a complete bedroom suite, and has double closets and a large view window to the rear. It also has a three piece bath, which is both luxurious and private.

With this 3,056 square feet of living space, there is still more. For future development, the entire unfinished basement can be used for extra bedrooms, workshop, studio or recreation room. Roughed-in plumbing and fireplace

make the task easier. This is an ideal contemporary home for the large and growing family.

Plans for design No. P7-4-143 may be obtained at a cost of \$100 for a set of three and \$10 for each additional copy. Allow \$2 to cover postage and handling.

To view more than 100 well-designed quality homes of every type, send for the current publication of the Home Plan Catalogue available for \$2.60 (\$2.25 plus 35¢ postage and handling). Make all cheques and money orders payable to "Plan of the Week" and mail to: Plan of the Week, c/o St. Albert and Sturgeon Gazette, 324 Columbia Street, New Westminster, B.C. V3L 1A6.

FOR YOUR FAVORITE MAN!

School Gazette

Mad Hatters

After the ballots were in for the hat contest held at St. Albert High last Friday, Ben Chabot (left) won the most suited to personality. School secretary Marie Daviduck won most creative for her key encrusted topper as best all round went to James Fowler with the spy look. The pretty face under the Mexican sombrero belongs to Denise LeBlanc.

Puppets illustrate legal system

The animals in the forest still have a lot to learn about the law. How will they cope with their newly formed legal system? You'll find out when you see our brand new puppet show "Blackfield Glen." If you saw the show "Just Like You" last year, you will recognize Raven the lawyer, Owl the judge, Bear the policeman, Rabbit, Gopher and all their friends. You will also meet Raccoon and Turtle. If you're new to Patchwork Puppets Presentations, you will delight in meeting them all for the first time.

Blackfield Glen is a project of Patchwork Puppets and the Legal Resource Centre of Alberta. Although the show is aimed at the 8 - 12 year old age group, Roy Small and Lynette Maurice who produce and direct the show, assure that it will be enjoyed by people of all ages. The cast of 10 puppets are accompanied by three pup-

eteers.

This project has been partially funded by the Alberta Law Foundation.

Blackfield Glen will be in your area from July 23 to August 19.

For more information about HOW you can see the show, contact: Patchwork Puppets, Ring House #2, University of Alberta, Edmonton, Alberta, T6G 2E2 or phone 432-2021.

Lorne Akins grad

There were a lot of laughs Saturday when students presented some crazy awards to the grade nine teachers. Linda Rood gave Mr. Dukovac a poster depicting a likeness of himself (above) and Becky Heuermann and John Flamond returned Mrs. Cameron's keys which practical jokers had 'stolen' many times throughout the year.

Paul Kane wins high school tennis

Paul Kane has retained the St. Albert Tennis Club Trophy for the sixth straight year by beating St. Albert High in their annual competition 44 - 28 last Wednesday. The winner in the boys competition was Steve Kirk from PK, second was Tony Morris from St. Albert High, tied for third were Joe Lehman and Kevin Sage from Paul Kane.

The other competitors were Brad Smith from PK, Brian Boddez, Troy Shellcme and John Provencal all from St. Albert High. The Paul Kane boys beat the St. Albert High boys by 23 - 13.

The Paul Kane girls also emerged victorious by a score of 21 - 15 - mainly due

to Shauna Hite finishing first and Nancy Thibert second. Shelagh Kennedy and Joanne Chelkowski from St.

Albert High finished third and fourth.

The other competitors were Jackie Latimer and Lea

Greathead from PK and Jocelyn Curial and Danny Lyndon from St. Albert High.

Bicycling workshop

Defensive cycling, a bike registration day and instruction on safety on the road are some of the activities that will be covered during a series of three free Saturday morning programs organized by Alberta Culture at the Provincial Museum from 10 a.m. to noon.

June 10 cyclists of all ages will have fun learning defensive cycling. Representatives from the Edmonton Police Community Relations Section will be on hand to show a new movie demonstrating

the techniques of handling yourself in traffic. Afterwards, people can register their bicycles with the Police. All registered bicycles are given a sticker that helps to deter thieves.

June 17 bicycle maintenance is the subject, taught by one of the experts from George's Cycle. Find out where and when to oil, the proper way to change a tire, and how to do fine tuning needed to keep a bike in top operating shape.

June 24 the Edmonton

Safety Council previews the city's bicycle routes and talks about safety in the saddle.

Pre-registration is required, but attendance is not limited. Call the Museum at 452-2150 for more information.

SHUTTERBUG

WINS TRIPI

... Colleen Gallagher, V.J. Maloney photography student, has won a trip across Canada this summer in a photography contest sponsored by the Provincial Museum and the Glenbow Institute. The topic of the photo essay was "What museums preserve from the world of today for tomorrow's generation?" Colleen will be travelling across Canada for 24 days during the last week in July and the first two weeks in August. The contest and the trip are designed to promote student awareness of our heritage.

YOUNG TALENT

... This space is reserved specially for kids only, but as you see, it was unused today. Don't be shy about sending in your drawings, stories and cartoons to Mara, Box R263, St. Albert. Teachers are invited to send in their students creative work. Share your ideas with us!

Members of Pitch and Spice who "pitched in" and picked litter in the St. Albert High area.

The art of paper-picking as demonstrated by two Pitch and Spice members during St. Albert High's Litter Blitz

St. Albert High Reports

By Monica Tap

The other day I saw a guy carrying a sign that said "The World Will End Tomorrow!" He wasn't a long haired hippie either - in fact he was a high school student. I can't help but believe that his prophecy is correct - final exam time has arrived!

I know it's hard to study on the gorgeous summer days, but just think of the summer holidays afterwards. I know that for me anyway, the terror of the exams dims in the light of my upcoming trip to Europe (WOW)!

You know that Litter Blitz I've been writing about lately? Well I'd like to give some credit where it is due. On Monday, June 5, the kids in PITCH and SPICE "pitched" in to clean up. Several businesses from the Lacombe Park Shopping Centre (Graham Realty, The Royal Bank and Lacombe Park Cleaners) made donations to defray costs of the campaign - and to provide some monetary motivation. The Red Rooster kept the students cool with their offer of free pop - a welcome offer indeed!

No less than 50 bags of garbage (the bags were provided by Shell Oil) were collected in the area around the high school. Thanks to everyone who helped - the effort was well worth it!

This is my last column for

this school term - I'll be back, pen in hand, next September.

ber. Until then, see you, and hope you will all love your

summer holidays as much as I'm going to love mine! Tot

ziens! (That is Dutch for "See you later"!)

Albertans holiday out of province

The 1976 Alberta travel survey, the third in a series of studies designed to measure changes in the volume and nature of tourist within the province has been released by Bob Dowling, minister of Business Development and Tourism.

The minister said that the study provides information for making policy decisions in the travel, tourism and recreational areas, as well as for the design of effective tourism marketing strategies and for planning the development and management of tourism facilities throughout Alberta.

The study, conducted under the supervision of the Research and Analysis Branch of Business Development and Tourism for Travel Alberta, was undertaken by Stevenson and Kellogg Ltd. and Canadian Facts Co. Ltd. "It's the data base that Travel Alberta uses to monitor travel patterns in the province by non-residents," said Dowling, commenting on the significance of the five-year study first begun in

1966.

A subsequent study was completed in 1971. Due to the magnitude of the study and the depth of analysis conducted the entire report could not be released until this time.

More than 18,000 interviews were conducted by 40 students located at entry points to Alberta during the period July 1, 1976 to September 6, 1976. The entry points included bus, rail and air terminals.

The eight volume Cordon Study obtained information on: The general characteristics of resident and non resident travellers travelling into and out of Alberta; the volume and economic value of tourism to the province and to the 14 tourist zones in Alberta; travel demands of residents and visitors and the balance of payment for travel in and out of Alberta during the summer period of 1976.

HIGHLIGHTS OF THE SURVEY INCLUDE:

- Visitors to Alberta between July 1 and September 6, 1976 made 1.8 million trips while Alberta residents made 1.5 million trips out of the province;

- Visitors spent a total of \$121 million in the province while Albertans spent \$154 million outside the province leaving Alberta with a net balance of payments deficit for travel in that period of \$33 million;

- More than two-thirds of Alberta's residents came from other parts of Canada, mostly B.C. (28 percent) and Saskatchewan (18 percent). Canadians from other provinces accounted for 29 percent of the visits and U.S. visitors made 26 percent. Visitors from outside North America accounted for four

percent of the total;

- Calgary and Edmonton attracted 33 percent of the visiting parties. Banff and Jasper attracted 24 percent; 10 percent went to Southern Alberta zones, six percent to Central Alberta zones and six percent to Northern Alberta. (Twenty-one percent of visitors did not have a final destination;

- Visitors spent 36 percent of their travel dollars on meals, groceries and refreshments. Twenty-four percent of expenditures were for transportation expenses, 19 percent for lodgings, nine percent for recreation and entertainment and 14 percent for miscellaneous goods and services;

- Seventy-eight percent of the visitors came to Alberta for the purpose of vacationing while nine percent came on business, six percent for business and pleasure;

Cowboys and horses and their special affinity for each other are the roots of rodeo.

Family life consultant to write column

For the next several weeks the Gazette will be carrying a column by Dr. Sawak Sarju, a family life counsellor living and working in St. Albert.

Dr. Sarju has spent many years in the field and has just published a book - 'Tips for the Family'. He has served as clergy, administrator, writer and family life consultant in South America, the West Indies, the United States and now Canada. After working with the people of different cultures, ethnic origins, religions, educational backgrounds, social classes, and nationalities, Dr. Sarju has concluded that all peoples have generally and practically the

same basic needs. "Human nature is the same everywhere," he says.

As the world grows toward the global society, this fact becomes more and more evident.

He feels that the home, church, and school should co-operate and not compete with each other. He has lectured on the topics of the home, family, marriage, athletics, theology, homiletics, religion, the Bible, psychology, and related fields over the past 15 years.

Dr. Sarju graduated from the West Indies Bible Institute (1960), Pacific College (1971), Fresno Biblical Seminary (1973), and the American Bible Institute (1976). He has also been engaged in studies at the College of Sequoias, Kingsview Psychiatric Hospital, Fresno Community Hospital, California Family Court and the University of Alberta.

One of his mottos in his Family Therapy Practice is "Helping people to stand on their own feet."

His column will cover topics ranging from communication breakdown to child discipline, leisure time,

drinking, gambling and drugs.

Tomorrow evening he will

be conducting a clinic at the Professional Building on St. Anne Street on the 'Working

Mother'. During the evening which begins at 7 p.m. he will discuss the pros and cons

of leaving the home to seek a second income.

Parsonally Speaking

Pastor B. L. Heath
First Baptist Church
Father of the Faith:
Abraham

God gave many compliments to Abraham but one of the greatest is this statement. "I know him, that he will command his children and his household after him and they shall keep the way of the Lord." The Bible gives us a very detailed picture of his life. The record tells of his sins, failures and the weak moments. We have no perfect human fathers. Only the heavenly Father is perfect. In this record, we have one of the greatest, if not the greatest, human father that ever is recorded.

Children give gifts to their parents. But look at some of the gifts that this father gave is his only son. He introduced his son to the living God. He gave him a practical religion to follow. He set an example of building simple

places of worship called altars wherever they travelled. Abraham was a man that fulfilled his role as a dad, husband, breadwinner. He was a man's man. He was head of his home. No woman would ever object to a loving man being head of the home. He left a good name and

reputation. His home was filled with true love and respect. The story even illustrates how at a great cost and inconvenience he gave in to a selfish relative, Lot, to keep peace in the family. How unlike so many families today.

Abraham led his son to

marry a person within the family of God. To add to his accomplishments as a father he even left his son a comfortable estate. Of all the gifts, his simple faith in God imparted to this one was the best of all. Say dad, how are you doing as a father?

American visitors to get fair rate of exchange

"Exchange-rate decals for Alberta businesses are now available free of charge from Travel Alberta." The colorful decals, suitable for window or cash register display, indicate that the bearer will provide the current rate of exchange less one percent for handling.

Backed by the Travel Industry Association of Alberta in a move to ensure that American visitors re-

ceive a fair rate of exchange for their currency, the government of Alberta is pressing for all Alberta businesses and organizations to adopt a similar stand in a most important endeavor.

The province is very pleased that the Retail Merchants' Association of Canada (Alberta) Inc. has unanimously passed a resolution to support Alberta in providing a fair rate of exchange on the American dollar. This type of commitment will create a favorable economic climate

for all consumers of the Alberta tourism product.

With such incentives as Alberta being the only province to offer all goods sales tax free, with lowered gasoline prices as a result of the removal of the provincial tax on gasoline, and with the American dollar being worth approximately \$1.11 in Canada, 1978 can be a very exciting and prosperous year - "a year of opportunity" - as far as tourism goes in Alberta.

Know your vegetable seed

Take a good look at packets of vegetable seed before you buy. Learning to interpret the labels could contribute to the success of your garden.

These words of advice come from Fred Thomson, a seed specialist with Agriculture Canada's plant products division in Ottawa. The department assists consumers by monitoring the quality of seed sold in Canada.

Packages of vegetable seed must be stamped to indicate

that they conform with government regulations, Canada No. 1 and Canada No. 2 seed must meet set standards for general quality including freedom from disease, number of weed and other crop seeds present, and percentage germination.

Mr. Thomson suggests that any consumers who experience problems with vegetable seed should contact the company that marketed it, as they are concerned about giving satisfaction.

Heart attack symptoms

A rash of heart attacks usually accompany each major snowfall. Snow shovelling could be dangerous if your heart is not accustomed to working that hard. Shovel only a small area at a time, then retreat inside for a rest. Better still, hire the teenager down the street to do your shovelling. You will be doing your heart a favor and helping to boost the economy as well.

Symptoms of a heart attack are pain, profuse swelling, shortness of breath, shock or unconsciousness and giddiness. If a person appears to be having a heart attack, have someone call for immediate medical aid while you take care of him. Make him as comfortable as possible, preferably in a semi-reclining position. Loosen tight clothing around the neck and waist. Keep him warm and reassure him, since fear of the unknown can cause anxiety and more damage.

If he is unconscious or having trouble breathing, give him artificial respiration - immediately. To give mouth-to-mouth artificial respiration you must first make sure that his airway is opened. In order to open it, lift the neck and press on the person's forehead so that the head is tilted backwards and the chin is pointed almost

vertically upwards. Pinch the nostrils and at the same time keep pressure on the forehead with one hand to keep the airway open. Take a breath, open your mouth wide and place it over the person's mouth, making a tight seal. Quickly blow a full breath into the person's lungs and watch for the chest to rise. If it doesn't, air is

not getting through. Something may be blocking the airway or else you haven't tilted the head back far enough. After each inflation of the person's lungs, raise your mouth away from the face to allow air to escape and repeat this every five seconds, watching for the chest to fall each time.

Lots to see at Museum in June

Visitors to Edmonton in June will have plenty of new and interesting exhibits to see organized by Alberta Culture at the Provincial Museum.

Art of the First Australians is a fascinating glimpse into the complex world of the Australian Aborigine as seen through their carvings and paintings. It is the only time in Canada that this exhibit will be on view. The show runs until August 13.

Ride On! is an exhibit of antique bicycles on until July 21. Illustrated panels tell the story of the development of the bicycle from the veloci-

pede to the racing bikes of today. Several old bikes are on display.

June 24 Legacy opens - a fabulous display of west coast Indian art. The show includes exquisite masks, carvings, baskets and jewellery in silver and gold. The collection represents traditional designs and stories from several British Columbia Indian groups.

On weekends, there are always movies, craft demonstrations and live performances.

The Museum is open 9 a.m. to 9 p.m. daily and admission is free.

Rope artistry is part of ranching and rodeos - everyone likes it but the calf!

Spruce Grove dumps Saints in Midget baseball

The St. Albert Willowbrook Saints' hopes of catching first place Barrhead in Northwest League went down the drain Monday night, as visiting Spruce Grove drubbed them 5 - 1 at Mission diamond.

The Groves ace right-hander Beverlein picked an opportune time to fire a neat three hitter at the locals, who showed signs of a weeks lay-off which hurt them at the plate.

The visitors got to Saints starting pitcher Byron Bailey in the third for three runs after Bailey breezed through the first two innings. Tim Shipanoff had little trouble putting the "fire out," but ran into control problems in the fifth. Hard throwing Brad Hand attempted to bail Shipanoff out of trouble, but couldn't find the range. After two more runs crossed the plate, Shipanoff returned, but the damage had been done.

Hand's single in the second was the only hit the Saints could come up with until Shipanoff smashed one well up on the seven hills for a triple in the fifth.

Lorne Jacobsen opened the sixth with a walk, and moved to second on a ground out. Brent Galbraith singled to drive in the Saints run, but was cut down trying to stretch it into a double. The Willowbrook boys made things interesting by loading the bases when Hand was hit with a pitch. Rob Tooth reached base on an error, and Trevor Hildebrand drew a base on balls. Shipanoff's long fly ball to right ended the inning.

The Saints travel to Barrhead Friday with the hopes of handing the league leaders their first set back of the season. However, it will take a much improved performance over Monday night.

With league playoffs less

than two weeks away, haven't much time to get their crew into "high gear."

The final score was Spruce Grove 5, the Saints 1.

Hercules girls softball tournament successful

Last Saturday and Sunday the St. Albert Hercules Sports Association hosted a bantam girls softball tournament. The tournament provided some very close competition and fans enjoyed watching some of the best bantam teams in the area.

Lauderdale Community, Edmonton came out as

champions in some very exciting games. They started off Saturday morning with a victory over St. Albert RCM Sports B team. Next they met the St. Albert BACM Panthers and came from behind in the seventh inning to win 14 - 13.

Sunday morning they advanced to the finals with

another close victory against Sherwood Park winning again by one run. In the final game they met Sherwood Park again and after a very tight game won 7 - 5.

Sherwood Park the second place team had victories against Ardrossan and Drayton Valley.

The St. Albert BACM Panthers had some good

games and the coaches are very proud of their efforts. In their first game they came from behind to beat McQueen Edmonton 12 - 11. Ange Riddell hit a homerun for the Panthers and Mary-Kay Messier a triple.

In their second game they lost to Lauderdale 14 - 13. Home runs were hit by Ange Riddell, Mona Welch and Trish McNamara.

In their final game the Panthers lost to Ardrossan 14 - 8. Ange Riddell hit her third home run of the day and Mary-Kay Messier also hit a home run.

Fine performances were given by Lorna Cockwill, Shelley Evaniew, Jody Gaborie, Renee Kowalchuk, Wendy Kowalchuk, Claudette Laroque, Cathy Lavoy, Trish McNamara, Mary-Kay Messier, Sherry Norum, Ange Riddell, Judy Tworek and Mona Welch.

The Panther team will be busy for the next three weekends with tournaments in St. Albert, Sherwood Park and the Provincial Bantam "A" Girls playdowns.

The St. Albert RMC Sport B team, while losing their first two games, showed

excellent spirit and played extremely well. This team was made up of players chosen from the St. Albert Hercules Sports Association House League.

The team had only played together for two weeks and is to be commended for its effort.

Team members are Shelley McLaughlin, Chris Powers, Cathy Knight, Dianne Dunnall, Sandra Cockwill, Bonnie Dariduk, Shauna Cooper, Tammy McKenzie, Adele Oulette, Shannon Morgan, Mary Joyal and Sandra Dolinsky.

Chiefs take over top spot in Sturgeon Men's Fastball

Calahoo Chiefs behind the 13 strike-out pitching performance of Art Stevenson hammered the St. Albert Territorial Juniors 9 - 1 Monday night in St. Albert. The win moved them into first place in the 14-team Sturgeon Valley Men's Fastball League.

Spruce Grove KC's dropped a 5-3 decision to Stony Plain Kings and dropped into second place as a result. The win for the Kings moved them into a three-way tie with the Stony Plain Playboys and Devon Stingers.

Playboys edged LBH Builders 4 - 3 and Devon shut out Onoway Royals 13 - 0. St. Albert A's had no trouble with the Tee Pee Crawlers from Alexander as they won

easily by a 13 - 1 score.

The league appears to be more competitive this season. Every team in the league has at least one loss whereas at this point last season there were three teams undefeated.

Only 10 points separate first place from 10th and the schedule is less than half over.

Enoch Tomahawks are the only team without a win.

In tournament action this past weekend, three teams from the league all played well and came home with a total of \$1650 in prize money.

Stony Plain Playboys were the big winners as they won the Century 21 tournament held in Edmonton and took home \$1,000.00.

Calahoo Chiefs won \$400 for finishing second in the Please Turn to Page 48

Sturgeon girls fastball playoffs this weekend

The Sturgeon Minor Girl's Fastball playoffs will be played this weekend with all four divisions seeing action in a double knockout tournament.

St. Albert will host the playoffs for the 18 and under group as well as the 14 and under.

Villeneuve will host the other two age groups - the 12 and under and 10 and under.

All first round games will start Friday night at 7 p.m. with the exception of the 10 and under which will start Saturday morning at 9 a.m.

The semi-finals and finals will be played on Sunday.

Junior tennis tournament this weekend

There will be a Junior Tennis Tournament this Saturday at the Mission courts. Boys and girls under the age of 18 are encouraged to attend. Just show up at 9 a.m. with your racquet.

City - Gazette Sponsoring Fun Run

The first Annual City-Gazette 'Fun Run' will take place Saturday, June 24.

The route will cover approximately two miles in the new Braeside subdivision with a starting point and finishing point at Sir Alexander Mackenzie School. It will not be a competitive race but a chance for families to get out and exercise together. In future, 'Fun Runs,' categories may be added to allow competition for those who prefer it.

All participants who complete the run will receive souvenir T-shirts to mark the occasion.

Further details including registration time and a map of the route will appear in the Sports section of next week's Gazette.

See you at the starting line.

Yerrrrrr out !

Sherwood Park's pitcher Laurie Cameron didn't quite make it on time to first base and the first base umpire threw up the out signal. The Lauderdale team won the final game 7 - 5 in bantam tournament play.

UP AND OVER

Mark Laskin (20) of Edmonton brings his horse Northern Dritter over the fence in the Northlands horse show last Friday. Mark finished second in the Grand Prix event. Bo Mearns atop The Flying Nun won the open event on a coin toss between four riders.

Photo by Al Popil

Royals undefeated in NCABL play

Rochester Royals are the only team without a loss in the 10-team North Central Alberta Baseball League with a record of six wins and a tie in seven starts.

Alexander Braves are on the other end of the standings as they have played six games without a win.

Barrhead Broncos hold down second place with five wins in seven games while Waskatenau Chiefs and Westlock Red Lions are tied for third place with identical records of four wins and two losses.

Westlock Astros and Vimy Blues also have the same record with three wins and the same amount of losses although each club has a tie.

Bon Accord Tigers are three and three and a slumping Morinville Manufacturer squad has only a win and a tie in six starts.

Legal Pontiacs have only one win in six games and are only two points ahead of the last place Braves.

Last Wednesday's action saw Barrhead beat the Tigers 11 - 3, Rochester thumped the Pontiacs 19 - 1, Astros took Alexander 4 - 0, Westlock Red Lions outscored Morinville 13 - 10 and Waskatenau shaded the Vimy Blues 7 - 5.

Tournament action is about to start and the league's sanctioned tournaments that

will be played are as follows:

June 10 - 11: Vimy Invitational Tournament.

June 17 - 18: Harvey J. Doherty Tournament, Westlock R.L.

June 24 - 25: Frontier Daze Tournament, Morinville.

July 1 - 2: Westlock Invitational Tournament, Westlock A.

July 8 - 9: Bon Accord Invitational Bon Accord Tournament.

July 15 - 16: Waskatenau Invitational Tournament

July 22 - 23: Barrhead Invitational Tournament

July 29 - 30: Fete au Village Tournament.

August 5 - 6: Rochester Invitational Tournament

City bails out lacrosse club

St. Albert's greatly improved lacrosse teams were rescued from a serious problem this past week by Director of Recreation Services, Bob Sauer.

Driven out of the Perron Street Arena last Monday by a rainstorm, then faced with eviction from the Arena by the forthcoming Kinsmen gymkhana, local lacrosse clubs had been faced with a serious blow to their short schedules. However, the city came up with the perfect solution: convert the new Akinsdale Arena to a lacrosse box. This was done, and both local clubs hosted games there this Monday.

The peewee club has shown great improvement, winning its second game last Wednesday 8 - 2 against Greenfield of Edmonton. The bantams, that same evening, put up stiff opposition against the strong West Edmonton team.

Down 1 - 0 after one period, however, they came up against a rather brutal demonstration of intimidation

lacrosse later in the game. The final score of 6 - 1 belied the evenness of the game. West Edmonton received two penalties for fighting, a rarity in minor lacrosse. Mike Kennedy scored St. Albert's goal.

Monday night, after opening up a 1 - 0 lead against West Edmonton, the St. Albert peewees faded to a 5-2 loss.

The Bantam Toros, however, opened their debut in the Akinsdale Arena by tying Aspen Gardens 3-3. Leading 1-0 after the first, and tied 2-2 after the second, Toros had to come from behind in the final frame to notch the tie. Erin Oor with all three St. Albert goals and Chris Lane in the nets had outstanding games. Lane, Rob Piercy, and Tony Baller picked up assists.

The St. Albert Minor Lacrosse Association held a successful bottle drive on the weekend and, thanks to the generosity of local residents, brought its budget back into the black.

Chiefs

Webb Expos split doubleheader at Barrhead

Webb Expos of the mosquito division in St. Albert Minor Baseball journeyed to Barrhead over the weekend and split a doubleheader with the Barrhead Dougherty's.

The Expos got off to a shaky start in the first game with loose fielding and allowing a number of walks early in the game.

In spite of Darryl LaBuick's grand slam homer in the second inning, some inspiring base running by Kevin Welch, and some excellent long throws from third by Pat Wheatley to Matt Pesklewis at first, the game was won by Barrhead 19 - 10.

Brad Baird and Joel Borle handled the pitching chores for the Expos in the first game.

The second game was a much closer contest. A homer by Darryl LaBuick, a triple by Mark Sanche and some superb fielding by David Ross and Bryce Matoga kept the Expos within one run when they came up for their last bat.

Bryce Matoga singled, Rob Lacoursiere sacrificed him to second, Mark Sanche singled in Matoga to tie the game at 14 - 14. Sanche then stole second and third while Steve Fouquette struck out. LaBuick then rapped a sharp single to left field driving in

Sanche to make the final score 15 - 14 for the Expos.

much to the delight of the partisan St. Albert moms and

dads.

Sanche and LaBuick pitched

the second game for the Expos.

Women's field hockey news

In a hard fought battle the St. Albert Women's field hockey team tied their second summer league game with the Ptarmigans.

It was a wide open, well played game with St. Albert having the upper hand in the second half. However, they were unable to put the ball in the net. The St. Albert lone goal was scored by Louise Darvill.

St. Albert's next game is tonight at 7 p.m. on the field at Gatewood Park, just off Gatewood Avenue. Their opponent will be the Bonnie Doon team.

Please St. Albert we need your support, so come on out and cheer your team on.

She Scores!

Laurie Darvill (right) puts the ball through the poles as Edmonton Ptarmigans goalie Cathy Dunn was out of position. Laurie's goal early in the second half gained a tie with the visiting Edmonton club who found the St. Albert team overwhelming in the second.

Tigers still undefeated in AMBL

Edmonton Tigers won two more games over the weekend to remain undefeated in eight games although they do have a tie.

Tigers did it the hard way in both games as they came from behind to win 11 - 9 over the Blue Jays Saturday night and then scored seven runs in the sixth inning Sunday to take a come-from-behind 10 - 7 win over Lac La Biche Dodgers.

Stony Plain Dusters won their first game of the year with a 8 - 7 win over Barrhead.

Tigers next home game will be tonight when the Dusters from Stony Plain will be the visitors.

HOME SCHEDULE

June 21 Tigers vs Barrhead; June 22 - Tigers vs Red Deer; July 2 - Tigers vs **Barrhead; July 5 - Tigers vs Red Deer; July 7 - Tigers vs Red Deer; July 8 - Tigers vs Lac La Biche.

(**denotes double header)
July 21, 22 and 23 - 3rd annual Edmonton Tigers International Baseball Tournament.

AWAY SCHEDULE

June 20 - at Red Deer;

June 27 - at Barrhead; June 28 - at Red Deer; June 29 - at Lac La Biche; July 1 - at Stony Plain; July 4 - at Lac La Biche; July 6 - at Barrhead; July 9 - at Stony Plain; July 11 - at Lac La Biche; July 13 - at Stony Plain.

Neil's Trailer Kings 2nd baseman, Miles Spencer, makes the long stretch to glove the ball before Big M Burger Boys, Mike Weise reached the bag. The Kings won the game Sunday 28 - 5 but lost earlier in the week 5 - 1 to the same club.

SAMBA - Bat Time Stories

as told by Uncle Rick

The best way to start out, we suppose, is to say - "we have both GOOD news and BAD news" to offer this week. The good news is the fact that quite a goodly number of games were played in spite of "ye olde weatherperson" ... and the MOST successful dance of last Friday night ... more on that later ... join us as we take a short look at some long baseball scores ...

MOSQUITO B DIVISION IS TIGHT

As mosquito chief, Bert LaBuick, put it, "This here B division is tighter than a tick" ... and it is. For example, the Graham Realty Giants slapped the Gazette Cards Wednesday 12 - 8 and then, last Monday were chopped 10 - 4 by those Sturgeon Meat Merchants ... the league's surprise team, behind the stellar pitching of Darryl LaBuick.

The Meat Marketeers crumbled the Belmont Credit Union Bombers into file 13 by an unbelievable 41 - 10 score. These are the same Meat Cutters who couldn't win a game during the month of May and part of June.

The Credit Union Bombers of Belmont managed to drop a 25 - 7 pound bomb on the Gazette Cards who are having some difficulty in B division play.

SEAL'S UNTOUCHED IN MOSQUITO A DIVISION

Undefeated and untied, the Safeway Seals remain in first place even though they were only able to complete one game this past week ... a 24 - 11 whiplashing of the Buxton Eager Beavers. This happened on June 6. The June 8 tangle with Melton's was washed away.

Melton's managed to mangle the Red Roosters of Lacombe Park 14 - 10 for their only win of the week. Chuck Jones and his L.P. Red Roosters returned to the henhouse with an overtime extra-inning victory over Buxton's Beavers last Monday. The 14 - 12 win was brought about by the extra base hitting of Mark Johnson's home run and Kerry Babichuk's three-bagger for the Roosters.

ANGELS LEAD CUTIN BEAVER DIVISION ACTION

Vic Hogan's Sportshop

Cubs turned into "grizzley's" in their last three outings. Lefty Kent Teckenik bested the league leading Springer Angels last Tuesday 11 - 9 ... Kevin Schoults took time off from the Cubs hitting corps to gain a 16 - 5 decision over the Nu-West Homers in the first game of a doubleheader. The nightcap was a big win for Brent Sedgewick who went the next four innings as the Cubs coasted to a 17 - 1 thumping. Nu-West's Homers were the victims of another tough

loss in a makeup fray dating back to May 15. This time the Crown Well Drilling Roughnecks used Wade Carroll on the mound for a 37 - 12 gusher. Carroll aided and abetted the game with a large circuit clout ... as did Ernie Chartrand of the Roughies.

What else is new in the Beaver division? A big surprise, that's what! Coach Arnold Walter's Sod Busters broke ground with a 12 - 9 first-of-the-season triumph over Neil's Trailer Kings on

Wednesday. Casey Wheatley notched the Sturgeon Valley Sodders great comeback.

In a double-get-together Monday, the Trailer gang upset the Springer first place Angels 4 - 3 as Dean Williams took full credit for the win. Don Carlson returned the favor for the Angels spinning a 7 - 1 crowning of the Kings in the second tiff.

Jack Heidt held the Angel's coaching reins in place of the absent Don Magdalinski ... good job, Jack!

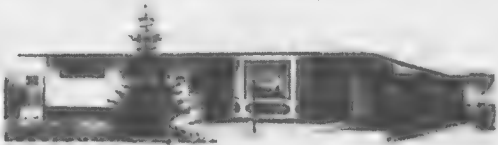

BANTAM DIVISION IS UNPREDICTABLE

Neil's Trailer Kings were the hardest working baseball contingent in all of the bantam division. They played a total of four contests during the past seven days or so.

It all began last Tuesday when Bob Lewis' Big M Burgermen grilled the Kings 5-1. Terry Yost was the winning flinger as Greg Reiniger and big Daryl Please Turn to Page 56

"WIFE PLEASER"

There are 1467 sq. ft. of gracious living in this neat as a pin bungalow on one of St. Albert's most distinctive crescents. Some conveniences are electric door opener on the double attached garage, sunken living and family rooms, with fireplace and patio doors, built-in dishwasher, and shower off the master bedroom, to name a few. Also this home has the best loan arrangements we have seen on a fine home like this. For details call Stan Lindsay 458-2800 or 458-0251.

Extra quality throughout in this custom built 4 bedroom bungalow. The many extra's include a fully developed basement with extra bedroom, 3 pce. bath and rumpus room, garage. September 1 possession. For more details call Fran Harkness 458-2800 or 459-8172.

Immaculate 3 bedroom bungalow featuring large master bedroom, open fireplace in living room. Double garage, situated on large lot, quiet crescent location. To view call Bonnie Alpaugh 458-9534 or Janet Goutiere 458-9266 or Bus: 458-2800.

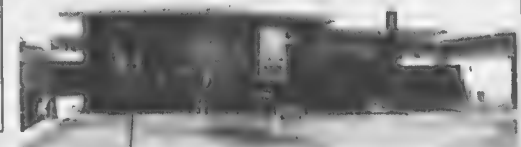

OPEN HOUSE -- 33 LEON PLACE SUNDAY, JUNE 18 -- 2 - 5 P.M.

Attractive 3 bedroom bungalow in Lacombe Park. English Pub style rumpus room, nicely landscaped, large double garage. In attendance will be Bonnie Alpaugh 458-9534 and Janet Goutiere 458-9266 or call 458-2800.

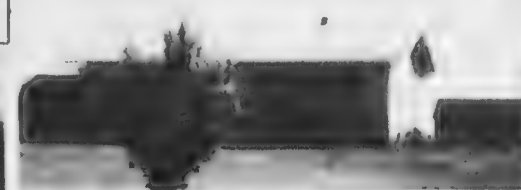

THIS WEEK'S SPECIAL

5 year old, 1200 sq. ft. bungalow. 3 and 4 pce. baths, 2 rooms finished in basement. Crescent location, need quick sale. Priced at \$71,900. For viewing call Fran Harkness 458-2800 or 459-8172.

Located on a quiet crescent this 1362 sq. ft. bungalow is waiting for you. Enjoy those summer barbecues in the spacious backyard. As for the kids, they are 2 blocks away from school and play area. Make the first step to better living. Call Gary Braun 458-2800 or 458-3387.

A developers bright idea has come true in this new dimension in country living. You get country living at its best right on the cities doorstep. A variety of one acre parcels with a panoramic view of the beautiful Sturgeon Valley. There is street lighting, underground power, water, natural gas and phone. Call Mike Yakiwchuk 458-2800 or 464-6930 for details.

HOBBY FARM - 80 ACRES

Close to the city, 1120 sq. ft. 3 bedroom bungalow, large farm kitchen, double garage, machine shed, barn and many other buildings, 2 wells, lots of room for country "liv-in" fenced and landscaped. Nothing left to do but enjoy it. Make the first step to better living, call us now. Marg Johnson 458-2800 or 458-5831, or Mike Yakiwchuk 458-2800 or 464-6930.

Willowbrook Rangers on streak

St. Albert's entry in the North East Edmonton Mid-get Soccer League seems to be taking Coach Dieter Knobloch's advice to heart. Last week Dieter told the Gazette his team was lacking anticipation and was often behind the play as a result.

Well this week the Rangers took charge on the field and came away with wins over Oliver and Eastwood.

The Oliver game was all St. Albert as they really outplayed an opponent for the first time this year. A little finesse around the net and the score could have been 6-0 in the first half. As it was the Rangers came out on top 2-1.

The Eastwood team arrived to play the Rangers on the Sir George Simpson pitch with only nine players.

St. Albert took advantage and controlled the field for the first half but only managed to score once. In the second half Eastwood came on strong and went ahead 2-1 before the Rangers put things together again.

Darren Jourassa scored the winner with about 10 minutes to play. The Rangers won 3-2.

St. Albert visited Kilkenny

Monday night but no score was available at press time.

Tonight they have a bye and the players will be taking in the Black Gold game at Clarke Stadium where they will serve as ball boys.

Their final home game will be Monday against Montrose after which they advance to the Consolation Cup, a play-off to determine the second best team in the league.

The top team in the league (likely Crestwood) will play a go-round with other zone

champions to determine a city champ.

Bantam Soccer

Pellets coasting to league title

The Pellets have yet to see defeat in the spring round in

Hercules House League Bantam Soccer.

Last week they won a make-up game against the Arrows 3-2 and shut out two opponents in regular league action.

Tuesday they downed the Cannons 2-0 and Thursday they bombed the Bombers by a 5-0 score. Haliback Shawn Ryan of the Pellets is Player-of-the-Week for his hard work and hustle chasing the ball and disrupting the opposing teams offense.

The Bullets and the Bombers also played a make-up match last week with the Bullets coming out on top 4-3. The Bullets then proceeded to drop two regularly scheduled games 2-1 to the Arrows and 6-2 to the Rockets.

Rockets lost their other game that week 7-0 to the Bombers.

The Arrows - Cannons match-up Thursday was cancelled because of school camp.

Foul tip

Steve Lister of the St. Albert Juniors fouled this pitch over the head of Calahoo catcher, Don Pompana in Sturgeon Men's Fastball League action Monday. Calahoo won the game 9 - 1.

Photo by Richard Mowry.

Blue Jays sign high school slugger as first draft pick

The Toronto Blue Jays named 18 year old Lloyd Moseby, an 18 year old outfielder first baseman from Oakland, California, as their first pick in the annual free agent draft of U.S. amateur ballplayers. The Jays had the number two selection in the entire three-day selections, following that of the Atlanta

Braves, who selected Bob Horner, a second baseman from Arizona State University.

Shortly after making the announcement of their selection, the Blue Jays signed the 6-3, 200 pound slugger, who is considered by many scouts and knowledgeable baseball people to be the

premier high school hitting prospect in the United States. He will play for the Blue Jays' new Pioneer League farm club at Medicine Hat, Alberta, whose season begins on June 23.

Moseby, a left handed hitter, has excellent speed and power, according to Blue Jays' senior scouting supervisors Al LaMacchia and Bobby Mattick. Mattick reflected the Jays' enthusiasm over the signing with the comment that "Lloyd should develop into not just a good major league player, but a really outstanding one."

The youngster, who was in Toronto with his parents, is also the first player selected for the third and fourth of the Blue Jays' four farm clubs which are in operation this season. Last year, the Jays had only one farm team, at Utica, New York of the Class A New York - Penn League, and drafted 26th in the regular phase of the June draft, the larger of the two annual sessions at which major league teams select negotiation rights to the large crop of U.S. high school, college, and junior college athletes eligible to sign professional contracts.

Hockey Coaches Wanted

St. Albert's eight representative hockey teams need hockey coaches for the 1978-79 hockey season.

Interested? Phone Doug McConachie at 458-0907 or submit resume listing qualifications to Doug McConachie, Chairman Coaches Selection Committee, 11 Falcon Cr., St. Albert, T8N 1T9.

Application deadline July 15.

Canadian hockey protection best

"Canada leads the way in hockey face protection," according to Dr. Tom Pashby, a Toronto Ophthalmologist and chairman of the Canadian Standards Association's (CSA) committee on eye protection standards. Dr. Pashby recently spoke at the first International Ice Hockey Doctor's Conference in Prague, Czechoslovakia where he told a group of hockey doctors, representing a dozen countries, that blindness to amateur hockey players has decreased by 75 percent because of increasing use of face protectors and stricter rules on high sticking. Most Canadian amateur hockey associations have made the wearing of face masks mandatory and CSA has tested and certified several models of eye and teeth protectors.

"In Sweden, where the wearing of face protectors is not compulsory, they have had twice as many eye injuries per capita as we did last year," explains Dr. Pashby. "Fifty percent of all their injuries were to the head and neck and most of these could have been prevented if face protectors had been used."

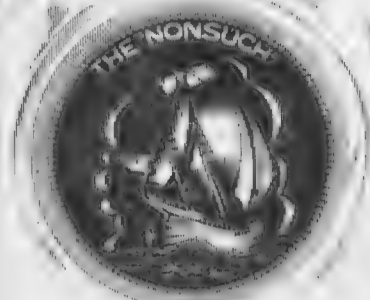

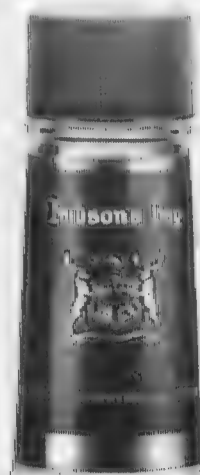

He feels that Sweden and Czechoslovakia will be the next countries to make the wearing of face protectors mandatory next season for players up to and including 16 years of age. Dr. Pashby, who first became interested in hockey eye protection 26 years ago after a patient, Herb Dickenson of the New York Rangers, suffered a blinding eye injury, says the next step in protection is to create standards covering goaltender's masks.

"We, in Canada, can definitely lead the way in developing standards for hockey equipment," says Dr. Pashby. "I hope our CSA committee will be able to complete a standard for full face protectors that will be adequate for goaltenders by this summer. Rather than writing a new standard, we will update the present one so that it is suitable for goaltenders and covers the whole face as well as the eyes and teeth."

Dr. Pashby would also like standardized hockey rules and recommends that the Canadian Amateur Hockey Association's (CAHA) high sticking rule be adopted internationally. He attributes the CAHA "ban on high sticking" as a major factor in reducing eye injuries. A worldwide standard is also needed for the size of hockey stick blades so that they will not be able to penetrate the masks according to Dr. Pashby.

"We must be careful that the equipment, meant to protect the players, doesn't become hazardous. For instance, the Germans had a problem with a certain type of elbow pads that caused two facial fractures. Parents should also realize, that protective equipment wears out and must be replaced. Also, this equipment must fit properly in order to do the job it is supposed to do," explains Dr. Pashby.

The "Sturgeon Swingers" and Podersky Interclub competitions.

NEW HOMES!
Bi-level, bungalow, or split-level, take your choice of these brand new homes in St. Albert. Oak cabinets in the kitchen, basements are drywalled and have double plumbing roughed-in and you can choose your flooring in most of them. Priced from \$69,500. For more information call Lorne Strumek! 474-3989 or 459-7786.

"Sturgeon Swingers"

It was a fine showing for the ladies who have participated in these competitions.

The two business girls competing in the Capilano Appliance competition are making a fine showing. Finals in this competition go Sunday, June 25.

Twelve members played in the Daisy Tournament at the Windermere Golf and Country Club Tuesday, June 6. Jess Niblett's team placed fourth. She won a pair of golf shoes. Jess came within 16" of a hole-in-one. She received a \$50 voucher for her accuracy.

Betty Fehr's team placed fifth. She won a dozen golf balls. Betty also won a \$50 voucher on a draw. Congratulations Jess and Betty. By all reports a good time was enjoyed by all 232 women competing.

Tee-off time for the annual "Geritol" tournament is 4 p.m., Saturday, June 17. Seniors sign up for a fun time.

Several members are competing in the City Tournament at the Belvedere Club

this week. Results will be reported in next week's Gazette.

Until next time; place carts and bags behind the green when putting!

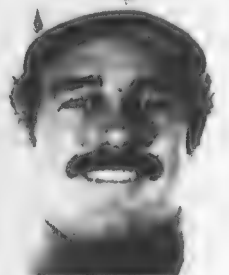

Bosetti takes award

Rick Bosetti, the Blue Jays' exciting new centre-fielder, easily outdistanced the rest of the field in the voting for the second Labatts Player of the Month Award of the season. The 24 year old rookie, whose key hits

and spectacular catches are becoming commonplace, set a new point record in the monthly voting by accumulating 71 points, 25 more than runners-up Rico Carty and John Mayberry, tied with 46.

Bosetti his .297 for the month and had 18 RBIs, extremely high for a leadoff hitter. He had a succession of game breaking hits -- including three in a row against the powerful Boston Red Sox and New York Yankees -- and made numerous exciting catches.

Bosetti's point total was 19 more than Roy Howell accumulated in winning the April trophy, and the 25 point margin over sluggers Mayberry and Carty indicates just how effective and important the rookie's contributions were. He received votes in 15 games.

RICK BOSETTI

Carty and Mayberry provided stiff competition for Bosetti, wielding hot bats all month. Carty hit .417 for the month, but only a pulled right hamstring muscle on May 19 prevented him from adding to his point total. Mayberry took over the club lead in homers and RBIs in May, hitting five homers in one week from the 20th through 26th.

Rick will receive the Labatts Player of the Month trophy and a cheque for \$250. He has donated a cheque for the same amount to the Big Brothers of Metro Toronto. John and Rico will share the \$50 runner-up prize.

NameLadies League

Address

Ph: Home Bus: Age if Student

CUT HERE CUT HERE CUT HERE
CLASS INFORMATION:

Classes are limited to 12 per class so register early. Balls supplied, players must provide own racquets and running shoes. Classes are postponed only in case of rain or wet courts (not cold or wind).

REGISTER BY MAIL:

Check class selected and mail completed registration form along with fee to City Hall, Grandin and Churchill Ave., St. Albert, Alberta, T8N 0G2. (Make cheques payable to the City of St. Albert). Proceed to class unless notified otherwise.

LADIES LEAGUE - \$10 (Commencing July 5, ending July 28)

Monday and Wednesday -- 1 - 2:30 p.m. (M)

This is intended for players who are beyond the beginners level. There will be eight sessions. The first two sessions will be singles round robins to categorize the players in order to set up the teams. This will be followed by six league nights in which each player will play one singles and two doubles. The league is limited to 12 players so register early on the above form.

EQUIPMENT:

1. Balls: When buying balls for your own use remember that cheap balls lose their bounce very quickly.
2. Racquets: Anything less than \$8 - \$10 is probably a poor investment. Young (under 13) or weaker juniors should have a Junior racquet (lighter and smaller grip). Ladies should generally have a smaller grip size and lighter racquet.

What the judges look for in rodeo's five exciting events

To fully appreciate rodeo, judges are looking for. Rodeo has five standard events if it is sanctioned by the Professional Rodeo Cow-

boys Association or the Canadian Rodeo Cowboys Association. The standard events include three bucking or "rough-stock" events and two timed events.

Bareback bronc riding is usually the first event of a rodeo. Cowboys with strong arms and a keen sense of balance enter this one; riding with one hand holding a "riggin" which is a thick leather surcingle fitting over the horse's withers, and with a leather handhold attached. The horses are free to jump and kick and sometimes to spin. The cowboy tries to lean back and maintain a spurring rhythm along the animal's neck and shoulders, raking up and down with dull spurs.

Two cowboy judges score the bucking events. Positioned on each side of the arena, they watch to see how well the cowboy rides and how well the animal bucks. A good ride on a sorry horse wins little or no money, similarly a poor ride on a good bucking horse won't likely pay off either.

Saddle bronc riding re-Please Turn to Page 57

That's Using Your Head

Giancarlo De Sisti of Roma saved the day for the Italian squad in their rubber match against Edmonton Black Gold. De Sisti scored at the 57 minute mark on a pass from team-mate Roberto Scarnecchia to break even with the Gold at one goal apiece. Edmonton taking the lead at the 17th minute on a goal by Brian Hornsby almost took a 2 - 0 lead but Joe Poplawski's header in the second half just missed. The Gold play tonight against the Vancouver White Caps of the NASL who are currently first in the West Division of the National Conference.

SAMBA

Continued From Page 51
Carlson were ineffective in defeat.

Last Friday, the Trailer Kings rolled over the league leading Belmont Bronkos 7-5 in a makeup tussle and then completed the coup by giving the Big M a hard-to-believe 28-5 grease job. Ace Terry Yost took the loss this time while Daryl Carlson gained the victory in a Sunday makeup match.

Monday, was a "house" of a different colour ... as the Trailer Kings of Neil's were skrunched 21-9 by the last place Nu West Homers. Nu West got off to a big lead and were never threatened. Greg Reiniger, losing pitcher, told us "to forget the whole thing .. cause it'll never happen again" ... In this bantam division, you never can tell.

Blain Malanchen sent the Link Blue Jays back to their hardware closet 7-1 in

another not-so-close Monday encounter ... as Belmont's Bronks got back on the winning trail. Roy Malanchen's heavy sluggers, including son Blaine and Tom Fix moundsmen, made quick work of the Pennington Blasters Wednesday 19-6.

On the same evening, Gerry Gleason twirled Link Hardware to a 17-2 leasing of Nu West's Homers. And so it goes, in the totally unpredictable Bantam section ... the only division where all the teams WON'T play in the upcoming playoffs next week.

NORWEST MIDGET'S REVISE SCHEDULED AGAIN

"The rich get richer and the poor keep trying" ... is probably the wrong way of summing up the 1978 Northwest Midget League so far. Certainly, no one can say that the Barrhead County Kings haven't shown "what everybody expected them to show" so far. They com-

pleted a two-game sweep of the St. Albert Cardinals Wednesday with little difficulty (8-1) as Coach Lou Rondeau cleared the Barrhead bench twice over.

However, Coaches Rechlo and Balog were pleased with the mound duty of Chris Stewart and Doug Rechlo - both used in relief. Rechlo, especially, was effective in the two innings he saw duty setting the league leaders down with no hits and no runs.

Larry Schuchard, starting pitcher, was removed with a pulled neck muscle in the second stanza and received credit for the loss.

In a turn-about win Monday night, Spruce Grove came to Mission Park and went away with a surprise 5-1 upset over St. Albert's Willowbrook Saint aggregation. The Saints had spilled the Grovers 9-1 at Spruce Grove, May 23.

Secretary-treasurer Ben Tooth of the Norwest League told us that it was much regret the teams of Alexis

and Alexander were dropped from the league recently. Of the two, Alexis was the most competitive and showed in many ways they could hold their own among teams of the league.

Alexis was also hampered by the death of their first coach, Leo Letendre, three weeks ago. The managers of both squads indicated it was a hardship for either team to travel large distances.

Friday, the Saints will be at Barrhead ... the Cardinals will be at home to Spruce Grove with the game getting underway around 7 p.m.

TOURNAMENT TALK ...

Anymore of this "giving out the wrong date business" and we will certainly lose what little credibility we have left ... but it is OFFICIAL ... St. Albert's FIRST midget tournament will occur on July 15 and 16 (unless we tell you differently) and it really promises to be "a dandy". A meeting was set for last night

at the Grandin Clubhouse with Coaches Ben Tooth, Frank Galbraith, Art Rechlo to be in attendance ... more on that next week.

There was much disappointment when it was learned late Friday night that the Edmonton midget tournament had been cancelled until further notice. It's true, it rained heavily in Edmonton Friday ... and out of town teams were coming from all over Alberta so tourney organizers didn't want to take any chances.

Dennis Cockwill says the same thing held true at Warburg where the bantams were heading last weekend. Warburg had a deluge Saturday ... so no tourney. We sure did have some beautiful baseball weather Saturday and Sunday ... what a waste!

FROM THE BENCH ...

A delightful time was had by all who attended the SECOND annual baseball ball at the St. Albert Community Hall Friday night ... by the time we arrived the place was loaded ... with

people.

Irene Cherkas and Bev Matoga along with Elaine Balog were kinda worried on Thursday when only 180 tickets had been purchased ... but Friday was a different story as late sales came in ... in large amounts to assure the dance was a financial and social success.

The proceedings were enlivened somewhat by the appearance of an almost complete softball team from Nu West and LBH ...

SAMBA President Lorne Ross introduced various personalities from within his active executive and, of course, the highspot was the presenting to Lorne by SAMBA Auxiliary President Carol Baird a cheque for \$1,000 ... the unique gift was written on a brand new baseball, of all things! Yes, a good time was had by all ... right up until 2 a.m. It's probably just as well Saturday's tournaments were cancelled ...

As we said last year ... "Diamonds are a boy's best friend" especially around playoff time ... eh, Bert, Pat and Jim?

LaFleur captures Hart Award

GUY LAFLEUR [10]

DENIS POTVIN [5]

Rightwinger Guy LaFleur of the Stanley Cup Champion Montreal Canadians was named the Hart Memorial Trophy winner as the league's most valuable player. LaFleur also won the Art Ross Trophy for the third year in a row as the league's top scorer.

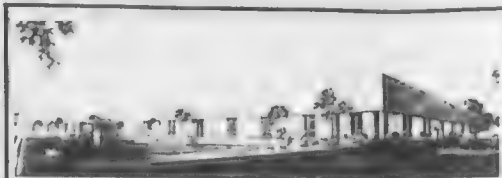

Bob Gainey, a team-mate of LaFleur's won the Frank J. Selke award as the league's Best Defensive player, an award which was put up for the first time this season.

New York Islanders had a pair of winners in the annual awards presentation with Mike Bossy winning the Calder Memorial Trophy as the top rookie of 1977/78 while defenseman Denis

Potvin took the James Norris Memorial Trophy as the league's top blueliner.

The Lady Byng Memorial Trophy for the best combination of good sportsmanship and playing ability went to Butch Goring of the Los Angeles Kings. Goring was a double winner as he had earlier won the Bill Masterton Memorial as the player who best exemplifies the qualities of perseverance sportsmanship and dedication to the game of hockey.

LaFleur received 143 points in the MVP voting while runner-up Bryan Trottier of the Islanders received 99. Leaf Captain Darrell Sittler was third with 67 points.

MR. BUSINESSMAN WHY RENT WHEN YOU CAN OWN

For less than the price of a single house lot you can buy your own piece of land in RIEL BUSINESS PARK in St. Albert and build your very own office, showroom, warehouse or light manufacturing premises.

Parcels are available from 60 ft. by 140 ft. and up to 5 acres.

Please call and let me show you how you can acquire an asset which will appreciate in value instead of paying rent.

Continued From Page 55

quires the use of a specially designed saddle approved by the Cowboys Association. The classic rodeo event, saddle bronc riding usually draws cowboys with a lot of experience in breaking colts or ranch work with salty mounts on cold mornings. Staying in the saddle requires more balance than brute strength. The rider holds on to a soft woven rein attached to the halter. The spurring motion is different, running from the neck to back of the saddle, and as in bareback riding, the cowboy loses points for getting out of shape, touching the animal with a free hand or bucking off before the time limit is reached.

Bull riding is usually the last event at rodeos. Many consider it the most exciting and dangerous of all sports events. Consider the odds ... one cowboy weighing about 150 pounds against one bull weighing sometimes close to a ton. The cowboy tries to ride the animal with one hand firmly attached to a rope around the bull just behind his shoulders.

Bull riding is scored much like the other riding events except the cowboy does not lose points by not spurring. Just hanging on to a bull for eight seconds is job enough. You'll notice that many bulls jump, kick and spin all at the same time. If a cowboy manages to stay pretty much in control and he draws a good enough bull, he'll win money.

The two timed events in rodeo are steer wrestling and calf roping. The object in both cases is to get the fastest time in order to win the event. Here the cowboys are mounted on fast, well trained Quarter horses. Man and horse work as a team in calf roping, the goal to rope a running calf which is then tied. The best at this event will sometimes perform the feat in less than 10 seconds.

Steer wrestling like bareback riding and bull riding, is an event invented strictly for rodeo. It has no actual ranch background. After all, no man in his right mind would jump off a perfectly good horse, running wide open and try to grab a running steer by the horns and twist him on his side. As with calf roping, the horse plays a big part in success or failure. They're fast Quarter horses, well trained and taught to stand quietly in the box until the steer is released.

The difference is the horse is taught to run up next to the steer, enabling the cowboy to make his jump, then pass off to the left dropping the contestant's feet in front of him and slightly angled. After that, it's up to the cowboy.

Watch the role the hazer plays in steer wrestling. He is the man on the other side of the steer who tries to keep the animal running straight, enabling the contestant to jump. If the hazer leaves the box to soon he can cause the steer to veer off to the left and ruin the cowboy's chances to mark a good time. In this event you have to pay attention as times sometimes run better than four seconds.

The luck of the draw plays a big role in rodeo events. A

cowboy doesn't get to pick his stock. Some animals are easier to ride than others, some steers easier to throw

or calves easier to tie. A man pays his money to enter, and take his chances in the arena. No one tells him which

rodeos to enter, he's his own boss. And he wouldn't want it any other way.

Airborn

Rob Tooth of St. Albert Saints (midget) takes flight to first base in a game with Spruce Grove. Spruce Grove won the Monday night affair 5 - 1.

Man overboard? What to do

Part of a continuing series on small boat safety by K Division, RCMP.

Should you fall overboard could you survive? The time to find out what you would do is now and not when the emergency happens. By thinking ahead you will be in a better position later to survive an immersion into water. The first item is a life jacket or personal flotation device. Always wear your life jacket. Should you fall overboard on a river, don't try to stand in the current. Float downstream feet first until you can make shore. This avoids hitting your head on rocks or wedging your feet between rocks. On a lake should you stay with the boat or swim to shore? This depends on circumstances such as water temperature. The boat will not sink, however, will it be seen? Hypothermia is the important factor here. Cold water quickly robs the body of heat causing death. It is often better to keep heavy clothes on in cold water to prevent heat loss. Should you fall overboard with heavy clothes do not panic. Even with hip waders on you will not sink provided you stay calm. Air is trapped in clothing which gives you buoyancy. Next time you are at a lake try this in the shallow water and practice staying afloat.

There are no easy answers on what to do in every case of immersion. It is strongly suggested however that you plan ahead before you go boating. Please contact your nearest Red Cross office for

details on the next water safety program in your area.

SUBSCRIBERS !!

The distribution of our newspaper is handled in three ways: on news-stands, through the mail, and by our team of carriers.

The vast majority of our readers prefer receiving the Gazette from our carriers, and it is their job to ensure that you get the Gazette as early as possible every Wednesday, whatever the weather.

Lately, the most difficult part of the carriers job has been collecting from customers. People, now are more on the go, and therefore more difficult to catch at home.

We shouldn't overlook the problems caused by holidays and moving. It is difficult to remember money owed to a carrier.

For greater convenience to all, we are hoping that our readers will take this opportunity to subscribe to the Gazette on a yearly basis.

You won't have to worry about having change on hand, or the carrier bothering you at inopportune moments. The carrier will save time working his or her route, therefore affording them more time with their friends, family and personal activities. The carrier will still receive full creditation for the delivery (.07c per paper delivered). If you are moving or taking holidays, just give us a call, and the necessary adjustments will be made(subscription extension, transfer, etc.).

If you move away, you can keep up on local news through the mail by having your paper follow you to your new address.

Simply fill in the coupon below and mail it to the Gazette, or drop by our office at 31 Perron Street.

Thank You
From all of us at the Gazette.

Cabinet to visit Morinville next Monday

First stop for the NW Cabinet Tour will be a 7:30 a.m. breakfast in Morinville, June 19 hosted by the town. The meeting is a public affair and people from the rural area of Sturgeon as well as from the Town of Morinville are cordially invited. Hon. Hugh Horner, deputy premier and minister of transportation, together with Hon. Bob Bogle, minister responsible for Native Affairs, Hon. Julian Koziak, minister of Education, Hon. Dick Johnston, minister of Municipal affairs and MLA Ernie Jamison will be in attendance.

HON. HUGH HORNER

The Provincial Government is most anxious to hear the concerns of the area and it is expected briefs will be presented from the Town of

Morinville, MD of Sturgeon, Thibeault and Sturgeon School Boards, Sturgeon Regional Recreation and a number from rural area residents on Secondary and Resource roads. The school district boundaries of Thibeault is of great concern to many rural area residents and a brief will be presented to Hon. Julian Koziak on this subject.

The two-day cabinet tour will take in about 30 centres in North-West Alberta with a wind-up dinner in Westlock at the Memorial Centre. Premier Peter Lougheed will be the guest speaker with all cabinet ministers and MLA's from the area in attendance.

All invited to Frontier Daze

By Marguerite Yacyshen

Everyone is invited to come out to Frontier Daze on June 24 and 25 and take part in any or all of the following events:

sponsored by OK Radio, Westlock and will be held at 1:30 p.m. on Saturday, June 24. Entrants will play in pairs and compete according to age categories with prizes

being given to the winners in each category. Registration forms will be available at the Morinville Savings and Credit Union.

Please Turn to Page 67

PARADE

Any entries for the Saturday morning parade may be made to Maria Blasius at 939-3257 (res.) or 452-5820 ext. 30 (bus.). Trophies, compliments of the Morinville RCMP Detachment, will be given to the winning floats in the following categories: best overall float, most original, and best theme presentation. The theme this year is "A Salute to the Commonwealth Games."

EGG CATCHING CONTEST

This event is again being

Gibbons Agri-fair is biggest in north-east

On June 16, 17 and 18 the town of Gibbons is holding their annual Agri-Fair. This year's theme is "Agri-culture - people-culture" denoting the importance of people and agriculture in the growth of the community. Every service group and organization have collaborated to make this the biggest, small town fair in the northeast.

The area in and around the

arena will be filled with commercial displays, a farm machinery exhibit, church group displays, and bake sales. There will also be a tea room, school displays, a large arts and crafts and baking contest display and much more. Games and challenges go on all weekend.

Some of the events planned. Please Turn to Page 62

... take a couple of greased porkers and some contestants and the run begins. The action took place during Redwater's carnival Saturday.

... While mom and dad played bingo at the Hedwater Carnival Saturday, Jay Pinchuk (1½ years old) decided it wasn't worth watching and caught up on a little sleep.

Cabinet breakfast in Legal

The village of Legal will be holding a breakfast for the Cabinet tour on Tuesday, June 20 hosted by Legal Lions Club. Tickets for the breakfast may be obtained from the Village office, Credit Union, Legal Motors or from any member of the Lions Club.

In attendance at Legal on Tuesday, June 20 will be Hon. Merv Leitch, Hon. Allan Warrack, Hon. Horst Schmid and MLA Ernie Jamison.

Legal and area residents are invited to attend the breakfast at 8 a.m. and the public meeting to follow at about 8:30 a.m.

Legal and area residents are invited to attend the

HON. MERV LEITCH

breakfast at 8 a.m. and the public meeting to follow at about 8:30 a.m.

Mayor Marcel Dube will chair the meeting and invites written or verbal submissions from the public. The Provincial Government is most anxious to hear the concerns of area residents and invites individuals, elected municipal people, school trustees, farm organizations, recreation boards, senior citizens, native groups and others to submit their concerns, written or verbal, to the meeting.

The two-day North-West Alberta cabinet tour will end up with a banquet in Westlock at the Memorial Centre. Premier Lougheed will be guest speaker and all ministers and MLA's will be in attendance.

Spruce View Manor, Gibbons, officially opens June 21, 1978

Spruce View Manor, a 44 bed senior citizens lodge at 539 - 49 Street in Gibbons, Alberta, will be officially opened June 21, 1978 at 2 p.m. Tom Chambers, minister of Housing and Public Works, announced recently, the general public is invited to attend.

Platform guests will include: Tom Chambers, minister of Housing and Public Works; Ernie Jamison, MLA in Alberta; Reg Austin, mayor of Gibbons; Dave Kassian, project manager, Alberta Housing Corporation; A. M. Holland, archi-

tect, Bittorf Holland Christianson Architects Ltd.; Arne Poulsen, general construction manager, Nu-West Development Corporation Ltd. There will also be a representative from Gibbons Ministerial Association and the residents of Spruce View Manor.

The Lodge is an Alberta Housing Corporation project and is managed by the Sturgeon Foundation.

Architectural design was created by Bittorf, Holland, Christianson Architects Ltd. of Edmonton.

Common amenities of the one-storey lodge include main and secondary lounges, laundry facilities and hobby and recreation areas.

Financing of the project is exclusively by Alberta Housing Corporation, Nu-West Development Corporation Ltd. built the lodge at a cost of \$949,900.

Following the official opening ceremony, guests are invited to tour the lodge and remain for refreshments.

Gibbons is located approximately 37 kilometers north of Edmonton.

Sturgeon Recreational News

CARDIFF PARK PUBLIC HEARING

On June 21 at 7:30 p.m. a public hearing will be held at the new Sturgeon Composite High School in Namao, to outline a proposed development plan for the Cardiff Reclamation Site, (where the MD Sanitary Landfill is located).

All Municipal District of Sturgeon Ratepayers are extended an invitation to attend this hearing and offer any input you may have with respect to the development proposal.

The following represent some of the items the Project could accommodate: an 18 hole golf course, canoeing and sailing, camping, picnicking, sports and athletic fields, tennis courts, day camp areas, swimming, fishing, and an equestrian area; to mention a few.

PROGRAMS FOR PEOPLE

The next issue of the Sturgeon Further Education Councils' "Programs for People" Tabloid will be distributed through the mail in mid June. This publication contains a listing of the various programs offered by the different agencies located in the Sturgeon area.

NEEDS ASSESSMENT

SURVEY

The Sturgeon Further Education Council will be conducting a Needs Assessment Survey during the summer months. This survey will examine the educational needs of adults and will also look at community needs and concerns. The results of the survey will be used to assist agencies in the planning of adult programs. If you are contacted, please support your local Further Education Council by participating in the survey.

GIBBONS NURSERY SCHOOL

On Wednesday, June 21, a pre-registration for the Gibbons Nursery School will be held in the Arts and Crafts Room at the School at 7:30 p.m. Children must be three years of age or older, as of September 1, 1978. Mothers must be present at the meeting to pre-register their child. For further information, please phone Mrs. Lorna Gorgichuk at 939-2422 or Mrs. Brenda Featherstone at 923-2256.

STURGEON REGIONAL RECREATION SUMMER CAMPS

Sturgeon Regional Recreation will offer three (3)

Summer Camps in August, for children 8 - 12 years of age: 1. August 7 - August 11; 2. August 14 - August 18. 3. August 21 - August 28.

The camps will be located at Sandy Lake Girl Guide Camp, and will offer a varied program of outdoor living skills, nature awareness, canoeing, swimming and nature crafts. For those who are interested, more information can be obtained by phoning Leslie at 939-4317.

PRE-SCHOOL NATURE AWARENESS PROGRAM

A mature awareness program for children, will be offered in July. Each session will be a half day in length. The dates are: July 14 at Sandy Lake, July 21 at Cardiff Park and July 28 at Nywening Estates (located near Bon Accord). Parents are encouraged to accompany their children. For further information, please phone 939-4317

SUMMER DAY CAMPS

This summer, three day camps for children ages 6 - 12 will be offered in July. Each camp will be three days in length, running from 10 a.m. - 4:30 p.m. Children will have the opportunity to learn outdoor living and camping skills. Nature awareness and

nature crafts will also be included in the program. These are an excellent opportunity for children who have never camped before. The dates are July 8, 9 and 12 at Sandy Lake; July 17, 18 and 19 at Cardiff Park and July 24, 25 and 26 at Nywening Estates near Bon Accord. Parents will be responsible for supplying their own transportation. For further information, phone 939-4317.

ADULT CANOE TRIPS

For those of you who enjoy canoeing, Sturgeon Regional Recreation is planning several canoe trips. The first will take place on July 8 and 9, down the North Saskatchewan River, from Drayton Valley to the Genesee Bridge. If interested, please phone 939-4317.

SUMMER PLAYGROUNDS

Once again, Sturgeon Regional Recreation in conjunction with the local communities, will be sponsoring a playground program for children ages 6 - 12. Playgrounds will be operating in the following areas:

Bon Accord - at the Community Centre;
Gibbons - at the School;
Legal - at the Recreation Centre;
Morinville - at the Frontier Daze Grounds;
Evergreen Mobile Home Park - at the Recreation Centre.

These playgrounds will be open from 10 a.m. to 12 noon and from 1 p.m. - 4 p.m., Monday thru Friday beginning July 6 and closing on August 25. All playgrounds will be closed on July 19, August 2 and August 16, so that leaders may attend training sessions.

Activities offered on the Playground will be similar to those of past years. At present we plan to offer a number of activities such as crafts, games, puppetry, music, drama and special events.

BLUE LAKE CENTRE SUMMER COURSES

The Blue Lake Centre will be offering a series of summer programs. Some of the courses that will be offered include Open Canoe, Canadian Canoe School, Basic Canoe Instructor, ARCA River Instructor, Whitewater Canoeing, Kayaking, Sailing, Backpacking and Wilderness Camping, Mountain Back packing, Wilderness Backpacking Leadership, Rock Climbing, Snow and Ice Climbing, Nature Crafts, Minimum Impact Camping, Wilderness Survival Skills, Nature Interpretation, Nature Photography, Orienteering, Archery and Fly-fishing. For further information phone 427-6565.

ALBERTA CULTURE - SERIES 3

Alberta Culture, through its sponsorship of craft workshops, hopes to encourage arts and crafts development at the community level. Each workshop will provide an opportunity for the participant to become aware of his or her creative ability. During the month of

July, a series of workshops will be held at the Olds College in Olds, Alberta. Some of the workshops that will be offered include: Foundation to Woodworking, Advanced Wheelthrowing, Ceramic Development, Advanced Floor Loom Weaving, Drawing Techniques, Landscape Painting - Watercolor, Sculpture Introduction, Glassblowing, Mono Printing, Silver Smithing, Wood Sculpture, Basic Wheelthrowing, Ceramic Sculpture, Introduction to Floor Loom Weaving, Landscape Painting - Oils and Acrylics, Painting with Oils, Sculpture - Carving, Silkscreen Printing, Stained Glass, Form and Design Ceramics, Spinning and Dyeing, Landscape Painting-Advanced, Painting with Acrylics, Sculpture - Mold Making, Animated Image, Basic Photography, Stained Glass - 3 Dimensional Forms, The Business of Being an Artist; Self Awareness for the Amateur Artist, Community Development - Visual Arts, Program Development - Visual Arts, Weaving - Primitive

Off Loom Techniques, Drawing Techniques; Portrait Painting, Sculpture - Construction, Photographic Vision and Quilting. For further information, please phone Alberta Culture at 427-2031.

RED BARN STAFF VOLUNTEER THEIR TIME

Following are the people who so graciously volunteered their time and services for the Sturgeon Senior Citizens 7th Annual Barbecue and Dance. Without the help of these people this event would not have been as successful. Everyone present had a great time. Thank to the following: Mary Kryskow, Sharon Almquist, Helen Cherdarchuk, Ann Meijer, David Woywitka, Joyce Woywitka, Elaine Woywitka, Sandy Budzinsky, Jean Clark, Stella Ferbey, Omelian Ferbey, Terrace Ferbey, Olga Ferbey, Jerry Stead, Vera Uchacz, Vivian Onushko, Evelyn Fraser, Scottie Graham, Diane Zacharuk, Isabelle Moore, Leonard Keith and Gertrude Schneider.

Gibbons Agri-fair is biggest in north east

Continued From Page 61
ned are a bingo on Friday night at 8 p.m. in the school; a free pancake breakfast from 8 - 10 a.m. and parade Saturday morning at 10:30 a.m., a club social all Saturday afternoon, as well as a 4H show. Also planned are a big steak barbecue at 5 - 7 p.m. Saturday and a dance with the Jamboree Boys Saturday night at 9 p.m. in the school gym.

Sunday there is a car rally starting at noon and there will be a gymkhana behind the arena. All afternoon will be devoted to children with

games, races and a treasure hunt as well as a pet show. At 5 p.m. there will be a free weiner roast and the evening ends with a variety night for local talent at 6:30 p.m.

All weekend, a soccer tournament (with 40 teams invited to join) is planned, as well as a ladies football tournament.

The CFCW gold Lincoln will be on display Sunday afternoon with free entry forms to win the same.

So bring your friends and join in the fun June 16, 17 and 18 in Gibbons. See you there.

PUT fuel & IN YOUR TANK profits IN YOUR POCKET

United Farmers of Alberta - owned by the farmers of this province - can save you money in many ways. Take the petroleum division.

First on your mind is, of course, quality. UFA agents provide top quality petroleum products, reflecting the latest technological advances. Rigid tests ensure that these products meet or exceed manufacturers' specifications.

And these agents are not high-pressure strangers. They are independent businessmen in your community, with a knowledge of you and your needs, the ability to help you plan intelligently for the future and the capacity to make available to you an information service which will keep you

advised of new developments in your industry.

Then there's costs. Despite rigid quality control UFA offers its products at competitive prices.

Further, UFA is a co-operative. That means that, by becoming a member, you not only have a voice in how the association runs its business, but you also share in its profits by way of patronage dividends, based on the amount of business you do with UFA. These dividends are not token. This year alone UFA distributed \$2,894,000 in patronage dividends to the farmers of Alberta.

That's why most Alberta farmers belong to UFA. If you're not one of them, contact your local agent.

Gail Fuhr shows champion at RQB

By Liz McLeod

Gail Fuhr showed the Grand Champion at the Riviere Qui Barre 4H Achievement Day held June 11 and Reserve Champion was awarded to Cindy Kaup, a first year member of the club. Runners-up were Anita Lischewski, Judy Kluthe and Karin Lischewski.

In the yearling heifer class of six heifers, first place went

to Danny Majeau and second to Dale McDonell. Five cows and calves were shown in the cow-calf class and Danny Majeau again placed first, with Gail Fuhr and Anita Lischewski as runners-up.

Anita Lischewski took first for showmanship with Karin Lischewski in second. The grooming prize was won by Gail Fuhr and second place was awarded to Dale McDonell.

Judge Ross Gould of the Provincial Department of Agriculture explained how he judged and complimented the 4H members on a job well done, adding that with such good stock he found his task difficult. Showmanship Judge Lois Schmidt of Westlock and grooming judge Allan McDonell of R.R. #1 St. Albert also commented on the show and all the judges had praise for the club's leader, Gordon Fuhr, and the young people for making the day a memorable one.

A large crowd enjoyed the show along with coffee and a chance to visit their neighbours. They wished the 4H members the best of luck when they go to Edmonton to the sale.

The RQB 4H Beef Club was organized last October and in addition to regular monthly meetings a number of projects have been carried out, one being the highway clean-up. For the 28 members preparing to show their steers was both a learning experience and a good time. The moment of truth comes with Achievement Day, bringing both joy and anxiety.

BABIES IN THE NEWS

Norman and Judy Bergstreiser of R.R. #1 Calahoo have a new son, Chad Erich, 7 lbs. 9 ozs., April 30, 1978 in Sturgeon General Hospital, St. Albert, a brother for Tracy. Mr. and Mrs. Herbert Bergstreiser from Edmonton and Mr. and Mrs. Jim Newman of Carrot River, Saskatchewan, are his proud grandparents, and the Newmans' came to see their grandson. Chad is fortunate to have great grandparents - Mr. Ed Newman and Mr. and Mrs. Frank Strogal - all from Carrot River, Saskatchewan.

Dale O'Brien of the Bon Accord district graduated from the University of Alberta at the 1978 Convocation with a Bachelor of Science degree in Geology.

Thank You

The mother, sisters and brother of the late Alan Majeau wish to extend their sincere thanks to the many friends and relatives for the many acts of kindness, floral tributes and masses during the loss of their loved one. Special thanks to Father Roche and the Choir, and to the ladies who so thoughtfully provided food at the house.

Bon Accord strikes mill rate

Budget estimates were discussed at a special meeting of Bon Accord village council held May 30. All estimates were tentatively approved as presented. An additional list of capital items was then put before council for their consideration. Only items of top priority were selected for inclusion in the current year's budget, namely - additional fire hose and fire fighting equipment and miscellaneous items for completion of the well site including grass seeding.

On receipt of the School Supplementary Requisition the budget was finalized and at a special meeting held June 5, Bylaw #109 was passed setting the 1978 mill rates as follows:

School Foundation (based on a Requisition of \$13,947 - 32.5 mills; School Supplementary (based on a Requisition of \$76,723) - 33.0 mills; Municipal - 45.5 mills. Total Residential is 78.5 mills and Total Commercial and Vacant Land is 111.0 mills. With respect to the Municipal Mill Rate of 45.5, debentures account for 28 mills or 13.3 mills net (after Government Assistance), Parks and Recreation - 6 mills.

TAX NOTICES

Tax notices will be mailed June 15 and all current taxes remaining unpaid after August 15 will be subject to a five percent penalty.

HOMEOWNER REFUND

Residents are advised that for the year 1978 the Provincial Government has increased the Property Education Tax Reduction and Homeowners Refund from \$100 to \$200. The Senior Citizens' Homeowner Refund (65 years and over in 1978) has been increased from \$200 to \$400. Senior Citizens Rental refund is now

\$250 per year.

CENSUS

New census figures are now available. As of June 1, 1978 the Village of Bon Accord recorded a population of 1,099, showing a 20% increase of the 1977 total of 916. The breakdown of this figure is as follows: Children - kindergarten and school age - 263; Children - pre-school - 188; New babies since last census - 32; Total

children - all ages - 483; Senior Citizens - 65 and over - 22; Others - 594.

Out of 379 persons who commute to work, 326 commute to Edmonton, 27 to Nampa and the remaining 26 persons commute to 10 different places in the surrounding area.

Council wishes to thank Mrs. Rose Kitzul, Census taker, and all village residents for their co-operation in providing the required statistical information.

Bon Accord News

By Sadie Allen

The Bon Accord 4H club held Achievement Day on Sunday, June 11 in the Bon Accord Arena. A very good crowd of onlookers was on hand to watch the 27 young people put their animals through their paces. Rick Krewy made a clean sweep of the honors this year, having his calf judged champion and placing first in both showmanship and grooming. Reserve champion was shown by David Uchacz and an honorable mention went to Darryl Zilinski. Placing second in senior showmanship was Dale Sumlak. Liz Doblenko placed second in grooming. In the junior class, honors were shared by Ronnie Abramski and Basil Lewis with Ron placing first in grooming and second in showmanship and Basil placing first in showmanship and second in grooming. In the heifer class, only three were shown, with Basil Lewis' entry placing first, Darryl Zilinski's second, and Susan Abramski third. In the peewee class, honors were shared by the two entrants, Colleen Zilinski and Terry Ferbey. Both young people were commended by the judges for their excellence in grooming. Judging the animals for quality

were Mr. Jack Duggan of North Edmonton and Mr. Merv Tuplin of New Sarepta. Showmanship judges were Janet Lacasse and Terry Betchuk and judges for grooming were Marsha Rigney and Rick Milligan. Following the local show, all animals were taken to Edmonton where the top two in all classes competed in the regional show and the auction of all the animals was held. Congratulations are extended to members of the club, their leader Mr. Taras Ferbey and to the very active parents' group who worked with the leader and club throughout the season.

Get well wishes are extended to David Milligan in the Fort Saskatchewan Hospital.

Sincerest sympathy is extended to the bereaved families of Mr. Zephire Demers and Mr. Louis Neilson, both oldtimers of the district, who passed away this past week.

Tiny Tot Moms staged a very successful Flea Market at the Bonaventure Hotel on June 11 under the direction of Sandi Herd. Sandi would like to thank all those who donated items for the market and to all the moms who worked hard to make the event so successful, with a special thank you to Lois O'Brien, Lynda Fearnley, Sharon Bruneau and Marianne Miskolzie who were on hand for the sale.

The bingo jackpot is being elusive. Again it has escaped the eager bingo players who turned out on June 11 at the Bon Accord Community Centre. It is now \$275 in 57 numbers. The consolation was won by Joan Wearmouth. The first bonanza went to Jean Jensen, the second was shared by Jim Crawford, Phyllis Sirotski, Thalia Critchley and Alvin Tupper. Play bingo, Sundays at 7:30 p.m. in the Bon Accord Community Centre.

Bon Accord Imperials scored a close 12-10 win over the ladies from Lamont on June 6. The team will be playing tournament ball at the Gibbons Agri-Fair this weekend.

Bon Accord Tigers dropped a league game to Barrhead on June 7. The team is now even with wins and losses, having three of each. In tournament ball at Vimy this past weekend they lost to Morinville by a 5-3 score. Please Turn to Page 71

Bon Accord women demonstrate goat showmanship

By Peggy Mowry

Ethel Samis of Bon Accord gave the 4H Goat club members of Darwell a demonstration on showmanship at Darwell on June 7. Darwell has the only 4H Goat club in the province.

Mrs. Samis raises Saanen goats on the farm near Bon Accord and The Happiness Herd is well known for the animals that Mrs. Samis shows at exhibitions and agricultural fairs.

The club members were shown some of the points that judges look for in the show ring. Appearance of the animal accounts for 40 points and this includes condition and thriftiness, cleanliness of the goat, such as neatly brushed or clipped hair, clean hoofs and legs. The horns should be neatly disbudded and the hoofs trimmed and shaped to enable the animal to walk and stand naturally.

The appearance of the exhibitor accounts for 10 points and the exhibitor should be neat and clean. Long sleeved white shirt, regulation white pants with 4H tie or cap with white shoes is the suggested uniform for the show ring.

When entering the ring the exhibitor should lead the animal at a normal walk around the show ring in a clockwise direction, walking on the left side, holding the collar of the animal with the right hand. Goats should lead readily and respond quickly. Lead equipment should consist of a collar or small link chain, properly fitted.

As the judge studies the animal, the preferred method of leading is to walk alongside on the side away from the judge. The animal's head should be held high enough for impressive style, attractive carriage and graceful walk.

The club member should

pose the animal with front feet squarely beneath and hind feet slightly spread. Where possible the exhibitor should face the animal up-grade with the front feet on a slight incline. "Be natural," Mrs. Samis pointed out to club members, "overshooting, undue fussing and maneuvering are objectionable."

Mrs. Samis also showed the youngsters and their leader, Kathy Reynolds, the various characteristics that must be looked for when choosing a kid for the club project.

The goat is often called "the poor man's cow," because they cost little to feed in comparison with a cow. Different breeds are raised for milk, wool, meat and leather products.

The most popular milk breeds are the Toggenburg and Saanen from Switzerland and the Nubian, from Egypt and Ethiopia.

The Toggenburg is brown or chocolate-colored, with a light stripe down each side of the face. The legs are light gray or white. The Saanen is pure white. The Nubian is black, dark brown, or tan,

with or without white markings. It is larger than the Swiss breeds, with shorter, finer hair. It has long floppy ears, and a prominent forehead and nose. It is not as hardy as the Swiss breeds and cannot stand severe cold.

Goats average four to six pounds of milk a day for 10 months of the year. The milk differs from cow's milk in the smaller size of the fat globules and in the softer curd. It is easy to digest and many who are allergic to cow's milk may be able to use goat's milk. The milk is also free from tuberculosis germs. The cream is naturally homogenized but it can be separated by machine.

Angora and Cashmere goats are the chief wool producers although there are many different breeds throughout the world that are raised for their wool.

The hides of goats are used extensively for gloves, shoes and other fine leather products.

The 4H Goat Club of Darwell are mainly interested in raising dairy animals. They were pleased with the demonstration put on by Mrs. Ethel Samis.

Gibbons News

By Karen Hogg.

Gibbons Agriculture - People Culture Fair is here this weekend and it looks like a pretty exciting itinerary. The Fair is June 16, 17 and 18, Friday, Saturday and Sunday. Lapel buttons will be sold for your admission for - adults \$1.50 and children 50¢. These lapel buttons will admit you for free and offer special events. There will be a special game for button holders at the bingo, the pancake breakfast is free for button holders, and a weiner roast which will also be free for all button holders. So be sure to get your buttons and take in these extra events. On Friday, June 16 at 8 p.m., Bingo will be held in the school gym. Master cards \$3.50, extra cards 3 for \$1. Special game for button holders.

Saturday, June 17 will be chock full of activity. From 8 to 10 a.m., a pancake breakfast will be held. The event is free for button holders. At 10:30 a.m. the parade starts. All kids decorate your bikes and be a part of this event. Arena doors open at noon for

displays, exhibits, tea room, demonstrations, concessions contests and much more!

From 12 to 5 p.m. there will be a club social in the mezzanine for Ag. Society members only. You can buy your memberships at the door, for \$1.00.

At 1 p.m. 4H Dairy Club Achievement Day will be in the old rink. A steak barbecue will be held from 5 - 7 p.m. behind the arena. Steak is \$4.50 and Agri-Burger \$3.00.

At 9 p.m. dance to the Jamboree Boys in the school RIM. The price is \$12 a couple and midnight lunch will be served. Tickets are available from Chris Jones, Royal Bank, Susan LaPointe 923-3326, Morris Montpelier at 998-2674.

On Sunday, June 18, the arena opens at noon and a car rally starts at the arena. Entry fee is \$10 per car. Gymkhana will be held behind the arena. From 2 p.m. onward there will be children's games, races and a treasure hunt. A pet show will be held at 3 p.m. in the arena with all entries accepted. At 5 p.m. there will be

a weiner roast, free for button holders. The day's events climax at 6:30 p.m. with a variety show in the arena.

CFCW Gold Lincoln will be on display Sunday afternoon with free entry forms. A lottery will be staged for two pairs of Edmonton Eskimos seasons tickets. Soccer and ladies fastball tournaments will be held all weekend. Be sure to attend this weekend as it is one of the biggest events to be held in Gibbons.

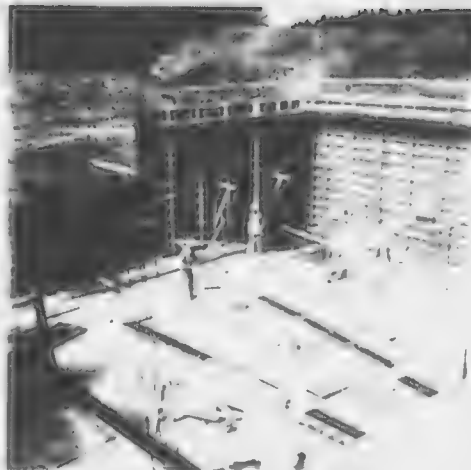

On Wednesday, June 21, a pre-registration for the Gibbons Nursery School will be held in the Arts and Crafts Room at the school at 7:30 p.m. Children must be three years of age or older as of September 1, 1978. Mothers must be present at the meeting to pre-register their child. For further information please contact Mrs. Lorna Gorgichuk at 923-2422 or Mrs. Brenda Featherstone at 923-2256.

Sunday, June 18 is Father's Day. There will be a short Sunday School Service

at the usual hour of 10 a.m. finishing at 10:30 a.m. Everyone is invited to attend. Following the services everyone is invited to a picnic lunch at Mrs. Della Gibbons picnic are adjacent to her home. Lunch is provided by the Sunday School.

Mrs. Flora Alford in the Fort Saskatchewan Hospital wishes to express her thanks for all the kind wishes sent to her while ill.

The Gibbons Sunday School Circle Ladies spent a very enjoyable afternoon last Thursday, when 14 of the members went on a tour of the Devon Botanical Gardens. These are gardens which the University of Alberta experiments with different species of plants. The Gardens are on 160 acres of land of which only 80 acres are close to being developed. It was very interesting to see all of the different varieties which each plant has. After the tour the ladies all returned to the Londonderry Hotel where we all had a delicious-smorgasbord supper.

RESERVOIR A REALITY!

... Pictured above is the Gibbons water reservoir, now under construction. This reservoir will hold 750,000 gallons and should be on stream by July 15, 1978.

RINK-TO-BE

... Shown above is the excavation taking place for the four sheet curling rink in Gibbons which should be opened for curling this season.

[Gibbons Senior Citizens]

By Jean Toane

Thirty-two members and three visitors present at the meeting held in the Legion Hut on Thursday, June 8, 1978, were pleased to receive a cordial invitation to the annual picnic held at Juniper Hill on the farm of Cathy and Jim Shaw, who will be the group's gracious hosts on Thursday, June 29, for this festive affair. "Don't forget to bring your lawn chairs," advised Jimmy. Remembering the fine time we had there last year we are all looking forward to this afternoon. There will be no regular meeting on the usual fourth Thursday this month. Emily Oliver read us the invitation from Spruceview Manor to attend the official opening of their home on Wednesday, June 21, 1978 at 2 p.m.

It was moved by Gordon Spence and seconded by George Knight that the club accept these invitations. Enthusiastically, all were in favour.

Those in attendance were also reminded of the salad bar at the Bon Accord Hotel on Tuesdays, just in case seniors feel like eating - out for a change. Thank you notes were received from Lillian Todd, Arthur Young, Wilf Oliver, and Mrs. Stella Lamoureux.

The main business of the day concerned the Tea Garden which is to be conducted at the Agri-Fair on June 17 and 18. A cash donation was received from Hazel Hancock, who will be visiting in London at the time of the fair; also an offer of cream and sugar from another member, Jean Blom. Volunteers to help on Saturday were Cathy, Emily, Aureole, Annie, Katie, Mollie and Pansy. Volunteering for Sunday's duties in the Tea Garden were Edith, Cecile, Jeannette, Eula. Many members are also members of other organizations also

involved in the Fair.

A work bee to decorate the float for the parade will be on Friday night, June 16. The business part of the afternoon was adjourned by Aureole.

Bingo followed with Gordon Spence calling out the numbers. Then, after all this hard work all were rewarded

with an ample and delicious lunch served by lunch hostesses, Edith Carleton, Cecile Strawson and Hazel Hancock. It must be acknowledged today, that there were just as many men helping to "clean-up" as women. Thanks fellas, your company was appreciated in

the kitchen!

Just to bring you up to date on the Dew Drop Inn - a beautiful umbrella plant has been kindly donated to us by Mrs. Mills; the two attractive and durable coat stands have been donated to us by Loblick Industries. Thank you, Friends.

Pythian gleamings

The Pythian Sisters of Gibbons will be hosting the Pythian District 2 convention on Wednesday, June 14, 1978 in the Gibbons Community Hall.

Expected to attend are five grand chiefs: Hazel McLean will be chairing the convention as she did at the last grand session this year held at the Hylander Motor Hotel in Calgary. She was chosen district deputy grand chief for 1978 for District 2 by the newly appointed Grand Chief Mary Hobdash of Lethbridge.

One of the highlights this year at the convention and a surprise to all was our Supreme Chief's attendance, Jeanette Hensley of Oklahoma City, Oklahoma, who in every way fulfilled her obligations as a supreme chief. She is attractive, well versed and a wonderful speaker. Her speeches were listened to with intense interest. Every word was meaningful and a pin dropped could have been heard.

Our grand sessions in 1979 will be held in Lethbridge on April 23 and 24. A special invitation comes from the Lethbridge Sisters and Knights, the home of our newly appointed grand chief who takes over from MacElder of Kenton, Manitoba, who was last year's grand chief.

Jeanette Hensley, supreme chief informed us that upon election to her office, she had promised herself to attend every grand session held both in Canada and the United States. So far in

Canada she had attended grand sessions in Quebec, British Columbia, Ontario and now Alberta; besides many grand conventions held in different States. She was a guest of Wally Johnson in Calgary who also is a supreme officer and expects in 1980 to become supreme chief. Rarely has a Canadian held this office and our supreme chief strongly stressed that when supreme sessions are held in 1980, as many as possible come and see Wally Johnson installed as our new supreme chief. It is as yet undecided where supreme sessions will be held.

Maxine Gordon was Jubil-

ee Temples delegate this year and Judy Christie is alternate.

Barbra Gibson of District 2, Pythian International Chairman, was given high praise for receiving the highest honors for selling the most "Pythian International Magazines" and brought Alberta a prize.

Sharon Dunsworth of Edmonton District 2 was given praise by our supreme chief for her efficient handling of her secretarial work. She is marvelous.

Maxine Gordon of District 2 was elected press correspondent for the Prairie Provinces.

COMMUNITY CALENDAR

Members of Legislative Cabinet will be in Morinville Monday,
June 19 at 7:30 a.m. in the Rec. Centre. The public is urged to
attend.

Morinville will celebrate its annual Frontier Daze commencing
Saturday, June 24. A street breakfast and parade will kick off
the action packed weekend.

Tonight the students from Georges P. Vanier will present the
following plays on stage: "High Window," "The Mother of
Jack the Ripper," and "Once Upon a Playground." The
program begins at 8 p.m. in the Vanier School gymnasium and
the public is invited to attend. Admission is \$1 for adults and
50¢ for junior students.

The next meeting of the United Church Ladies' Aid, will be
held at the home of Mrs. Linda Pitko on Tuesday, June 20,
commencing at 8 p.m. sharp.

All the fathers in the community are invited to enjoy a
complimentary Father's Day Breakfast at the Recreation
Centre this Sunday morning following the 9:00 and 10:30
Masses.

The Morinville Mens' and Ladies' Midsummer Bonspiels are
in progress all this week at the curling rink. The men's finals and
the ladies' A section final, will be played this Sunday evening at
7 p.m., while the ladies' B and C section finals will take place
prior to this at 4:30 p.m.

Continued From Page 61

CANOE RACES

These will be held at 10 a.m. on Sunday, June 25 on Heritage Lake. Trophies, compliments of the Royal Bank, will be presented to winners of the following categories: mens, ladies, teen boys, and teen girls. Contact Fred White at 939-4671 for registration.

OPEN GYMKHANA

The horse show takes place Sunday, June 25 on Heritage Lake. Trophies, compliments of the Royal Bank, will be presented to winners of the following categories: mens, ladies, teen boys, and teen girls. Contact Fred White at 939-4671 for registration.

OPEN GYMKHANA

The horse show takes place Sunday from 2:30 - 6 p.m. and is hosted by the Legal Poncho Riders. There will be four events (flags, poles, stakes, and barrels) in four separate categories (mens, ladies, intermediates and juniors). Trophies will be presented to the winners in addition to a beautiful saddle for the top point rider. Henry or Colleen Johnson at 961-3744 may be contacted for registration.

LOCAL ENTERTAINMENT

Anyone interested in performing in the Frontier Daze stage program on Sunday afternoon is asked to contact Annette Arnold at 939-3067.

BEARD GROWING CONTEST

Judging of this event will take place during the grande finale on Sunday evening with trophies being presented to the winners. Entries are being accepted by Romeo Riopel at 939-3444.

DISPLAYS

Arts and crafts for display may be submitted by individuals or community groups; also any artists wishing to show their paintings are welcome to do so. To enter any display, contact Rhonda Stapleton at 939-4827.

HOME BAKING COMPETITION

This contest offers cash prizes and ribbons for winners in various classes. All entries must be submitted at the Agriplex by 12 noon on Friday, June 23.

Only one entry per person per class will be permitted. For adults entries will be accepted in the following classes: cookies and squares; pies and pastry; breads; quick breads and cakes. In the childrens' division, all entries are to be completely done by the child. Classes for children will be as follows: boys and girls 13 - 16 years; 12 years and under. Categories within these age groups are not listed here. Information can be obtained from Marion Scott at 939-4378. Men are also invited to

enter their confections in the contest. Entries will be accepted for baking, canning and original baking. Information on specific categories is available from Mrs. Scott at 939-4378.

Cash prizes and ribbons will be awarded for first place, with ribbons for second and third place winners. Judging will be done by qualified judges.

TUG-O-WAR CHALLENGE MATCH

The challenge trophy, won last year by the Morinville Funtimers Fastball team, will be offered in this year's match. This event is slated for Saturday, June 24 at 6 p.m. Any nine-man teams interested in participating are asked to report to the Gymkhana area at this time.

First flight winners of bonspiel announced

The Morinville Men's Mid-Summer bonspiel completed its first flight of 32 rinks on Sunday evening with the following results. In the A section final, the Darwin Daviduk rink from the Shamrock Curling Club defeated Barry Olson of Wainwright by a score of 8-2. The B event saw the George Treble rink, skipped by Jack Isaaman from the Granite Curling Club defeat Terry Sarafinchan of Vegreville 7-5. In the C event the Dean Jacula rink of Vermilion won over the Jim Flynn rink of St.

Albert by a score of 8-6.

Curling continues this week with the second flight playdowns being held Thursday, Friday and Saturday and the finals between the two flights to be played off Sunday evening at 7 p.m.

The ladies bonspiel, which is being held in conjunction with the men's, will complete its semi-final playoffs tonight. The finals will be held on Sunday with the B and C sections playing off at 4:30 p.m. and the A section at 7 p.m.

Georges P. Vanier News

By Lise Houle and Carmen Schafers

With the school year coming to an end, the new senior Students' Union has been chosen. After a very competitive campaign, the following people have been elected: President - Mark Johnson; Vice-President - Charmaine Bulger; Social Convenor - Richard Him-schoot; Treasurer - Kim Mulligan; Secretary - Rose Brennels; Sports Rep. - Barry Guenette. We wish them the best of luck in the coming year.

Just want to remind everyone of the three one-act plays being presented by the English 20 students on Wednesday, June 14. It should prove to be a very enter-

taining evening.

Since the final exams are coming up on June 23, 26-27, the Students' Union is having their end of the year "lift-off" on June 22 to celebrate the coming of the summer holidays. It will include an afternoon of free food and various activities to keep everyone entertained.

This is our last article of the year, so we just hope that everyone has a great summer holiday!!

Morinville Memos

By Marguerite Yacysen

Tonight the students from Georges P. Vanier will present the following plays on stage: "High Window," "The Mother of Jack the Ripper," and "Once Upon a Playground." The program begins at 8 p.m. in the Vanier school gymnasium and the public is invited to attend. Admission is \$1 for adults and 50¢ for junior students.

The next meeting of the United Church Ladies Aid will be held at the home of Mrs. Linda Pifko on Tuesday, June 20 commencing at 8 o.m. sharp. All interested ladies are welcome to attend. For further information, please call Marg Middleton at 939-2347.

FATHERS DAY BREAKFAST

All the fathers in the community are invited to enjoy a complimentary Father's Day Breakfast at the Recreation Centre this Sunday morning following the 9 o'clock and 10:30 masses.

The Morinville Mens and Ladies Midsummer Bonspiels are in progress all this week at the curling rink. The men's finals and the ladies "A" section final will be played this Sunday evening at 7 p.m. while the ladies "B" and "C" section finals will take place prior to this at 4:30 p.m.

The Frontier Daze program will feature a fastball tournament, hosted by the Morinville Funtimers, which will take place all day Saturday, June 24 on the fair grounds. Six teams will be competing for the trophy which will be presented at the grande finale Sunday evening.

Maurice and Louise Froment are pleased to announce the arrival of their third daughter, Lynne Marie Dora, born on June 2, 1978

and weighing 8 lbs. 1 oz. She is a sister for Tamie and Remie. Many thanks to Dr. Read and nursing staff at the Sturgeon General Hospital.

In a soccer game played on June 7, the Morinville Peewee A team defeated Namao 3-0. Roland Houle scored two goals and Danny Dardis one goal with Raymond Meunier getting the shutout. The team's record

now is two wins and one loss

Mr. and Mrs. Hector Montpetit are proud to announce the engagement of their son, Armand, to Debbie Byers, daughter of Mr. and Mrs. Bob Byers of St. Albert

Notice of Public Hearing

The Council of the Town of Morinville, having been given authority under The Planning Act, R.S.A. 1970, as amended, to control development within the boundaries of the Town of Morinville by zoning, will hold a public hearing. The purpose of this bylaw is as follows: That the Zoning Map attached to and forming part of the Zoning bylaw of the Town of Morinville be amend by zoning

A to R3	A to R1
A to C1	A to SP
A to P	

The proposed bylaw may be examined between the hours of 9:00 a.m. and 5:00 p.m. of the office of the Municipal Secretary of the Town of Morinville. The Public Hearing will be held in the Town office on the 27th day of June at 7:30 p.m. Written objections to the proposed bylaw will be received by the Municipal Secretary at Town office until 4:00 p.m. on the 27th day of June, 1978

Objections shall be submitted in writing prior to the meeting. Those written objections which have been received before the designated time, will be discussed at the meeting before further presentations will be recognized.

M. R. PERRAS, MANAGER

Hi Mom!

Bryon Olver (12) left, and Greg Nicholson (14) learned about western hospitality in St. Albert. The two exchange students from Bolton, Ontario had 10 days of St. Albert living courtesy of the Ward family. Bolton is 20 miles north of Toronto.

Poncho riders plan busy summer

Legal Saddle Club started up a new season and elected new officers. President Gordon Bruce, vice-president Henry Johnson, secretary-treasurer Coleen Johnson. The club is to retain the name "Legal Poncho Riders."

Anyone interested in horses, western pleasure, gymkhana, trail rides, camp outs, weiner roasts is invited to join. Single people or families interested in having fun in the outdoors, are welcome whether they own a horse or not. The club would like to hear from you. Membership is available to families for \$7.00 or \$4.00 for individuals.

The club sponsored a cabaret in Legal on May 27 at the Community Hall. The dance and lunch was accompanied by a Hawaiian floor show. The show consisted of a number of

different Hawaiian dances done by lovely Hawaiian girls. A hypnotic display with volunteers from the audience, was done by Henry Johnson. Members and guests had a great time. Thanks to everyone for making it a success.

Legal Poncho Riders will be sponsoring the annual Frontier Daze open gymkhana in Morinville on June 25, with a saddle, trophies and rosettes. Also the club will have a two-day open gymkhana in Legal on July 29 and 30. A saddle, trophies and rosettes will be given to winners. Everyone is welcome.

The club will be having a trail ride and camp out on the July 1 long weekend, weather permitting. Fun for the whole family!

Interested folks? Great! Come and join us partner! Ph. 967-3744 or 967-3079.

AREA PRESENTLY DEDICATED AS RESERVE

AREA TO BE EXCHANGED

Vanier High presents play

By Lucie Leduc

On Monday evening, June 19th at 8:30 p.m., "Les Papillons" will be presenting a one act play in French entitled "Le vampire de Bougival." A small admission fee of 50¢ will be charged for the 45 minute play which will be held in the G.P. Vanier High School.

The plot revolves about an optimistic and wealthy nobleman who disappears mysteriously without explanation. His many friends, a large group of social outcasts whom he had helped financially, became concerned and alerted the police. The investigation sent out to solve the case of the mysterious disappearance is confronted with a number of bizarre incidents which inevitably lead him to tie all the loose ends in the case, only to reveal a delightfully unexpected ending.

The students of the G.P. Vanier French Club wish to invite the general public to this performance next Monday evening in Morinville.

Cast: Investigator - Richard Himschoot; Mrs. Schloff - Lise Houle, Jackie Boissonnault; Helene - Elaine Dubord, Gisele Boissonnault; Mrs. Stradelli - Monique Boissonnault; Angelina - Lilian Morin; Mr. Fleureon - Dan Blackburn; Mrs. Fleuron - Carmen Schafers; Mr. Choin - Denis Aquin.

Technicians: Set design - Louise Chalifoux, Gisele Boissonnault, Dan Mercier; Set construction - Remi Boissonnault, Paul Ouellette, Dan Mercier, Louise Chalifoux;

Costumes - Carmen Schafers, Louise Carignan; Lighting - Remi Boissonnault, Louise Carignan; Gourd - Ginette Aquin, Elaine Dubord, Lucie Leduc, Dan Blackburn.

Village of Legal Public Notice

Notice is hereby given that the Village of Legal intends to purchase approximately 18 acres more or less PT SW-36-57-25-W4 outside of the Village boundaries and within the M.D. of Sturgeon for utility purposes.

Any person or persons having objections to the above plan may file such objection to the Village Secretary in the Village of Legal before June 29, 1978. A hearing will be held in the Village office on June 30, 1978, 10 a.m. to review objections received if any.

Dated this 23rd day of May, 1978.

Kinsmen pleased with summer Carnival '78

Wilf Schamber, chairman of the Carnival this year, gave us a call to list the winners of the various activities which took place over the weekend. On behalf of the Kinsmen Club of Redwater, Wilf would like to thank everyone who came to the carnival and purchased a ticket on the motorevele. He thought that there had been great support from the community and particular individuals. Special thanks goes out to the Town of Redwater, the Ag. Society, Porta Construction, the Lion's Club, the Firemen, the Sturgeon School Division, E & S Motorcycles, Mavfair Foods, Macleod's, Redwater Drug Mart, Marshall Wells, the Royal Bank, Satellite Confectionary, Department of Highways, Earl's Steaming, CHQT, CFCW, CHED, CJCA and Peter Elzinga. A special mention has to go out to the fellows who helped Wilf out, Sandy Boychuk, Ken Anderson and Larry Chekerda, the carnival committee members.

al entry was won by the hospital staff, their trophy was donated by the Trophy Den in Fort Saskatchewan. The best junior entry was won by Brant Hansen, the trophy was donated by the St. Albert and Sturgeon Gazette. All junior entries won free rides, and 25 transistor radios were given out to other entrants. Judges were Walter Luchenko and John Pernitsky.

TUG-OF-WAR

Colin Bausman, Lawrence Bausman, Barry Zdrill, Larry Zdrill, Ed Lambert and Dennis Lamv all won t-shirts for being the champs.

Redwater Social Notes

By Marguerite Neufeld

The last one to start the walk-a-thon was the first one to finish this year. Wade Daignault, ran 10 of the 20 miles on the hot, 85 in in the shade day, winning the \$15 for first place. Ten other walkers received five dollars each for finishing, they were: Brenda Sookachoff, Selma Van Soeren, Cindy Atwood, Janet Chaba, Joyce Yakiwchuk, Greg Nelson, Pamela Pasay, Leanne Noble, Joanne Noble and Joe Paulson.

The first walker set out at 7:30 a.m. and the last one straggled in at 5 p.m. Out of 97 applications 44 people walked, none of them adults. The Lions will have to take a second look at whether they hold another walk-a-thon in

the future in view of the lack of support. Thanks goes out to all of the people who pledged money, and a big thanks to all the kids who walked on that very hot day. Pledges can be paid at either bank or mailed to: Walk-a-thon, Box 482, Redwater.

The Redwater Hospital Auxiliary annual tea and food fair was held on May 26 and was a tremendous success

this year, even though the weather was not favorable. Winners of the prizes were: Betty Seiler - quilt; Cindy Hrynchuk - mirror and scones. Sharon McEachern - apron, door prize - Linda Nimchuk. On behalf of the Auxiliary, we would like to thank all the ladies who donated food and crafts and made the tea the success it was.

Redwater soccer

By Marguerite Neufeld

The mini-mites cleaned up on Gibbons last week, winning by a 9 to 1 margin. Likewise, the peewees dumped Gibbons A team 3 to 0.

The mites fought a hard battle also against Gibbons, and wound up with a four all tie.

The mini-mites are coached by John Funk and are between six and eight years old. The mites range in age from 8 to 10, and are coached by Tony Flierl. The peewees are 10 to 12 years of age and are coached by Bill Timmer. Good work fellas!

Guides hold banquet

The Redwater Brownies and Guides hosted their mothers and fathers at the annual Mothers and Daughters banquet last Wednesday evening. It was decided at the last meeting of the Ladies Auxiliary to have a pot luck supper, so that the funds the girls had raised throughout the year could be used for a trip to Calgary. So a delicious and delectable variety of dishes was set out before the guests in a smorgasbord setting. The tables were decorated with sprigs of lilac and mints wrapped in paper doilies adorned with yellow bows.

The banquet was opened with the singing of O' Canada, and Mrs. Anne Schmid, Ladies Auxiliary chairman introduced the guests of the head table. Special guests were Mr. and Mrs. Smalley, who are always honored guests at every formal function of the guides and brownies. (Mrs. Smalley has never withheld her talents as a musician, when asked to perform). Other head table guests were June Parhan, Mrs. Ilse Parhan, division camp advisor; Shelley Parhan, Lieselle Schmidt, Anne Schmidt, L.A. chairman; Rev. and Mrs. Merritt and Dorothy Russell, division commander. Brownie Lieselle Schmidt led the toast to the Queen.

The toast to the mothers was given by Ruth Ann Huisling and the reply was given by her mother Joanna Huisling. A memorial toast to Lady Baden-Powell was given by Patricia Iwashkiw, then grace was said by Rev. Merritt. Later tributes were made and achievements cited.

Gifts from the girls were presented to the guide and brownie leaders, Mrs. Lois Parker, Mrs. Lois Andrews,

Brown Owl; Mrs. Kathy Dunn, Guide Lieutenant; and Mrs. Dorothy Russell. Mrs. Russell, on behalf of the division presented Mrs. Ilse Parhan with a guide camper's cape for her valuable service as Camp Advisor.

Mrs. Parker, Guide captain, gave a short speech and paid tribute to the girls who had earned badges and cords over the year. Eight girls were awarded the blue all-round cord: Sharon Crooker, Anita Lawrence, Colleen Wall, Janice Weist, Sally Parker, Dara Manderville, Tarra Robinson, and Shauna Maydanski, who all came forward with both parents to receive the cords.

Linda Onusko, Bonnie Guglich, Lorna Lang and Valerie Osetsy were recipients of the red Canada Cord, which is the highest award a girl guide can receive!

Lois Andrews, Brown Owl, gave a brief summary of the brownies' activities over the past year, which started with a memorial service to Lady Baden-Powell. Five brownies graduated into guides, and eight tweenies passed 11 requirements and were enrolled in brownies bringing the total number of brownies in Redwater to 23.

Mrs. Andrews also discussed the part they had played in the Remembrance Day Parade, the crafts that were made for the Christmas Sale, the earning of 16 badges, the wall hanging of

the three wise men they constructed and presented to the Golden Villa, where they also sang carols. In addition to all this, they delivered phone books, held a Thinking Day Service, studied Mrs. Manderville's first aid training, they designed and made cookie day posters. Mrs. Bunn and Mrs. McEachern taught crocheting to the ones trying for their Golden Hand badge and they took part in a Testers Tea given in honour and to thank all the people who tested both guides and brownies in a variety of achievements so they might qualify for badges. As well, five brownies served at the breakfast given in honour of the visit of Premier Loughheed just a few weeks back. In closing Mrs. Andrews mentioned that 35 badges were earned at camp last summer by 12 girls with thanks to "cookie" Ilse Parhan.

June Parhan was guest speaker and talked about the International Camp in Nova Scotia, where she was one of many girls from 26 countries all speaking different languages, but still communicating and understanding each other. She told the gathering that they had been entertained by various celebrities and had met the numerous ballerina, Karen Kane, plus many other activities such as touring a mine.

The banquet was closed with the singing of God Save the Queen.

Ukrainian books at Redwater

By Marguerite Neufeld

If you are one of the lucky people in this area who can read Ukrainian, the Library has 30 new books in Ukrainian for the next six months.

There are a variety of subjects and most books are beautifully illustrated. The six novels are: In Search of Fortune by Zosyn Donchuk, a satirical novel of the Ukraine in 1920 by Vasyl Chaplenko. An historical novel about Carpathian folk-hero Dovbush - by Alla Khlystova. A novel of adventure and intrigue by Petro Uhlarenko. Helmets in the Sun by Katrya Hrynevychyeva and by Roman Fedoriv - a historical novel of 12th century during wars waged over the Kievan throne.

Two books on travel: one by Leonid Tendiuk - a report of the author's travels to exotic places in the Indian and Pacific Oceans, and Olena Kysilevska letters to her son during her tours of areas by the Black Sea.

Three biographies by M. U. Pokhodzilo a study of the life and works of H. Kvitka-Osnovianenko; a biography of the well known Soviet baritone Dymtro Hnatiuk by I. U. Stanishevs'ky; On Solid Land by Ulas Samchuk, a fictionalized autobiography of the author's life in Toronto.

Two volumes of memoirs are by Dmytro Dorosenko - 1914-1920 in the Ukraine, and Rokykozakuvannia, 1917 - 1923.

A beautiful book by Sophie Parfanovych, "A Man and a Mountain," in which the author's love for Bukovina is

revealed.

"Shovkova Kosytsia" text in Ukrainian and Russian about the Carpathian mountain region of Ukraine.

"Ukrainians in Canada" their development and achievements. A beautifully illustrated survey of achievements of Ukrainians in Canada.

"A Selection of Ukrainian Songs for Piano Guitar, and Accordians" by A. Hnatyshyn.

A history of Ukrainian women "Echoes of Times" - a selection of essays, articles and memoirs of author Irene Hnysh. Five volumes of collected works by authors Anton Khyzhniak, Vasyli Mova, Ostap Vyshnia, I. S. Nechvi-Levytski and Lesia Ukrainka.

Four books of poetry: "From Under the Gumtrees - various Ukrain Poets in Australia; "Collections of Poems" by Ukrainian-American-Marta Tarnavska, and a Soviet author A. Malysko during the years 1968-70.

Nezdolanyi Dukh (Invincible Spirit) art and poetry of Ukrainian women political prisoners in U.S.S.R., with text in English and Ukrainian This beautifully illustrated collection of poetry and artistic embroidery reveals the heroic spirit of Ukrainian women.

There are also two older books on Ukrainian embroidery with patterns and instructions, in English, French and Ukrainian.

Remember these books are here for only six months. If you wish to read most of them start soon.

Bon Accord News

Continued From Page 64

The Emergency Ambulance Service staged a very successful English Pub Night on June 10. Thanks are extended to all those who attended, to those who helped with the cooking, to the Golden Gems for their help in the kitchen, to the Lions' Club who helped set up and to Rita Allen and the Scottish Pipers who provided entertainment.

MINI-GAMES STAGED

On June 9, although the day was overcast, a crowd of people including parents, grandparents and friends, gathered at the Bon Accord school to witness a mini-Commonwealth Games staged by pupils from 1-3. Mr. Broemeling, as the Queen's representative took his place in the "Royal Box." The senior band under the guidance of Mrs. Clarke played "O Canada."

Each child in grades 1-3 took part in a parade depicting the athletes, flag bearers and country name plaque bearers. The parade was a very colorful, official event and something that will live long in the memories of the children. After the athletes were assembled the Commonwealth Games flag was brought in and Mr. Broemeling declared the XI Commonwealth Games in Edmonton, Alberta, Canada of 1978, open. The trumpets were sounded, pigeons were released and a pseudo 21 gun salute fired. Lee Miskolzie, representing the athlete, stepped forward to take the oath. The Canadian and Commonwealth flags were raised. Dana Whitson ran in with the baton, making a complete circuit of the grounds before handing the baton containing the Queen's message to the Queen's representative, who then read it to those assembled. O Canada and God Save the Queen were sung. The athletes marched away and the Games began. A special vote of applause is extended to the teachers for all the time and energy expended to make this event possible. A special commendation to Mrs. Lomas who obtained the flags, to Mrs. Clarke, who trained the band, to Mrs. Sykes, who trained the athletes, to Mrs. Goulet, who provided the pigeons and to the many other teachers who looked after the lunch the events, and passed out the medals after the games were over. Events included were: 100 meter, 25 meter walk, 50 meter hurdles, high jump, long jump, shot putt, discus throw and lacrosse. The children were divided into three teams representing different countries with the top team receiving gold medals.

The annual track meet involving students from Bon Accord, Gibbons and this year for the first time, Redwater, was staged at the Gibbons school this past week. Although the students from Bon Accord were unable to retain the trophy, individual students did extremely well. For 11 year olds, the high point trophies were won by Leana West for the girls and Jamie Tighe for the boys. In the 12 year old class, Susan Carleton won for the girls and Stig Laursen for the boys. Bo Laursen won for the 13 year olds, and Jerry Hills and Rick Komick tied

for first in the 14 year old class. Congratulations are extended to them all.

The fourth annual Goat Show will be held at the Bon Accord Arena this weekend. June 17 with the first milk-out at 7 p.m. on Friday, June 16 and following ones at 7 a.m. and p.m. on Saturday. Judging will commence at 10 a.m. on June 17. Over 100 goats are expected to be on show this year, a class for bucks being included. The official judge will be Mr. Bill Shopland from Rochester. Films will be shown in the Cave with one going at 10 a.m. and one at 3 p.m. A free breakfast will be provided for exhibitors and officials. Ev-

eryone is cordially invited to attend.

Members of the Bon Accord Junior High band and choir will be staging a concert at the school at 7:30 p.m. on Wednesday, June 14. Everyone is cordially invited to come out and enjoy the music.

The Bon Accord Art Club will hold a showing of paintings and drawings in the Golden Gems Jewel Box, immediately north of the arena, from 9 a.m. to 8 p.m. on Saturday, June 17. Some items will be marked for sale. You are cordially invited to stop in at the Jewel Box and view the class's year's work.

Air Cadets on Parade

#524 STURGEON AIR CADETS

The final parade of the season was held on June 6 with CO Captain J. McHardy giving out the "props" and promotions earned by the newest cadets. Promoted from AC to LAC were Francois Dourte, Veronica Graca, Graham Kiriaka, Tracy MacKay, Brian MacKay, Larry Mitchell, Darlene St. Germaine, Kelly Roblin, Royal Samis, Robert Sinclair and Brian Wall.

Also announced at this time were the names of the three cadets who will be going to Camp Wright this summer for Ventura Training. They are LAC Judy Grimsen, A-Cpl. Annette Pyle and LAC Mike White. The remainder of the evening was taken up with final instructions for all cadets and with the issuing of kits for those going to camp. Although regular parades have been discontinued for the summer, cadets will be informed as special activities have been planned.

The executive of the sponsoring committee was also elected on June 6. They will commence their duties in September. Elected were: Chairman, Mrs. E. Hutchings, Vice-chairman, Mr. S. Russell; Secretary, Mrs. T. Melville; Treasurer, Mrs. D. Noga; Public Relations, Mrs. J. Saunders; Social Convenor Mrs. R. Wall and Telephone Committee, Mrs. L. Grimsen, Redwater; Mrs. B. Wood, Gibbons; Mrs. I. Roblin, Bon Accord.

#524 Squadron was invited to march in the Redwater Carnival parade last Thursday, June 8. In spite of wind and rain, the parade was held on schedule and our cadets acquitted themselves well, in spite of sundry annoyances along the way!

The squadron will be busy again this weekend as they have been asked to provide security for the exhibits at the Gibbons Agri-Fair on June 17 and 18. Cadets will be notified as to time and

duties. The squadron will also have a booth at the fair with displays and information about air cadets. The sponsoring committee plans

to have a bake sale in conjunction with the cadet booth. Mothers will be phoned about donations.

Broadcast nitrogen after seeding

Farmers who were too rushed during spring seeding to apply all the nitrogen they wanted can spread it as late as three or four weeks after seeding and still increase yields, the head of a farm supplies for United Grain Growers (UGG) stated recently.

Jim Peever said, "Late seeding conditions, particularly in Manitoba, led many farmers to press forward with seeding and skip on fertilizer in order to avoid downtime." He said last fall's wet conditions also led to lower nitrogen applications before seeding.

He said by broadcasting nitrogen after emergence, farmers will help to sustain yields hurt by late-season seeding and by spring flooding.

Peever quoted research results from the University of Manitoba that "indicated 22 to 40 pounds of nitrogen applied up to the third week

in June increased yields. Wheat and barley yields rose 15 bushels with 60 pounds of nitrogen in the same trials."

The UGG farm supply manager said applying 40 to 60 pounds of nitrogen also tends to increase speed of maturity.

He had a few cautions, among which were:

*Applying nitrogen four weeks after seeding wasted fertilizer since the yield potential for the crop already had been permanently damaged.

*High rates of nitrogen, particularly liquid nitrogen, may "burn" seedling leaves of cereals.

*Broadleaf crops such as sunflower and rapeseed can be damaged more easily by fertilizer "burn" and fertilizer should be applied when leaves of those crops are dry. Don't use liquid nitrogen on these crops after emergence.

Topolnisky plans to run again

George Topolnisky, MLA for Redwater-Andrew, has announced that he will seek re-nomination as candidate for the Progressive Conservative Party in the Redwater-Andrew constituency.

He was first elected to the Alberta Legislature in 1971 and served in Cabinet for Alberta's first Rural Development Portfolio.

He was re-elected in 1975 and for the last four years has been chairman of the Provincial Caucus Committee for Senior Citizens and is member of other caucus committees, such as agriculture and decentralization of government services.

The provincial election is expected sometime in 1979.

Alcomdale News

By Beryl Bailey
Victoria Day saw most people remain at home, due to the heat perhaps... some gardened in early morning while a few took off for other places. The Dan Brenneis's went to the Alberta Game Farm, the Jim Burrows family with Mrs. J. Doidge and children spent a day at Sandy Lake enjoying a weiner roast.

On Wednesday, May 31 the Alcomdale Community League held its regular monthly meeting in their hall at 8:30 p.m. with six members only present. Business of a general nature was discussed. Too many were busy early in May to be able to help with cleaning up of the grounds around the hall, and it is hoped to take care of that chore later when people have more time. Plans for serving food at the booth on the grounds on June 11 for the 4H Achievement Day were made. It was decided to have a picnic following the judging of the 4H calves for those remaining after the club members and their stock leave at noon. Those remaining for the picnic would be asked to bring something to make a pot luck meal.

The Alcomdale Community League will hold a bake sale in their hall on June 17 from 8:30 a.m. until 4 p.m.

The next meeting will be on June 28 at 8:30 p.m. in the Alcomdale Hall. Residents of

the community and area are invited to attend and join to help their community.

Friday, June 2 the Melvin Mills celebrated Mr. Mills' birthday with a barbecue at their home. Enjoying the party with the Mills family were. Mr. and Mrs. Ivan Spargo and children, Mr. and Mrs. J. Doidge and children, Mr. and Mrs. C. Moren and children, Mr. and Mrs. G. Spargo and children. Relatives present were Mrs. Mills' grandmother, Mrs. T. Hodgson, uncles, Mr. and Mrs. F. Hodgson with son, Wayne, Mr. Vital Hodgson, Mrs. Mills' mother, Mrs. R.

Benoit, all of Edmonton and St. Albert. Mr. and Mrs. Neil Turkington. The group enjoyed visiting and music during the party.

Work commenced on the road on west side of hamlet, when completed it will be an asset to the community. Hopefully, it will in future mean bus service from the city as now buses on number two highway are eight miles east of the hamlet.

Another hot weekend with record temperatures helped the gardens to pop up almost overnight, especially when a heavy rain followed a day or so later. Now, cooler weather with rain is our lot as we go to press.

Namao News

By Norma Crozier
There will be no services at Namao United Church during the month of July while the minister is on holiday. Services will recommence in August.

The paper bin at Namao Church will be emptied on Wednesday, June 21. Papers may be left in the Mud Room at the Church until that date as the paper bin building is full.

The children of Mr. and Mrs. Ken Rye invite their relatives and friends to an "Open House" in the Sunnyside Community Hall on Sunday, June 25, from 2 - 5

p.m. in honor of their silver wedding anniversary. No gifts please.

Namao Plus Sixty Club will hold their wind-up party on Thursday, June 22 at 6 p.m. in the Community Hall. Supper will be followed by cards and games. All seniors in the Namao area are cordially invited to attend.

Mrs. Verna Hansen's music students held a piano recital in the Community Hall on Sunday afternoon, June 11. The 27 students who took part played beautifully for their parents, grandparents and friends who attended.

Namao Horse Show

Continued from last week

Adult High Point went to Jack's Hilda, owned by Double C Quarter Horses and shown by Cyril Desjarlais. Second High Point Adult was won by Nobelee, owned and shown by Beverley Hood.

Horse Hill News

By Esther Wallbank
Please note the Community League on Tuesday, June 27 beginning at 8 p.m. in the meeting room of the Community League facility. Also that week, on Thursday evening, June 29, the Family Evening will be held, at which time some ball games are planned and the weiner roast. Those planning to attend are asked to bring their own weiners, and buns, coffee and pop will be provided. All look forward to having some fun to celebrate

the end of school and the start of summer holidays. In case of bad weather, the event will move indoors, so plan on coming.

Girls playing ball are looking forward to their closing tournament this coming weekend. Games for girls 10 and under and 12 and under will be held at Villeneuve Friday evening, and Saturday and Sunday all day. The remaining age groups will be in St. Albert. More information regarding boys

playoffs will be available after the league meeting June 13.

Alice Tetz will be hostess for a community shower for Dianne Gordon who is being married in July. The shower will be on Wednesday, June 21 at 8 p.m. at the Patricia United Church. Anyone who knows Dianne and would like to wish her well is invited to attend. Please call Alice at 973-5776 for more information.

Sunnyside News

By Lois Bowman
The children of Doris and Ken Rye would like to invite all their Sunnyside neighbours to an open house on Sunday, June 25 from 2 p.m. to 5 p.m. Doris and Ken are celebrating their 25th wedding anniversary and would like to see their friends at the Sunnyside Hall

Get well wishes go out this week to Margaret Rye who has just returned home from hospital after undergoing eye surgery.

The hobblers have really been busy the past couple of weeks. Lillian Potter was out in her garden one morning when 18 of her neighbours called on her to have coffee and birthday cake. What a nice way to spend a morning and it was so nice to see Ada Potter and Beth Kibblewhite out too! Also Sunnyside's hope for the Commonwealth Games. Fay Rye and Ann Maxfield arrived on their bikes. We had to declare Fay the winner however as Ann did a little cheating.

The next birthday gal was Shirley Manning. We called on her in the evening and first thing the next morning we were on the road again - this time to Peggy Camerons. These Hobo teas are great - sure beats working.

LADIES CLUB MEETING

The Ladies Club held their monthly meeting at the home of Margaret Mitchell. Pat Doerksen came from the MD and gave us some great pointers on interior decorating. Thanks so much Pat.

By the way you should all

keep in mind Marg. Mitchell will have a new type gardener this year. So later on in the summer pay Marg a visit and see it.

Congratulations to all the Sunnyside girls and boys who did so very well at the annual track meet

Billboard

SATURDAY, JUNE 24 - The Town of Morinville will hold its annual Frontier Daze on Saturday, June 24 and 25. A street breakfast and parade on Saturday morning will kick off the action packed weekend.
